VOLUME XXIX—NUMBER 30.

OF ALLEGHENY COLLEGE

MEADVILLE, PA., JUNE 3, 1911.

Last Track Meet

Allegheny to Try to Win Fourth League Championship.

The climax of Allegheny's track schedule will come this afternoon when the W. P. I. A. L. meet will be held at Grove City. Captain Hilborn and his squad of athletes left for the Mercer county school at 7 o'clock so as to be in the best of shape for the final test this afternoon.

Allegheny's chances for victory are bright, although not as certain as they have been in a number of years. Since the formation of the league a number of years ago, Allegheny has won first place every year except in 1908. At that time Carnegie Tech claimed the largest number of points with Allegheny second and it is probable that Tech will make an unusually strong fight for championship honors this year. A meet was held in Pittsburg on May 20 at which nearly all the schools belonging to the league were represented. First place was won by Carnegie Tech against Pitt, Grove City, Westminster, W. and J., and Western Reserve. A comparison of the time and events will show the relative strength of the teams entered this afternoon.

Allegheny lost a valuable man last year in "Soddy" Croasmun and one that could always be depended on for several firsts. Perley and Thomas are the two short distance men but as they have been entered against the fastest men of this section of the state it is hard to predict their places this afternoon. Perley, in the Rochester meet, made some fast time in both the hundred and two-hundred and with the addition of Thomas the dashes will be well cared for. None of the schools in the league are especially strong in these events.

Crumrine of W. and J. and Stidger have been rivals in the hurdles for several years. Both men are exceedingly fast in these events and have always finished close together. At the Pitt meet, Crumrine made the high hurdles in 16 3-5 seconds and the low hurdles in 27 3-5. Stidger's time in the high hurdles is a little slower than this, but his low hurdle time is about a second faster.

The half mile is one of the strong places of the team. Hilborn has made the 880 in 1:59 4-5 and this is far better than any school represented can do. The quarter will probably be run by him also against Steinmetz of Tech. Steinmetz has already made the 440 in 51 3-5 and a close race between him and the Allegheny captain is sure to be one of the features of the meet.

In the long distances, Allegheny can be counted on to gain a number of points. Van Horn has been making the time in the miles almost touch the local record and at the Rochester meet he came close to the time made by Steinmetz of Tech. The two mile was won by Wait of Tech in 11:21 3-5, Winn has demonstrated his ability to do this long run in time that hovers around the 11 minute mark.

Little more than second can be hoped for in the weight events. "Chuck" Dotterer has shown up almost in a phenomenal manner for a new man and has been putting the discus about 115 feet and the shot 37, but both Lamb of Grove City, and Ashton of Westminster, have made records of their own in these events. However, if he continues to improve

Librarians Here

Convention of Northwestern Pennsylvania Association Coming.

The annual meeting of the Northwestern Library Association will be held under the auspices of the college Library on June 8 and 9. An invitation has been extended to the librarians of this part of the state to attend the Moving-Up Day exercises and the sessions have been arranged so as to enable them to attend the Minstrel Show in the evening.

The first meeting of the convention will be held Thursday afternoon with President F. C. Southworth of the Theological School as the principal speaker. This will be open to the public and will be held in the Oratory unless the attendance warrants the use of the Chapel. Students are especially invited. Following the afternoon session a reception will be given to the visiting librarians, to the faculty of the Theological School and of this college and to the staff and board of control of the City Library. Hon. H. B. Stone, of Bradford, will speak on "Library Legislation."

The Friday morning session will be held at the Theological School at 9:30 and will be addressed by Dr. W. A. Elliott on "Helping Students to Use the Library." The last session will be held at 2 o'clock in the Oratory.

The president of the association is Miss Susan Sherman of the Carnegie Library of Bradford and the secretary, Miss Charlotte Evans of the Erie Public Library. Librarians from Western New York and Northwestern Pennsylvania, representing the school and public libraries are expected to be in attendance.

Commencement

Glee Club Will Be Assisted By Mme. Maconda.

The manager of the Glee Club has been working for some time upon the spring concert and arrangements are now about completed for one of the best concerts that has been given for several years. He has definitely arranged to have Madame Charlotte Maconda as the soloist of the evening, with Mrs. Arthur Leberman at the piano and Miss Nelle Eckert of the Peabody Institute of Music at Baltimore as an assisting violin soloist. All three of these ladies are accomplished artists and are bound to help make the concert a success.

