Miss Ida M.Tarbell,
120 E.19th St.N.Y.

My dear Miss Tarbell;-

I wish you might know the joy your letter gave me ;to have your interest in the Abraham Lincoln Garden means a great deal.We expect to have a meeting of our committee in Chicago soon and I shall read your letter. Personally I am very much interested in your idea;the more interest we can create among Lincoln students the more it will be a real tribute to Lincoln.

When we first issued the little broshure I sent you a copy and asked for your opinion of the idea,but I expect you never even saw it because you are bothered ,no doubt,with all sorts of requests,that is the price you must pay for /for/ having made such a reputation as a Lincoln student.

Thank you for the article you sent from the New York Times,it is most facinating.

You would be interested I am sure in seeing the rebuilt village of New Salem and if it were possible for you to come we would be more than happy to have you as our guest.

Thank you again for your suggestion I am,

Cordially yours,

Harriet Knudson
