

Sunday evening Deeer

Miss Tarbell

Pray the Lord, you are here
in Seattle; a ray of hope
come over me this blessed day,
please grant me just a

few minutes, of your precious
time See me, speak with me,

know me, by personal interview
I am the woman that has
had serious troubles

I fell 2 1/2 story out of
high building for a
righteous cause, and have
not been able to find Man
or woman, Broad minded
enough to be able to handle
what I place before them
You are just - the God sent
Person, that will be able
to understand me,

and understand what best
to do for the Protection of
Human life. and at the
same time for the lot
payor's interest,
Now my dear friend
all I want now is just to
speak but a few words
Personal. then I shall
write and explain all to
you by letter when you
return to your Home Office
I will not take up your time
now, with it - I realize all
your plans are made for
this trip, all I ask,
Dear Ladies, grant me but
few minute now, I wait
your answer, Personal.
Mrs Alice Winsor -
1423. Ewing st -
Seattle.

I will call this evening.