Madame Maconda has gained a very enviable reputation throughout the East both as a soloist and as a grand opera singer. A few notices given her in the best papers of New York and by famous critics will serve to show how she is regarded as a singer. The New York Times says, "Madame Maconda is the possessor of a beautiful voice and stands at the head of concert sopranos in the East." The Musical Leader says, "She is a rare example of the old school coloratura in a young woman, so much so that it is not unusual to call her the 'American Sembrich.'" Besides these, she has received the greatest praise from many other critics and her position among Eastern singers is undisputed.

So as to be prepared to ably assist Madame Maconda, the Glee Club has been practicing several new songs which they intend to have under perfect control by the twentieth of June. The Mandolin Club is also trying to have several other selections for the evening.

Farewell Meeting

Quillers to Honor Seniors Monday Night.

The last meeting of the Quill Club for this year which will be held Monday evening at the Club rooms will be in the nature of a farewell to the Seniors and is entirely in charge of the Juniors. The meeting has been dubbed the Comic Meeting and in keeping with the name the general topic for discussion will be "Humor." The following subjects have been assigned and those who come are warned to be prepared to laugh. "The Functions and Purposes of a Funny Paper," Thomas Hughes; "Our Present Comic Paper" by Miss Margaret Megirt; "The Trials of a Comic Editor," R. W. Thomas, and "The Humor of the Seniors' Departure" by Miss Bess Ling. The meeting is in charge of Miss Bess Ling and Thomas Hughes.

At a special meeting of the club yesterday afternoon the new ex-officio members of the club were approved as follows: from The Campus board for 1911-12, Miss Ethel Bayard, associate editor; Paul W. Johnston, Miss Frances Riethmiller, reporters; William B. Dotterer, manager; from Literary Monthly board, Glenn H. Davison, manager. Miss Victoria Lord, having once been approved, remains in the club a member ex-officio, from The Campus staff. On the recommendation of the executive committee, the following were elected into membership: Ross K. Conaway, Arthur C. Nodine, Miss Ruth Dorworth, Miss Elizabeth Lord. Although these new members do not officially come into the club until next September, they are invited guests at the final meeting, Monday.

Japs Take Game

Keio Takes Advantage of Allegheny's Errors and Wins 6-3.

Allegheny failed to maintain her perfect record on the home diamond last Tuesday when the University of Keio baseball team defeated them by a 6-3 score. This is the famous championship team of Japan which is touring the United States and playing all the large universities of the country, Allegheny being the only college played thus far on their trip. Out of thirty games played, they have won all but six and the winners in each of these cases have been almost the champion collegiate teams of this country. The last three defeats were at the hands of Georgetown, Syracuse and University of West Virginia, the team that won the series from Allegheny.

The game was rightly dubbed by a number of fans as "The Comedy of Errors." The Japs were not especially good batters or fast fielders. Their speedy base running, however, gave them a slight advantage whenever a man got on base and it was almost impossible to stop a brown lad from stealing a base if the slightest opportunity was given. The few hits that they got were barely out of the infield, but every one seemed to come at the psychological moment and more than one run was scored on an ordinarily useless bunt. The errors of Allegheny were responsible for four of the runs and close followers of the team this season declare that the poorest played game of the season was against the brown men.

The work of the little Japs was not phenomenal at any time but rather of the cool steady variety that counts for more than long hits in the game. Ishikawa, the Mongolian pitcher, was deliberate in every throw and even when a number of scores threatened to be registered for Allegheny he kept the ball that won't come off. Curves were used more than swift balls and his long twisters were the cause of nine blue and gold batters smiting the air in vain.

For Allegheny, Firestone starred as usual. Out of four times up, two hits were credited to him, one of these going for three sacks. In the field, he handled himself in the finest way possible allowing but one ball to go by him and that not counting an error because the score keeper judged it too hard to be handled. Case also came in for his share of the hitting, especially when a hit was particularly needed.

The first inning alone showed that the reputation of the Japs had not been overestimated for after the first man up had been caught at first, Kauki got on first and made third on errors. The next two men prevented a score, however, by knocking easy grounders. Thoburn and Townsend, the first batters to face the famous Ishikawa, were put out in succession, but when Lavelly came up he distinguished himself by getting on first and stealing both second and third. Abbott closed the inning by whiffing the air three times.

