

UPTON SINCLAIR

PASADENA
CALIFORNIA

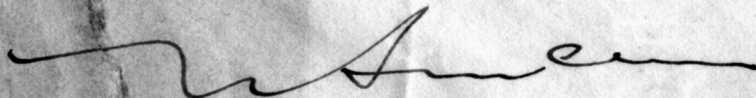

Sept 13, 1919

Ida Tarbell.

My dear Miss Tarbell:

You will see in "Pearson's" for September that Frank Harris is after me about that matter of Lincoln. If you are able to recall where I can find the facts about the matter of Lincoln's suppressing the pro-slavery papers, you ~~ix~~ will do me a very great favor indeed. I am writing on the chance that you have now returned from your vacation.

Sincerely,

A handwritten signature in dark ink, appearing to read "Upton Sinclair", written in a cursive style.
