My dear Miss Tarbell

You will be grieved I know that I must acknowledge the "Lodestars of the Lincolns" which came yesterday for Mr. Moore died December 7 having been ill two months - heart dilatation exaggerated and made fatal by an influenza infection.

He so much enjoyed the conferences he held with you in the wonderful and his person who was your inspiration. The Lincoln collection he left in his will to our City

daughter who is planning to give it away as a Memorial to her father probably to the Historical association who will have a building for archives and library if ever the plans for our Memorial Plaza are made an actuality.

Very sincerely yours

Elizabeth L. Moores