The nerve racking innings came in the third and fourth. The first Jap up drew a walk, stole second and on an error reached third. Galbraith attempted a throw from middle and the fast visitor crossed the plate. Two more men were on base but no one reached third. The fourth inning was almost a balloon ascension. Two men again walked, one was hit and an error on the part of Townsend let in the first run. Galbraith's muff of a fly allowed two more men to score.

Double Number

This is the last regular issue of THE CAMPUS. There will be no paper published next week. On Saturday, June 17, we will issue a special Commencement number, double the regular size, and devoted to the interests and activities of Commencement Week. Extra copies of this issue may be had at the regular price of five cents a copy so long as the edition lasts. It will insure your getting them if you give your order to the manager beforehand. It is a number which everybody will want to keep.

THURSDAY SET ASIDE FOR MOVING UP DAY PARADE

No Classes Before or After Chapel. Formal Exercise Begin at Nine O'clock, Parade to Form, Ten-Thirty to Eleven-Thirty

The last event of the college year in which all the classes participate will come on Thursday when the chapel service will be given over to the Moving-Up Day ceremonies. Each class has been carefully planning for several weeks and elaborate preparations have been made in order that in every detail the celebration may be the best that has ever been held. The chapel service at nine o'clock will mark the first of the observances. The president will dismiss the present Senior class and after they have taken their seats in the balcony, Harrison Hunt, of the Junior class, will petition the Seniors for the places lately vacated by them. He will be answered by W. M. Small. H. J. Wieler has been chosen by the Sophomores to tell the college world why they should now sit in the Junior section and Miss Jane Lockwood will render the decision for her class. J. R. McGowan will then ask for the privilege of moving with his colleagues to the Sophomore seats and Miss Florence Griswold will answer the humble request from the class of '14.

After the changes have been made in the seating, the big parade of the day will take place. The committees from the various classes will complete the arrangements for the parade which it is expected will eclipse all previous attempts. The girls, as has been the custom, will ride in automobiles or trolley-cars and the men of the school will furnish individual stunts.

The biggest event of the day will come in the evening when the annual Minstrel Show will be given in the Gymnasium. Under the direction of the leader of the Glee Club, the chorus and end-men have been rehearsing for several weeks and a premier show is expected. The overture, while not as long as that of last year, is said to be better on account of the large number of individual solos connected with it. In addition, special solos will be given by J. H. Graham and E. S. Weidle.

The men have been working faithfully every day with a chorus of thirty and with four of the best end men that have produced laughs in recent years, and the manner in which the men have entered into the spirit of

the songs is bound to make them have the genuine "coon ring."

As usual, the first part of the program will be devoted to the end men and the chorus. Tambourines, bones and funny songs, jokes, local hits and the ever welcome dances will be very much in evidence in this part, while the second part will be given over to a series of short sketches and funny stunts which give promise of making the biggest hits ever scored. Another feature of this part will be the two quartettes, one a black face which will render music appropriate to their color and the other somewhat more refined. The whole will be ended with the good old Allegheny medley.

Owing to the short time in which the men had to prepare their songs and jokes only four end men will be used this year. They will be "Len" Harris, "Goldy" Gordon, Harry Firestone and "Dutch" Nevins.

"Len" is the only old man in the quartette of jokesters. He has filled this position very well for three years and may be counted upon again for his share of the wit and for a good catchy song. His jiggling will undoubtedly be one of the features once more.

This will be "Goldy's" first appearance as a "colored gentleman," but by no means his first as a laugh producer. He has helped create much mirth during the Glee Club trips this year by his little stunt, and his reputation in college circles as a humorist is well known.

Of course, every one knows what to expect from Harry and anything that he may do that evening will only strengthen his reputation as "the funniest man in school." Harry has never been seen before in the "shaded complexion" but there need be no fear as to what he will do in the position.

"Dutch" is another, who with his coon feet and the indescribable smile, should make an excellent occupant of the end chair.

As in years gone by the price of admission will again be thirty-five cents with no reserved seats. The curtains will part promptly at eight and those who have been present in former years know that every minute lost means a laugh lost.

