PRICE FIVE CENTS

NOTED ARTIST RENDERS PLEASING PROGRAM

Clarence Whitehill Gives Opening Number of Concert Series Last Friday Evening

Before an attentive and appreciative audience of college and townspeople, Clarence Whitehill, noted baritone of the Metropolitan Opera Company, presented the first of the Allegheny College concerts for this season, in Ford Memorial Chapel, Friday evening, October 20.

The concert was one of the most delightful and pleasing heard here for considerable time, and was an excellent number.

Mr. Whitehill came to Allegheny with the highest possible tributes from the musical world and the critics. The fact that he has been with the Chicago Opera Company and is now connected with the Metropolitan Opera Company, of New York, is recommendation enough in itself.

The audience which usually is present at such a musical programme, although it was not over-enthusiastic and unending in its applause, but was, nevertheless, heart and soul with Mr. Whitehill from the very beginning of the concert. Exceedingly hearty applause followed each number, and on two occasions the artist responded with encores. He was very much at home on the local concert stage. This, of course, can be attributed to the fact that he is no stranger to the concert-going public, as his name has long been familiar to all who follow the musical activities of the country.

The wonderful clearness of Clarence Whitehill's voice was outstanding and his enunciation was most perfect. His fine personality and pleasing manner won for him the immediate response and the undivided attention of his audience. His ease throughout the concert and his friendly air created a lasting impression on all those who heard him.

The programme was one of the best and most complete that has been given from the local concert stage in some time. It was divided into six main divisions. All but two of the sections were sub-divided into three numbers.

The opening number, the prologue of "I Pagliacci," by Leoncavallo, was exceptionally well rendered, and was admirably interpreted. "Gypsy John," a substitution, made in the second section, was very well received.

"Dio Possente," from "Faust," was the only number in the fourth division. This selection was most delightful and brought out the beautiful tone qualities of Mr. Whitehill's voice. "The Isle" and "My Native Land" were two very pleasing numbers in the fifth part. Mr. Whitehill returned

DR. ELLIOTT SPEAKS TO MEMBERS OF Y. M. C. A.

STATE SECRETARY MILLER ALSO MAKES BRIEF TALK

Declaring that the modern man owns less than a tenth of what he possesses, in consideration of what he can gain by his own efforts, Dr. W. A. Elliott gave a very forceful address to the Y. M. C. A. at its meeting last Wednesday evening in the Chapel.

Professor Elliott urged his hearers to feel the sense of duty and dependence resulting from the opportunity to enjoy the privileges which have cost parents and predecessors effort and pain. Although it is impossible for the present-day civilization to fully repay those who have made comforts and conveniences possible, it is the duty of it to pass on to the coming generations an even better civilization.

After Dr. Elliott's message, L. M. Miller, state secretary of the Students' Department of the Y. M. C. A., gave a brief talk in which he described the student's ignorance of world affairs.

A joint cabinet meeting of the Y. M. C. A. and the Y. W. C. A. was held after the service.

for an encore of "My Native Land," which met with the hearty approval of the audience.

The last section of the programme was given over to lighter numbers, and though the entire programme was greatly appreciated, these final numbers struck the humorous side of the audience and received the most hearty applause. "Ere in the 'Orspital'" was so well sung that it demanded an encore to which Mr. Whitehill very graciously responded.

Mr. Carl Bernthaler acted as accompanist to Mr. Whitehill. Mr. Bernthaler will be remembered as a member of the Bernthaler Trio, which appeared here during the Commencement exercises last June.

Clarence Whitehill was booked to appear at Allegheny last season, but due to an unexpected opera engagement, he was unable to do so.

EUROPEAN TOUR HAS INTERESTING FEATURES

PARTY SEES PASSION PLAY AND BATTLEFIELDS OF EUROPE

Eighteen tourists accompanied Dr. H. W. Church on the European trip of the past summer. Four of the travelers were Alleghenians, and included the Misses Dorothy Evans, '20, Lillian Zearley, '20, and Augusta Gibbons, '12, and Mr. Alon Shewman, '22. Miss Chevreton accompanied them as far as Paris, where she spent part of the summer, as well as in other parts of France and in Belgium.

