Dear Miss Tarbell:

This morning I received a volume entitled "The Nationalizing of Business 1878 - 1898" by Ida M. Tarbell with a card enclosed "With the compliments of the author". I will prize this book very highly, but am very sorry it does not have your name in your own handwriting. Perhaps some time when we have that luncheon I will bring the book along and get you to dedicate it properly. Meanwhile, I hope you are well.

Yours very truly,

A. W. Robertson