Two more features of the day will

be the appearance of the new Allegheny Song Book and the Kaldron for 1911. The proofs of the Song Book were received some time ago, and those in charge say that it will far exceed their first expectations. C. C. Fisher, '11, has undertaken the sale of the book to the alumni and through his influence the number of books to be printed has been raised to five hundred instead of the original plan of three hundred. The publishers gave a special rate for an order of this size and consequently the book will contain forty-eight pages at the same price as the promised book of thirty-two pages. All out-of-town orders should be mailed to Mr. Fisher at once so that they may be placed on file.

The make-up of the book will be decidedly unique. The cover design has been made by H. G. Wiard, of Alden Academy, and is a sketch with a silhouette of "Old Bentley" as the dark background for it. The book will contain twelve Allegheny songs in addition to a number of the college songs of other schools. G. S. Crisswell, '10, has written the music for "Allegheny Forever" and W. H. Fegley, has arranged "Loud Let the Soars of Harvard Sing." The prize song, which has not yet been announced, will be a feature as well as a number of other songs submitted to the committee. Leader Harris is planning to use the book for the first time at the Minstrel Show.

So much has been heard of the Kaldron for 1911 that every student is anxiously waiting for Manager Leitzel to push his cart up to the campus and offer his wares for sale. Editor Nelson has been working almost incessantly on the book and considering his ability it is not saying too much to forecast "the best book yet."

The cover of green will enclose sixteen more pages than any year book has ever had and over fifty more cuts than last year. The material has all been carefully selected with the purpose of making it perfect from a literary standpoint and the jokes are all student productions.

The early appearance of the Kaldron this year has caused some little comment on the hill. For several

SEEMINGLY UNPARDONABLE.

No little comment was aroused by the fact that on Memorial Day there was no flag or other symbol displayed on any of the college buildings. The Memorial Stone stands as a perpetual monument of the bravery of the boys of '61-'65 but that is permanent and has been put there by the alumni. Why is there no solicitude on the part of the college officials that Allegheny at least commemorate the day by displaying a flag? Perhaps the college owns no American flag; we do not know, but if such an essential is lacking perhaps the already overburdened student body is expected to help the trustees out of the difficulty. A more plausible excuse is that of forgetfulness. If this is the case, it does not appear that the excuse of the faculty in prohibiting a base ball game on the afternoon of Memorial Day in order that the college might be ethically correct in its relation to the Grand Army was very sincere. An explanation should be forthcoming from some source.

NOT A SQUARE DEAL.

During the year, the College Band has received much favorable comment from various sources and a great deal has been said about the efficaciousness of the Band in helping inspire patriotism. The athletic authorities have again and again expressed the desire that the Band would be on hand at every game but it appears that they have contented themselves with mere words and have by their action discounted the services of this organization. It is manifestly unjust to refuse free admission to the games to the men who, at considerable trouble, materially assist not only in winning close contests but also in popularizing attendance at them.

The great wonder is that the Band has not gone to pieces entirely and the fact that a part of it is still intact is a compliment to the patriotism of the organization and a standing reproach to those responsible for the penuriousness which refuses them their just dues. There are some ways of apparently saving money which in the end lead to disaster; past experience should have impressed this fact very clearly on the minds of some of the athletic authorities of the college.

Fortunately the base ball season marked a new departure. With the exception of the Keio game, the Band has been admitted to the base ball games. Why this was not done sooner and whether or not it is a precedent are unanswered questions.

THE REALITY OF CHRIST.

The Y. M. C. A. meeting on Wednesday evening was in charge of H. H. Hamman, who started the discussion upon the subject "The Reality of Christ in Our Lives." Taking Paul as an example of a man who accomplished great things because he felt that Christ was with him at all times, the leader drew from his work and life several very appropriate lessons. He dwelt mainly upon the necessity of having Christ as our ideal and of keeping Him as real to us as prayer and personal work can make Him.

In part he said:

"We have a brief time to live and to act our little part on the great stage of life. Therefore, we need a great ideal, something to help make everything that we do in this brief time count for some good. This ideal cannot be other than Christ. Everything speaks of his presence with those who desire to have Him real. The flowers, the birds and, in fact, all nature bespeak His presence. To college men the fact that so many athletes need Him on the field that they feel the need of his strength and that they call upon Him with good results so often is excellent proof that He is near at all times and willing to be called upon.