The party was under the direction of the Temple Tours itinerary which outlined the tour to include cities and points of interest in northern and southern France, Italy, Switzerland, Austrian Tyrol, Bavaria, Alsace-Lorraine, Belgium, and England. While most of the stops at any point were limited to not more than two days, three to six days were spent in places of especial interest, such as Paris, Rome, Naples, and London.

The feature of the tour centered around the little town of Oberammergau where the travellers saw the famous Passion Play. The play began at eight o'clock in the morning and lasted until noon; it resumed at two o'clock and closed at six. The evening of their arrival the party had the privilege of dining with Anton Lang, the Christ of the play. Dr. Church has stated that the play was as well given as when he witnessed the performance in 1910. While Mr. Lang again played the role of Christus, most of the other players were not the same as in the previous presentation. The crowd was larger than ever, five thousand visitors being crowded into the small community.

The battlefields was another source of especial interest to the party. One of the most interesting sections was the Flanders trip through Dixmude down to Ypres, where the Belgians checked the Germans in the great war.

In many places the debris is still piled up from ten to twenty feet along the roads, and some places are barred from traffic, as there are shells in the ruins which may explode at any time. It will take five years to complete the huge task of removing the accumulations of barbed wire, shells, and parts of guns. The cities themselves are from one-quarter to one-third rebuilt.

In Munich there is an interesting monument. This was erected in 1912 to mark the forty years' peace between France and Germany.

The weather in Italy was oppressively hot, but the party did not allow physical discomfort to interfere with the pleasure of their sight-seeing tour.

Dr. Schultz will conduct the European tour next summer. It will have a somewhat different itinerary, and will include northern Europe, especially the British Isles. Some of the students have already arranged to go on this very educational and enjoyable trip.

PHI BETA KAPPA ELECTS NEW MEMBERS

HONOR STUDENTS FOR LAST YEAR ARE ANNOUNCED

At the regular chapel service Wednesday morning three of the Phi Beta Kappa elections for the 1922-1923 school year were announced by Dr. Wm. A. Elliot. The three electees were C. Stanley Thoburn, Julian L. Ross and Helen J. Bowman. During the same service Dr. Akers, secretary of the faculty read the list of names of the honor students for the last year.

The three elections to Phi Beta Kappa constitute one fourth of the entire number of elections that are to be made during the year 1922-1923. These three however, are to be initiated in June at the same time that the entire group are taken into this honorary scholastic fraternity.

Class honors are announced at the beginning of the college year. In each class students who have had no grade less than "B" during the year and who have maintained an average of "A" are awarded "First Honors." Students who have had no grade less than "C" and have maintained an average of 88% are awarded "Second Honors." Both of these rulings are subject to the proviso that not over 5% of the total number in the class shall receive "First Honors" and not (Continued on page 4)

SEVERAL CHANGES MADE IN FACULTY

NEW COURSES ARE ADDED TO CURRICULUM

Several additions and changes have been made in the Faculty due to the absence of former professors and new courses that have been offered this year. The most important change has been made in the Biology Department, due to the absence of Dr. Chester A. Darling and Professor J. A. M. Stewart.

Dr. Kellogg F. Bascom is now filling the place of Dr. Darling in the Biology Department. Dr. Bascom has had much valuable experience in the field of Biology. He recently received the degree of Doctor of Philosophy from the University of Chicago. Dale E. Thomas, of Andover, Ohio, is taking the place left vacant by Professor Stewart, who is at present doing graduate work at the University of Pittsburgh. Mr. Thomas was graduated from Allegheny College in 1917 and since that time he has been principal of the high school at Andover.

An addition in the form of a German department has been added to the Curriculum of the College. Professor H. W. Gilmore, A. M., formerly of the University of Pittsburgh, has been engaged as the instructor in this department and also as Assistant Professor of Latin. (Professor Gilmore (Continued on page 4)

BLUE AND GOLD LOSES ANNUAL CONTEST 20-13

Clever Forward Passing Attack Gives Grove City Win After Hard Struggle

A brilliant Crimson overhead attack, coupled with occasional flashes around the ends, resulted in a 20-13 victory for Grove City College last Saturday afternoon in their annual contest with Allegheny on College Field. Ideal weather conditions brought large contingents of rooters for both sides from all over this section of the country. Almost the entire student body from Allegheny went to Grove City for the game, and a cheering duel between the two rival colleges continued during the entire contest.

