Mr. C. P. Anderson
Pittsburgh-Florida Fruit Growers' Ass'n
Avon Park, Florida

My dear Mr. Anderson:

You will pardon the delay in acknowledging your kind letter of April 13. I have only just returned from Florida and find leisure to look over a big accumulated mail.

Your letter and the circulars which have been sent me concerning the Pittsburgh-Florida Fruit Growers' Association gave me just what I wanted. Your Corporation seems to me on a reasonable and solid basis.

Very sincerely yours