"Wherever we are, on the athletic field or in the world of life we need Christ, but we cannot expect to pray to Him and then remain idle ourselves. We must exert all our own strength and have faith enough to attempt greater things, realizing His presence at all times. To have Him as a reality, we must pray, pray earnestly. We must pray as if we were talking with Him. Too many people think that Christ is only a great fault seeker. He is not. He is anxious to help and only waits to be asked. No matter where we are, what we do or what we think, Christ has to be a part of us to be a reality to us."

AS IT SHOULD BE.

The assembly morning yesterday was entirely given over to practicing the leading Allegheny song, "Loud Let the Sons of Harvard Sing." L. C. Harris, the leader of the Glee Club, was in charge and explained the way the song should be sung. Each class was called on by President Crawford to sing and then the whole student body.

Mr. Harris declared that he favored the singing of the college song as it should be sung. He asked that every person put life into the words and not simply go through the motions of singing. The improvement in the first and last rendering of the song was so marked that Dr. Crawford expressed his belief that the Allegheny song would soon be sung "as it should be."

DELEGATES ELECTED.

The delegates to the Y. W. C. A. Summer Conference were elected on Thursday, May 25. Those chosen were: Miss Mary Sowash, '12; Miss Ruth Dorworth, '12; Miss Jane Lockwood, '12; Miss Vera Foster, '13; Miss Muza Anchors, '13; Miss Edith DeLand, '13. Four alternates were elected as follows: Miss Eva McKinney, '13; Miss Jessie Reed, '14; Miss Frances Riethmiller, '14; Miss Edna Yost, '14.

The conference this year will be held again at Denison University, Greenville, Ohio, the last of August. Allegheny has, in past years, been recognized as one of the leaders in the conference and has been assigned a prominent part in the conference. Delegates are present from all the schools in this district which embraces part of Pennsylvania and West Virginia together with all of Ohio and some other neighboring schools. This conference is acknowledged to be on a par with the best in the country and many prominent speakers are heard there. Every department of association work is presented and the suggestions received are brought home and reported on by the delegates. The representation from Allegheny is as large as it is because of the initiative of the girls in continually adding to their funds by ingenious and original methods such as the bazaar given last winter.

MILLWARD-FITZGERALD.

Word has recently been received of the wedding of Rev. William Millward, '09, and Miss Jennie Fitzgerald, '06, at Shangai, China. After the wedding, a reception was given Mr. and Mrs. Millward at which many of the most prominent missionaries in that part of China were present. Mr. and Mrs. Millward then left for Nanking where they will make their home, Mr. Millward being connected with the university at that place.

Rev. Mr. Millward completed his college work during the summer of 1908 and sailed for China that fall as private secretary to Bishop Bashford of the Methodist church. He received the honor of being elected to Phi Beta Kappa at the time his class graduated. Mrs. Millward was very active in Christian work while in college and was a member of the Y. W.

C. A. Cabinet and the Student Volunteer Band. For several years after leaving college she was connected with the Westmoreland County Schools and was a member of the district Epworth League Cabinet, leaving that work to become a teacher in a mission school at Spring City, Utah.

ATHLETIC FIELD.

Work on the new athletic field has been resumed and will now be pushed rapidly in order that the grounds may be in good shape for the first foot ball game scheduled for here on October 14 with Kenyon. It has not yet been definitely decided whether a concrete wall will be built along the side toward East College street. The plan, as now made, will provide for a concrete fence around the entire field varying in height from five to eight feet. This will be placed on top of the wall on the west side and also on the south side if the wall is extended around that side, otherwise it will be built on the top of the terrace.

There is very little grading yet to do and this will be completed within a few days. A grand stand and bleachers will be erected on the bank at the north of the field.

PAN HEAVEN.

The Greek women of the college held their annual Pan Hellenic banquet at Saegertown Inn on last Saturday evening. The party, accompanied by Mrs. Edwin Lee, left the gymnasium on the 5:30 car and reached the hill on their return at about 10:59. The time before and after the banquet was spent in rowing, strolling, and in enjoying the conveniences of the house.

