Hon. Henry Horner
The Probate Court
Chicago, Ill.

My dear Judge Horner:

I thoroughly appreciate
your promptness in writing to Mr. Stern in regard to
the Rosenwald biography. It is a great deal for you
to do, busy as you must be.

Of course I realize that the decision is with
the family. My only point in raising the question is
that I can make my plans a little more definitely for
the next two years. If I am to do this piece of work,
it means that I shall not do something else.

I am enclosing Mr. Stern's letter; and if he wishes
to take the matter up with me after they have had a family
council, he or you can let me know.

Thanking you again for your many courtesies in this
matter, my dear Judge Horner, believe me

Very sincerely yours
