

Sherbury. Mass.

Aug. 13-1904-

My dear Miss Tarbell.

Here is a copy of
Mrs M & Clara's letter, which
Mrs Phillips asked me
to send you.

He wants so much
your advice. Do you
think it best for him
to leave her & come
home?

Well this dread-
ful business never end.
Every time Mrs Phillips
gets to Sherbury thinking
he will have a few
days of peace - then
more letters arrive -

I am writing in haste &
see this in mail.

With love, I am affectionately
Yours,
James B. Phillips

I cabled to Mr. Mac
in reply to his that we were
getting Cleveland on Parker &
Hayes Route on Roosevelt.
His reply from Rome was
one word "Splendid"
What a gentleman that!