The splendid defense of the Blue and Gold forwards was the bright spot in the Allegheny attack, while the secondary defense was noticeably weak. Two of Grove City's scores were made on long forward passes which the secondary men should have covered. With "Hoppy" Miller out of the game and Will's punting a bit off color the Allegheny backfield was considerably handicapped, and when the Crimson uncorked their aerial and flank attacks they caught the locals off guard and made long gains. The Allegheny touchdowns were the result of straight football together with a good forward passing attack. After Grove City had crossed the Blue and Gold line twice, McCracken's proteges came back with a bang and scored their first touchdown in the second quarter. A series of line bucks and a forward pass from Wills to Loomis advanced the ball to within the shadow of the goal posts, and Dahl took it over on the next play. The second tally for Allegheny was made just before the final whistle. Opening up with every play he had, Morley managed to advance the oval to within striking distance, and Weaver was the man chosen to put it over. On a right end run, the diminutive half-back twisted and squirmed his way through the opposition, and planted the pigskin on the good side of the white line.

Soon after the initial kick-off it was quite evident that the game was to be a stubborn battle with both teams fighting to their utmost. The first quarter was an exchange of punts in which Bible, the Grove City captain, excelled. Trying straight football and finding it availed them nothing, the Crimson backs, in the second quarter, let loose with a vicious overhead attack which the Blue and Gold secondary defense could not fathom. Two fleet-footed opponents, Bible and Lope-man, alternated in running Allegheny's ends. This they did to perfection, each time placing their squad in an excellent position to score. A twenty

yard pass from Bible to Abrams paved the way for Grove City's first score. With the ball on the five yard line, Jones attempted to crash through for a touchdown, but the Blue and Gold forwards downed him on the line of scrimmage. This repulse, however, was only temporary, for on the next play a touchdown was gained by Lope-man's passing the ball over the line to Bible. On the next kick-off Parnell fumbled, and Putts recovered for Grove City on the forty yard line. Bible dashed around left end for a substantial gain, and Jones soon plunged over the line for the second marker.

Filled with enthusiasm and gladdened by thirteen points, the Williamson squad received the next kickoff and started down the field. Unable to gain, owing to the determined fight being waged by the Allegheny forward defense, Captain Bible was forced to punt to Seybold on the thirty yard line. A pretty reverse double pass around left end with Seybold carrying the ball netted twenty yards. Dahl was a consistent ground gainer, and first down was made on a forward pass from Seybold to Wills. On the next play Wills hurled a pass into the arms of Loomis who raced down the field to the two yard line before he was downed. Dahl plunged over the mark a minute later for Allegheny's first score.

Between the halves, the respective cheering sections of the two colleges staged snake dances on the field, and many spectators were heard to remark that Allegheny had more in line than Grove City.

The second half opened with much unnecessary roughness on the part of the rival squad. The Crimson suffered three penalties on this account, while the locals were penalized but five yards during the whole four periods. After an exchange of punts in the beginning of the third quarter, the Bible-Lope-man combination resumed their deadly passing game, and the third tally for Grove City was the subsequent result.

With the opening of the fourth period a number of substitutions strengthened the local eleven. Weaver went in for Graham, and Morley succeeded Wills. These two revived the hopes of the Blue and Gold supporters when a long pass from Morley to Loomis netted forty-five yards. On the next play Logan made one yard at left guard. It was fourth down and ten yards to go when Judd missed a perfect pass which would eventually (Continued on page 4.)

On Thursday evening, October 26, the long delayed Y. M. - Y. W. reception will be held in Cochran Hall. The reception which is held each year after college opens, was delayed this year on account of various conflicts with some social function or other activity on the hill or down town. Despite this unfortunate delay, the committee in charge of the affair has planned to make it one of the best receptions that the college has witnessed in a number of years.

The Y. M. - Y. W. reception is given for the purpose of bringing the entire college together, and especially to get the new students acquainted with each other, the old students and the members of the faculty. So, as in the past, the entire student body and the faculty are invited to attend the reception on Thursday evening.

Some form of amusement has always been furnished, and while dancing may seem in order, the committee in charge of entertainment has requested that none shall be done. It is rumored that some very novel forms of amusement have been found adaptable to the evening.