At eight o'clock a sumptuous dinner was served in the large dining hall, after which the following toasts were given:

Toastmistress — Florence Grauel Miller, Kappa Alpha Theta.
Waltz—Clara Hutchinson, Kappa Alpha Theta.
Song—Alpha Chi Omega.
Two Step—Jane Lockwood, Alpha Xi Delta.

Song—Kappa Kappa Gamma.
Waltz—Clara Hutchinson, Kappa Alpha Theta.
Three Step—Sadie Van Hoesen, Alpha Chi Omega.

DR. ELLIOTT AT HOME.

Dr. W. A. Elliott entertained the Classical Club and a few invited guests from his advanced courses at his home last Monday evening. The guests were received on the spacious veranda, which was lighted by Japanese lanterns. A short business meeting of the club was held, to elect officers for the coming year. C. L. Lore was elected president; R. B. Litten, secretary-treasurer; and Miss Laura Strickland, member-at-large of the executive committee.

After this meeting the company retired to the parlor where Dr. Elliott read passages from an English interpretation of the Odyssey in a most dramatic manner.

The serving of dainty refreshments completed a very enjoyable evening.

YEAR'S WORK COMPLETED.

The open meeting of the Student Volunteer Band which was to be held last Wednesday was postponed because of the fact that Bishop Thoburn who was to be one of the speakers was out of town. Instead, a regular program was substituted and Miss Katherine Wheeling told of missionary work in Alaska.

It is planned to have the open meeting this Wednesday and a number of invitations have been sent out. As announced last week, both Bishop Thoburn and Mrs. Grassie will speak on subjects connected with the fields with which they are most familiar. This will close a very successful year for the band. Weekly meetings have been held at which a variety of topics dealing with different phases of missionary work have been discussed. At the first annual convention of the Student Volunteer Bands of Western Pennsylvania, H. S. Leitzel, the leader of the local band, was elected president of the association formed at that time. The convention will be held at Allegheny next fall and it is hoped to have a representative band at that time and that the places of the Seniors in the band will be filled by others who are preparing for missionary work in some foreign country.

Professor and Mrs. Ross entertained seven of the Senior girls at dinner last Tuesday evening in a most delightful manner.

Many of the young women of the college are signing up for the women's tennis tournament which is to begin in a few days.

The Teutonian girls held a picnic at Oakwood Park last Saturday afternoon.

The Bible Study Classes of Hulings Hall having completed a very successful course of study under the direction of Dr. Elliott, have now taken up "good night prayer meetings."

The third of the Y. W. C. A. class meetings was held Sunday evening. Miss Ellen Oleson led the meeting and took for her subject, "Dangers of College Life."

This evening Kappa Alpha Theta will entertain with an informal party at Saegertown. The young ladies with their guests will leave at an early hour this afternoon and the day will be spent in boating after which dinner will be served.

On Thursday evening Kappa Kappa Gamma entertained a number of their friends at The Inn at Saegertown. The early part of the afternoon was spent on the water and at an appropriate hour a very dainty dinner was served in the dining room which had been decorated in the fraternity colors.

The coach has already begun to make plans for the coming foot ball season. He has been lining up new men and is planning to spend the most of the summer in visiting prospective foot ball men. He has also pledged each fraternity to have one big new man next year for the team. Every possible effort will be made to surprise Cornell at the beginning of the season and all the big men available can well be used.

Owing to the fact that the committee was not able to obtain the names of enough men who were willing to pledge themselves to take tickets, the lecture which was to be delivered by Doctor Crawford upon "Savonarola" last night had to be called off. The Y. M. C. A. is planning, however, to have Dr. Crawford give this lecture some time in the early fall of next year.

The much talked of and long hoped

for Soph-Freshman baseball game has once more been postponed on account of the fact that the circus came to town. The managers assert, however, that they will have the game played on Monday morning even if it has to be played in some corn field. Both teams are on edge now and they promise a battle royal.

W. F. Dalzell, I. R. Stidger and R. A. Bricker are playing the final matches in the tournament at Beaver Falls today. The first two men entered in doubles and Bricker is contending for the gold medal in singles.

The Wednesday evening prayer meeting at Hulings Hall was led by Mrs. Frank C. Lockwood. In her talk, the leader brought out a lesson of service, taking the lives of Mary and Martha as examples. The contrast between these women showed the power of a well regulated Christian life over that of a life lived in an undisciplined way. Mary was prepared in a social way for service while Martha was constantly fearful lest she should not serve in the right way.

