

March 28, 1928

Mr. H. C. Barker
1922 So. Hobart Boulevard
Los Angeles, Calif.

My dear Mr. Barker:

You wrote me in February about having some extra copies of Dr. Blakesley's brochure, "How My Father Secured Lincoln's Autograph." Did I send you \$2 for one of them? I had an impression that I did, but I have been away almost constantly since and do not remember. At least I haven't the book and would like it.

Very truly yours
