

September 8, 1939

Dear Mr. Merritt:

Miss Tarbell has received your letter of September second and wishes me to tell you that the McClure Company has gone out of existence. The books were taken over by Doubleday Doran & Company, whose address is 14 West 49th Street, New York City to whom you should write for information about the Brady book.

Yours very truly

Secretary to
Ida M. Tarbell

Mr. Theodore E. Merritt
1958 42nd Street
Oakland, California