Further announcements of the reception will be made in Chapel, but the committee wishes that everyone bear in mind the date, Thursday, October 26, and keep it free in order that they may attend this first all-college function of the year.

UNIVERSITY OF BUFFALO WILL INSTALL NEW CHANCELLOR

President Fred W. Hixson will be numbered among the distinguished delegates from various educational institutions to participate in the installation of Dr. Samuel P. Capen as chancellor of the University of Buffalo, Saturday, October 28. President Hixson is one of 75 delegates to receive the honor of an invitation to attend this installation.

STUDENTS WELCOME NEW FOOTBALL SONG

WOLZ AND MOORE INTRODUCE "PEP-SONG" TO STUDENT BODY

A new college song, which received a most enthusiastic welcome, was introduced to the student body in Chapel last Friday morning, when other Allegheny songs were sung and cheers were given as a stimulus for the Allegheny-Grove City game.

The "Pep Song," as it is called was written and composed by Alexander Moore and Charles Wolz, both of the sophomore class. Mr. Wolz is a musician of no little ability, and he has delighted many Alleghenians with his clever playing and pianologues. In the composing of his "Pep Song," Moore and Wolz have given to their Alma Mater a worthy addition to her only too small number of songs.

The students greeted the "Pep Song" with such hearty favor that it was sung several times between the halves of the Grove City game.

Unfortunately, Allegheny lost in the clash with Grove City last Saturday. But her loss in one sense was a decided gain in another, for Allegheny and Grove City have each won from the other a higher sense of true sportsmanship and respect as a result of the game.

The splendid demonstration of good spirit evidenced Saturday has aroused no little comment among the student body, and Allegheny is appreciative of the excellent treatment and hospitality accorded her on her visit to the home of the Maroon.

Hazing this year has been carried on completely and in a more orderly manner than it has in the past. No violent outbreaks have been seen on the Campus and the Freshman is continually reminded of his place by the diligence of the Sophomore Class. Speeches, fairy dances and other stunts performed by the first year men, have taken the place of "hair-cutting" and is proving to be both desirable and effective in the accomplishment of the desired end. In using these methods the Sophomores will be able to entertain the "Frosh" very completely this year and scatter the program in such a manner that harmless sport will be provided throughout the entire term.

At the suggestion of the Navy League of the United States and approved by the Navy department, Friday, October 27, has been set aside as Navy Day. On Navy Day we would celebrate the consecration to duty of the personnel of the present Navy and the glorious services rendered to the nation by the Navy of the past. We would emphasize its unity with every interest and activity of the national life. It is good for the people to stop a moment and consider what has caused the nation's prosperity and greatness. The Navy has played no small part in this prosperity and progress of America to its present state and influence. Today our peace and prosperity are safeguarded by the Navy. It is not the purpose of Navy Day to strive for a more powerful Navy, but to pay tribute to the important part which the Navy has had in the development of the United States.

The Campus is a College Newspaper, the voice of the Student body. In carrying out this policy the Editorial Staff will strive to constructively comment on various questions which are directly related to the student. In order to successfully accomplish this function the Staff will heartily accept the views and constructive suggestions from any member of the student body, in the attempt to present student opinion.

CLUB ACTIVITIES

HISTORY AND POLITICAL SCIENCE CLUB

The History and Political Science Club met on Tuesday evening, October 17. Tentative plans were made for a club trip to Erie in the near future. The following were elected to membership: Dorothy Morgan '23, Sarah Steele '23, Georgiana Lane '23, Sarah McQuiston '24, Nellie Titus '24, Helen Fry '25, Margaret Schaeffer '25, G. L. Brown '24, M. V. Wright '24, T. S. Baker '25, Ralph Demmler '25, M. A. Mook '25, J. M. Pratt '25, Leo Sutton '25.

The initiations for these members will be held Tuesday evening, October 31, in the Seminar room at the Library.

D. W. Thompson, an attorney of Meadville, was elected to honorary membership. Mr. Thompson is doing graduate work in the department.

PHILO-FRANKLIN FORUM

"Should the Campus be made a semi-weekly publication?" was the question which was discussed at the meeting of the Philo-Franklin Forum, last Friday. In the debate Mr. George Gas-teiger was given the decision over Mr. George Braun, who defended the affirmative. The meeting was then thrown open for general discussion, and many good arguments for both sides were given.

