Dear Mr. Goodell,

I am enclosing my little article on Naumkeag and its value as an object lesson in human efforts of all sorts. Please keep me from too wide generalizations, as well as errors of interpretation.

I shall be grateful for any suggestions or criticisms that you will be good enough to make.

I hope the time that you have spent in instructing me will not be lost. It has been very good of you and I do appreciate it.

Very sincerely yours

Mr. Francis Goodell
