Mr. George D. Thomson
The Michigan Trust Company
Grand Rapids, Michigan

My dear Mr. Thomson:

I have just returned from a couple of months in the southwest and find in my accumulated mail your note of March 13th, with a copy of Miss Foster's pamphlet on "The Significance of the Woman Trust Client." I have not had leisure to read it with care but shall do so very soon. I appreciate your courtesy in sending it to me. It is a subject in which I am interested and I shall be glad to include it among my growing notes on bank women.

You are right in thinking that Miss Bruere's achievement as a bank and trust company woman is notable. She is the leading woman in her field here in New York City.

With many thanks for your kindness in sending me the pamphlet, believe me

Very sincerely yours
