Dear Miss Tarbell,

Under separate cover I am sending you a copy of **MORAL REARMAMENT - THE BATTLE FOR PEACE**, the book compiled by H. W. ("Bunny") Austin, England's Davis Cup player. The program of Moral Rearmament was initiated at Interlaken last summer and has found national expression in various countries. The first edition of it is 250,000 copies, and it is dedicated, as you will notice, to Lord Baldwin of Bewdley and was inspired by the lead he gave to the program of Moral Rearmament for England.

I think it is a thrilling book. As you catch the drama of it you see a race against chaos. Born out of the days of crisis, it conveys the deepest convictions of many world leaders.

I should be very glad to have your thoughts as to how the program of Moral Rearmament can be made effective in our own nation.

Sincerely yours,

Helen Smith Shoemaker

I have remembered with so much pleasure the delightful tea we had with you last winter at the National Arts Club, when we discussed "Rising Tide".