Following the meeting, Messrs. Miller, Titus, Hill, Rupert, Kolpein, Byers, Russel, Francis, Shaffer, Peters, Leigh and Mason were initiated into the Forum.

THOBURN CLUB

Keen interest and enthusiasm was shown at the first meeting of the Thoburn Club which was held in the Classical Club room of the library last Thursday evening.

President George Braun occupied the chair for the first time, and gave a tentative outline of work for the year. Since Raymond Hurst, treasurer-elect, has not returned, Robert Leeper was

elected to fill that office. Four candidates, Awald, Babcock, Mackintosh, and Schaefer, were elected to membership.

Dr. Beiler and Mr. Harry Hummer offered some valuable suggestions and remarks which were of interest to the members.

NOTICE TO SENIORS

It is important that all Senior write-ups for the Kaldron be in the hands of the Kaldron staff not later than Nov. 1, in order that they may be turned in promptly. The co-operation of every Senior is desired.

A representative in each fraternity will have charge of the write-ups in his or her group. In the case of non-fraternity Seniors, or those who have not been interviewed by a representative before Nov. 1, the write-ups will be cared for by either Mr. Havice or Mr. John Pratt, if those concerned will submit the necessary data on or before the above date.

Senior pictures must also be given immediate attention. It is requested that all Seniors arrange for their pictures this week. They may be taken at any of the local photographers.

DR. HIXSON'S TRIP

President Hixson spent the latter part of August and the first half of September in the New England States and the White Mountain section of the country. He and his party motored to Buffalo, Utica and Albany, and from there to Boston. From Boston, Dr. Hixson went on an extended motor trip through Vermont, New Hampshire and Massachusetts, visiting a number of colleges, universities and principal cities of the three states.

During the summer months President Hixson visited Williams, Dickinson, Juniata and Union Colleges, and Harvard University. At Dickinson College he attended the semi-annual meeting of the State Association of College Presidents. In addition to these tours, the President made a number of short trips to Pittsburgh, Dubois, Youngstown and Kittanning.

DR. COLEMAN WRITES HISTORICAL VOLUME

NEW BOOK CONTAINS INTERESTING INFORMATION

Among the latest books written on historical subjects and found in the catalogue of the Yale Press is one entitled "The Treatise of Lorenzo Valla on the Donation of Constantine," by Dr. C. B. Coleman of the faculty of Allegheny College. In going to the work of Valla the author brings forth the writing of a character who is not at all well known in the libraries of the United States.

Of him it is said, "Valla, a man who with so much energy, zeal and labor, refuted the stupidities of the barbarians, saved half-buried letters from extinction, restored Italy to her ancient splendor of eloquence, and forced even the learned to express themselves henceforth with more circumspection." He was one of the greatest of the Italian humanists of the fifteenth century.

A diligent search of the United States failed to reveal anywhere a copy of Valla's works, with the result that Dr. Coleman was forced to go to the original manuscript, which is in the Vatican Library at Rome, for the material for his latest work. A photograph of the first page of the original is used for a frontispiece.

The Donation of Constantine grew out of the legends about Sylvester I, Bishop of Rome, as well as out of the legends about Constantine, which Dr. Mr. Coleman has taken up in his "Constantine the Great, and Christianity." Its origin can be traced to the middle of the ninth century. An English translation is to be found in Henderson's "Select Historical Documents of the Middle Ages." In the work of compiling the treatise Dr. Coleman used Henderson's translation. In translations from the Bible the King James version was used. In the translation of the quotations of Valla the classical meaning of the words and not the Medieval meaning was given.

In general this is without doubt a contribution of great value to the historical works of this country and much credit is due the author. In his introductory statement he expresses thanks to Professors Deane P. Lockwood and J. T. Shotwell of Columbia University and Alexander D. Frazer of Allegheny, for their assistance in the work.

JAMES W. KINNEAR, '82 DIES DURING SUMMER

JAMES W. KINNEAR, '82, DIES DURING SUMMER

In the early part of September Allegheny College lost a faithful trustee and loyal alumnus in the death of James W. Kinnear, '82. Mr. Kinnear who was a prominent corporation lawyer of Pittsburgh and chairman of the Executive Committee of the World's Sunday School Association, died in Rochester, Minnesota, after more than a year's illness.

