Dear Mrs. Taubell:

Here is

evidence that I did try
to get a copy of the
~~envelope~~ letter for you.

Mrs. Januau writes Mr.
letter. When Mrs. Paige
returns in the Spring
they would try again

in case a direct letter from
you doesn't do the trick
she will remember me if
you care to use my
name.

I hope you will have
a splendid Christmas
and that the New Year
will bring you all
the genuine satisfactions
with love,

Gertrude Shelby.

P.P. The doctor was full
of good intentions about
continuing to thank you
for the quaint representa-
tion of yourself as an
athlete, and to say he
simply couldn't eat
his heart of a friend!
So he's gone that from
first little visitor!
