

The ^{new} Social perpetuance - certain
 features of the period it purposed to
 end - ~~It aims~~ Securing order through
 disorder - Peace through war - justice
 by injustice - Evolution through Revolution

The individual has had the upper
 hand so long - now it is his turn
 to be used. Says someone - So, says
 the ^{as we can see} Social has had the upper hand
 it has been the ally of capital -
 highly protected - highly privileged capital
 what it has been fighting for
 is not justice but a share of
 the profits for that it has been
 unless the system which has
 kept the advantages on one
 side. It is no ideal - fact it is
 a system - ally of power -
 it has been the means of
