Miss Ida Tarbell,

New York City, N.Y.

Dear Madam:-

Your recent visit to Spencer County , Indiana, in search of material about the life of"Lincoln", should have been extended to Evansville, Ind.

Judge John E. Iglehart, Pres. of the Southwestern Indiana Historical Society (Seven Counties) who has been busy for the past ten years gathering material about the family of Lincoln in Spencer County, could have given you a great deal of information which has never been published.

Judge Iglehart is the only living lawyer who heard Judge Pitcher address his Court.

Trusting that this information might be of some service to you I am

Respectfully George H. Honig. Treas.
