Dear Miss Tarbell:

Thank you for your letter of October 9th which I received this morning.

Yesterday I had luncheon with Dr. John H. Finley of the New York Times and we had quite a conversation about the Lincoln Group. He talked much along the lines of the discussion you and I had and seemed to be most interested in the subject. He believes that if they can get your cooperation the proper sort of organization will be formed and in that event I should be delighted to join.

With kindest personal regards, I am

Sincerely,