Dr. Kinnear was born in Tidioute, Warren County, Pa., August 2, 1859, a son of James and Jeanette (Parshall) Kinnear. His grandparents were pioneer settlers of Venango county. James W. Kinnear received his education in the public schools, graduating from high school in 1878. He then entered Allegheny College, receiving in 1882 the degree of Bachelor of Arts, and in 1885 of Master of Arts. Subsequently he registered as a law student with the firm of Brown & Son, of Warren, Pa. After spending a year in the law department of the University of Pennsylvania, Philadelphia, he was admitted to the bar in 1887 and practiced in Warren.

During the last 18 years he devoted much of his time to a number of manufacturing corporations which he represented as general counsel. He was president of the American Stainless Steel Company, vice president of the Firth-Sterling Steel Company, director of the Keystone National Bank, vice president of the Washington Steel and Ordinance Company, director of the Pittsburgh Cold Rolled Steel Company, and president of the Wolf-Tongue Mining Company.

As a trustee of Allegheny College, Mr. Kinnear was a willing worker for the benefit of his Alma Mater and a liberal contributor to the Endowment Funds of the college. He was a member of the Phi Gamma Delta fraternity.

of the several institutions represented, and it is the purpose of these conventions to discuss and exchange policies and ideas relative to effecting better college papers.

On Friday evening a banquet was held in the Commons Club hall of the College. Mr. George T. Ettinger, Dean of Muhlenberg, gave the address of welcome, in which he extended greetings to those assembled.

The principal address of the evening was delivered by Mr. Royal J. Davis, who is connected with the New York Evening Post. Mr. Davis gave many valuable suggestions directly applicable to college newspapers, and gave his idea of what a good publication of such kind should contain. Mr. Snyder of the Allentown Morning Call, also had an interesting message. He served as a representative of the local newspapers.

On Saturday morning an important business meeting was held. Each college or university represented in the association reported on the policies pursued in the publishing of the paper, and exchanged ideas and comments.

Among the colleges and universities represented were Albright, Bucknell, Lafayette, Lehigh, Stevens Institute of Technology, Washington and Jefferson, George Washington, Ursinus, Delaware, Susquehanna, Penn State, Gettysburg, Thiel, Franklin-Marshall, Rutgers, Havreford and Allegheny.

Allegheny was the last institution admitted into the association, having been admitted last May.

FACULTY NOTES

President Hixson visited several Pennsylvania colleges recently. Last Thursday evening he addressed the students of Juniata College. Friday and Saturday were spent at Dickinson College at a meeting of the Association of College Presidents of Pennsylvania. On Sunday the President gave the address at the dedication of a new \$100,000 church at Kittanning. Monday morning he spoke before the Kittanning High School.

Dr. Schultz is confined to his home with tonsillitis.

Dr. Littell is teaching New Testament History and Dr. Reiler has charge of the Old Testament department of the Meadville Community School of Religious Education. The meetings are held on Tuesday evening of each week at the Presbyterian church.

Prof. Thomas was at Harrisburg, Saturday, October 7, at a meeting in the interests of the debating meets between Pennsylvania colleges. Plans are in progress for a Debaters' League of the participating institutions. Penn State, W. and J., U. of P., and other leading schools were represented. This League will give Allegheny a closer relation to the other Pennsylvania colleges, and will do much to further the debating interests within her own walls.

Dr. Swartley was at Cleveland on a similar mission, Saturday, October 14, where he met with representatives from Western Reserve, Wooster and Ohio Wesleyan. The following question was decided upon, and will be used in at least part of the debates: "Resolved, That the Power of the Federal Supreme Court to declare Statutes Unconstitutional be Restricted."

WHERE STUDENTS MEET

WAYNESBURG WILL

BE NEXT OPPONENT

COACH WOLFE WILL BRING WELL PREPARED ELEVEN TO ALLEGHENY ON SATURDAY

Allegheny plays its second home game of the 1922 football season on Saturday when it meets Waynesburg College in a contest that should provide some real excitement for the fans. Waynesburg, despite the fact that it started the season playing an erratic game, has now braced and is putting up a brand of ball that ought to give the Varsity a hot tussle.

