Cumberland

State of Rhode Island.

Senate Chamber

Lonsdale
Providence, Sept. 20 1921

Miss Ida Tarbell:

Dear Madam: -

As the remedies
for unemployment which I
have seen suggested as likely
to come before the Conference
of which you are a member,
appear to be temporary and
palliative only, I venture to
send for your consideration
a Resolution which will be
lasting in its effects for good,
Yours truly,
Lucius F. C. Garvin
