Dear Dr. Warren:

I wish I could join your coming Pilgrimage celebrating Samuel Lincoln's arrival in America. It is a fine idea. It will be quite out of the question for me to join you at Hingham which I would like to do. Possibly I can make Monmouth County. I certainly shall if my engagements do not prevent.

I hope you will have as good a time going over that route as I did when I was working on "In the Footsteps of the Lincolns." I remember very well meeting you in Evanston at that time and being deeply impressed by the excellent work you had done on the Kentucky records. You started something then, dear Dr. Warren.

With all good wishes, believe me

Very sincerely

Dr. Louis A. Warren
