Dear Miss Tarbell.

Saw by the Derrick your article containing information concerning Booth Lincoln's assassination. Many yrs. ago I read J. J. McDaniel's book "Sketches in Crude Oil" It gave quite a history of Booth's escape & you have that & more too.

I understand that C. W. Alvord of Jamestown N.Y. 409 Spring St. claims fully to know the motive that prompted the assassination & could thoroughly prove his statements. And I wondered if you cared to interrogate him.

Very Sincerely C. W. Alvord

P.S. I personally knew Mrs. McDaniel