When the Waynesburg game was scheduled it was probably booked with the idea of giving Allegheny a breathing spell between the Grove City and Tech games. However these plans will not be carried out as the downstaters have so invigorated their eleven that the Varsity can expect not a set-up game, but instead a grueling test. Waynesburg won from Duquesne earlier in the season by a 6-0 score, and as the Pittsburghers in turn have been fighting other opponents hard some idea of the strength of the next college that opposes us can be obtained.

Waynesburg is being coached by Wolfe, a former Penn State star. The downstaters are using the Bezdek system of football in which their coach has thoroughly drilled his men. While Wolfe has not made any wild predictions of defeating Allegheny nevertheless he brings his eleven here, feeling sure that they will give us a good run.

The Varsity is practicing daily for the next game and Coach McCracken will put his full forces against the visitors. The Waynesburg game will be a standard of measuring Allegheny with its future opponents and if the Blue and Gold can treat their visitors as they did Niagara we can be reasonably sure of giving Tech, Westminster, Alfred and Geneva real fights later in the season.

SIDE LIGHTS ON THE GROVE CITY GAME

Bible, the elusive Crimson back, gave a pretty exhibition of open field running. His co-mate Lapeman was not far behind him in this respect.

Brian, the rangy back from Nebraska, made a very favorable impression during the short time he was in the game.

Dahl and Fuller backed up the line in fine style Saturday.

Seybold averaged fifty-yards on his punts.

Dahl was the only consistent ground gain for the Blue and Gold.

"Happy Miller was badly needed last Saturday. His speed would have changed the whole aspect of the situation.

The Crimson overhead attack, engineered by Bible and Lapeman was very successful owing to the fact that the Allegheny secondary defense neglected to cover their men.

snake dance between the halves; Allegheny was outscored in the leggheny having more men in line than did the home institution.

Abrams, Lopeman and Bible must have had glue on their hands the way they clamped on to the passes. Too bad Judd could not have had a little, also.

Weaver's tackle of Brian in the final minutes of the play was a neat bit of work.

Parnell and Byham were again the mainstays of the Blue and Gold defense.

have tied the score. The ball was put into play on the ten yard line and Brian immediately boted the pigskin out of danger to Weaver on the forty-five yard line. Fighting desperately to ward off defeat, the Blue and Gold squad resorted to the forward pass with telling effect. An accurate throw from Morley to Loomis enabled Weaver on the next play to wiggle his way across the line. With only two minutes to play, Parnell kicked off to Brian who, in his race down the field, evaded all the Allegheny tacklers except Weaver who brought him down with a clever flying tackle. The force of the impact knocked the little fellow out.

Dr. Charles Russ Richards is Formally Installed as The New Head of Lehigh University, Bethlehem, Pa.

The fifty-sixth anniversary of the founding of Lehigh University was made memorable Saturday, Oct. 14, 1922, at exercises held in Parker Memorial church, when Dr. Charles Russ Richards was inaugurated as the seventh president since the founding of the institution by Judge Asa Parker. Formerly Dr. Richards held the position of dean of the engineering school of the University of Illinois.

The key-note of his inaugural address was a greater and better future for the University. Bishop Ethelbert Talbot, head of the Bethlehem Diocese of the Episcopal church, presided at the exercises.

has had considerable experience in these languages and should make this branch a popular one.

An assistant librarian has been appointed in the person of Miss McCormick, from University of Michigan. Miss McCormick received the degree of Bachelor of Arts last year and during the summer attended the Chautauqua Library School.

Dr. F. G. Henke has several new assistants in the Philosophy Department. Miss Varenne Collins, of the class of '22, is serving as an instructor in Education. Mr. Floyd H. Moore, also a graduate of the class of '22, is an instructor in Philosophy.

The new courses that are being offered this year, are: German, Practice Teaching and Introduction to teaching. These branches are worthy additions to the curriculum of the College. Except for the above mentioned changes, the faculty and courses remain the same as last year.

BETA UPSILON PURCHASES TRACT

Beta Upsilon has recently purchased the tract of land at the corner of North Main Street and Limber Road from the allotment for sale by the Brock Brothers realtors. This property is considered at the present time to be one of the best locations north of the city from a real estate standpoint.

A sign with the Beta Upsilon insignia marks the site of the home of the fraternity. It is rumored that plans are being formulated for building soon.