On the afternoon of Memorial Day numerous pleasure-parties of college people were to be seen enjoying the holiday fully. Round Top, the Cussewago, Oakwood Park and Saegertown were the most popular places for picnics.

Word has been received that Dr. E. A. Smith will be here on Sunday, June 18. Dr. Smith will conduct the Princeton entrance examinations at Pittsburg on June 14-17. To be placed in charge of this work is considered an honor.

In making the contract for the football game next year, Carnegie Tech insisted that a clause be inserted stating that the game was to be played with a new regulation Spalding football, same to be furnished by the home team and to become the property of the winners at the close of the game.

President J. W. Barkley of the Senior class has appointed the speakers to bid farewell to the various college buildings on Class Day. Each person as far as possible has some connection to the building to which he is to say goodbye. Those chosen are as follows:

JAPS TAKE GAME.

(Continued from page one.)

Until the fifth, everything pointed to a whitewash coat for Allegheny. Firestone, however, came to the rescue by knocking a three bagger and was brought home by Case's single. The other two scores were registered in the eighth. Thoburn walked and Townsend bunted safe. "Bill" promptly chased the bases and after stealing third came home on an attempt to catch "Townie" at second. Lavelly sacrificed and Townsend crossed the plate. The other two runs of the Japs were made by fast base running and beating out bunts.

The score and summary:

MOVING-UP DAY.

(Continued from page one.)

years previous to this the printers have held up the setting and printing until almost Commencement time and then the hurry and rush has caused inferior workmanship on the binding. The Messenger Company, however, finished the printing last Thursday and have forwarded all the forms to their binders in Cleveland. Those who have seen the advance sheets pronounce the press work to be far in advance of the books of recent years.

ALDEN TRACK.

That Alden Academy is represented by one of the best track teams in the history of the school was demonstrated last Saturday when four members of the team took second place in the annual inter-scholastic meet held at Rock Springs, W. Va. The first place was won by Pittsburg High with a full team present while enough points were scored by the brown and white sprinters to down Sewickley, East Liverpool, Lisbon and Wellsville High teams. The final results stood: Pittsburg High 46, Alden 28.

"Ed." Doran, the plucky little prep school basketball captain, was the star of the meet. The fifty, hundred and two-twenty were all won by him, giving him the cup for the largest number of individual points scored. Doran distinguished himself in the hundred by running one hundred one and a half yards in ten and one-fifth second, having to come back a yard and a half on account of a penalty. Wells took first in the high jump and second in the pole vault, doing ten feet two inches in the latter event. Fahr won the remaining three points by taking second in the four-forty yard dash after he had been boxed.

The principal's office at the prep school building resembles a modern trophy room since the return of the runners as five cups in all were brought back from the West Virginia meet, in addition to a couple of medals.

LAST TRACK MEET.

(Continued from page one.)

as in former meets it is probable that a close contest for the gold medals will be seen.

The high and broad jumps and the pole vault are rather uncertain to forecast. Kulp has made over twenty feet in the meets and will be aided this year by Thomas. Osthaus broke the college record in the pole vault several weeks ago, but W. and J. has two men who can go over ten feet and, in fact, took both first and second places last year.

The following men will be taken on the trip: Perley, P. Thomas, Peterson, Hilborn, Van Horn, Herpel, Sayre, Wian, Fitzgerald, Lavelly, C. Dotterer, W. Dotterer, Kulp, Zelwis, Osthaus, Whitney, Stidger and C. Riggs.

EXAMINATION SCHEDULE.

June 9-June 17.

Examinations in two-hour subjects will be limited to two hours, in three-hour subjects to two and a half hours, and in four-hour subjects to three hours.

When a student has been absent from class for any cause one-seventh the total number of recitations, or more, a supplementary examination must be taken in the subject. Members of athletic clubs and the Glee Club are allowed four absences above such fraction each term to fill club engagements.

Examinations in subjects not scheduled will be arranged by the instructors.

Seniors must have completed all examinations before Tuesday evening, June 14. Seniors who are to be examined in subjects scheduled after that date will be examined specially at times to be fixed by the instructors.
