Dear Miss Tarbell:

Your letter of November 12, after several delays in transit, reached me only a few days ago. Thank you for the return of the Canadian report.

I wish I had a complete set of the daily report of our proceedings, of which we had typewritten copies, - to send you, but the supply is exhausted. However, the proceedings are to be put in printed form and I will see that you receive a copy. Meantime, if you would like the resolutions, please let me know and I will send them.

I am more sorry than I can say that you could not be present at some or all of the sessions. I do not know when I have met so many outstanding personalities. Among them, Mme. Stychova, a munition worker and member of the Assembly, and Mme. Majerova, a coal miner's daughter and City Councillor, from Prague, were women of vision and great gifts.

Believe me, with all good wishes and deep appreciation,

Most cordially yours,

Margaret Dreier Robins

(Mrs Raymond Robins)

Miss Ida Tarbell.
