no more than the part of
men - not so bad - but that -
not the question - keep men out
of it here - a woman - charged
with new duties -

Woman can do no wrong

Woman better than men

The situation requires a better under-
standing of the weaknesses of women
as having 2 conditions have brought
about - not - none unusual - that is
men - peculiar - not to be carried
in a minute - not to be ignored - that is
as in Mark's case - she had not - the technique
- no man would have done what she

did in regard to the family - too ex-
perienced with present procedure - et-

sin = sin finds you out

Murk. had his cleavage
discovered - she tried - confessed -
faced it - aided herself very well -
Mercy - ~~too~~ sympathetically for common
weaknesses - desire of self privacy
desire to please make a fine story
too many of us know the temptation
yield to

Face guilt - she tried - tried - police
inquisition & shuffling? / desire of attempting
to hide guilt by calling it ~~was~~ it police
inquiry
think of a simple minded person the
explanation of credulity in my view
& prosecution for police conspiracy & so on
I'll only state the ruling else I'll say
but mostly all Murk. when Mr. Laidlaw
had made his report
are filled with ~~not~~ aim of police &
Murk. attempted to hide all
Bluffed - again & again.
