ALDINE ASSOCIATION.
FIFTH AVENUE AND 18TH STREET.

My dear Miss Tarbell:

News - news - all about the great robbery - Mexico! Dunbaday is suing the McClure people with full authority, written authority, for $85.. which is good during 83's absence & may be continued. That is straight & then it from Churchill, who owns it & also from Schwimley, our printer, who leased it to Dunbaday himself. Schwimley says it's a form of attorney. The binding is stuffed. Churchill is tired - resigned because the Brady boys persuaded him to do it. He had made a report on them to do Davis report. They dominated

to sell the bonds, stopped Chamberlin from going to Detroit to see a man who had written about them several times. The cash subscription clubbing offer was done against the judgment of the subscription manager & after I had promised to back out. This was fixed by Monday. We had arranged to buy at a fair price the old expirations — names of subscribers who had not renewed — & Monday solved it. They intend to make us market the bonds. Would be easy to sell if they could see all. Monday gave Schneider the impression that they were in a bad way. Apparently he helped them get money for payments on building. He urged Schneider to speed to sell the building & land to the Long Island R.R. Co for what it cost.

His hunting the property of these stories of bad conditions. Sam blamed me for never getting rid of Bundy — claimed that I had the power. Oh it's a lovely mess I guess we'll have to suffer perhaps. But when Michelson comes back we'll see what to do. They are certainly in a panic over there — Schmidt said so.

He told me too that the Cosmopolitan people were terribly disturbed when they learned that we had the American.

I may add too — oh this has been a day rich in gossip — that Colver is a veritable skin. He fooled us all right. He did Mrs Leslie & then Denison all along the line. They hate him at the office.

Adams is getting the editorial debit to Collier — pawned off with a pledging thought & when the whole thing looks like a fool thing to me.
