Dear madam:-

I wanted a copy of your book for my own use and have never looked in our library for it. It looks as though I would have to do so. As you are undoubtedly aware Ida M. Tarbell's new book "In the Footstep of Abraham Lincoln" is now being published in the papers before its issue in book form. She speaks highly of your book and agrees with your findings. But I first heard of it through Miss Frances Hanks of Greenwich N.Y.

Miss Hanks says her information from Missouri is that the Halle who intermarried with the Hanks out there are of the Tabatha Hall (who married John Hanks) line. My information does not give this. She mentions a Levi Hall as being a brother to Tabatha. The Mansfield Records, according to Dimock's book do not give a Levi at all in this family.

You mention the Hanks and Halls intermarrying. In my line the following peculiar intermarriages took place.

John (1),				
Benjamin (2)	Barnabas (3)	Barnabas Jr. (4)	)	Barnabas and Ann m.
William (2)	Theophilus (3)	Ann (4)	)	Jan. 24, 1749-50
,,	,,	Tabitha (4)	sister of Ann married	
			John Hanks	Jan. 24, 1749-50

Barnabas and Ann family, Nathan (5) Almon (6) Austin (7)
John Hanks and Tabitha do John (5) Elisha (6) Rhoda Huntington (7)
Austin Hall and Rhoda Huntington Hanks married and their only child was Eveline Ostrander Hall who married John Dwight Hendryx, my parents.

Sincerely yours,
Frank Hall Hendryx.
Frank Hall Hendryx

*I never heard of this Frances Hanks
of Greenwich N.Y. that I can
remember but she may have
some Hall Hanks records -*
