

### PITTSBURGH TRIP SUCCESSFUL

#### Two Victories Chalked Up—Pitt and Tech Defeated by Large Scores—Meredith and Volk Show Fine Form

The Blue and Gold passers continued the good work begun by the brilliant victory over Colgate a week ago by swamping Coach Flint's quintet in Trees gymnasium last Friday night. The locals outclassed Pitt in every department of the game, by playing a hard fast game throughout. Both in teamwork and in individual playing the locals surpassed even their records for brilliant playing in the Colgate game. This victory gives Allegheny a total of nine on the credit side of the ledger and only one defeat in the ten contests that have been staged between the two institutions. The two teams have been grappling, off and on, since 1901, and in that time Pitt has been able to chalk up only one victory, that one being last year.

Pitt's attack lacked all of that machine-like drive that has characterized it during the past four years. Their team-work broke down completely before the driving attack of the locals, and when the game ended they were in possession of the little end of a 32-17 score. It cannot be said, however, that they lacked fight because they contested every inch of the way, but they lacked drive and accuracy. On several occasions they found it necessary to take time out in order to give time to the players to regain their wind, which was being severely tested by the lightning floorwork of the locals. At no time were Coach Hammett's men in danger of being passed by the Panthers.

Volk and Meredith played the star roles for Allegheny. As in the Colgate game Volk's work featured the occasion in every department of the fray. His baskets from long shots were not of the lucky type but were the result of good accurate shooting. On the floor he kept his man at bay during the entire game while he caged four baskets. Meredith, the new center, also comes in for his share of credit in the victory. Playing in his home town for the first time, he played a game that brought much credit to himself and that was largely responsible for the one-sidedness of the score. While he was ringing up two baskets and otherwise distinguishing himself, Nichols, the opposing center, had to be satisfied with a goose-egg.

A feature of the game that speaks well for Coach Hammett's coaching system was that every man on the team contributed at least one basket. Kerr put the ball through the hoop three times; Lane added two more, and Bianchi was able to contribute one. The entire team played a brilliant machine-like game throughout, and performed in a manner that forecasts a season of contests without defeat.

For Pitt, McLaren, Penman and Levine did all of the scoring. Penman played the best game for the Panthers both in the scoring line and in his individual floor work. He contributed three baskets. McLaren and Levine each came through with a basket, while Levine hung up seven out of a possible nine fouls.

The summary follows:  
 Allegheny—25 Tech—17  
 Volk ..... F ..... Levine  
 Kerr ..... F ..... Penman  
 Meredith ..... C ..... Nichols  
 Lane ..... G ..... McMaster  
 Bianchi ..... G ..... McLaren  
 Field goals: Bianchi, Lane 2, Meredith 2, Kerr 3, Volk 4, McLaren, Penman 3, Levine.  
 Fouls: Lane, 8 out of 12; Levine, 7 out of 9.  
 Total: Allegheny, 32; Pitt, 17.  
 Time of halves: 20 minutes.  
 Referee: Slack.

#### THE TECH GAME.

The game on Saturday night with the Skiboos was far from satisfactory.

### Coasting Accident

MISS GERTRUDE MONROE, '19, IS INJURED WHILE COASTING.

Wednesday morning the entire College was shocked to learn of the accident which had occurred the night before to one of our number. A party started out to coast on the State Road and in order to save time slid down Park Avenue. At the crossing where Baldwin cuts across Park Avenue there are two bumps, and in passing over these the last four occupants of the sled were thrown off. Miss Monroe struck a nearby mailbox with tremendous force, breaking the bridge of her nose and fracturing her skull. She was carried into the home of Mr. and Mrs. Fitzgerald and Dr. Winslow was called at once and Dean Spalding notified of the accident.

Miss Monroe was taken to the Spencer Hospital, where after a consultation of doctors an operation was performed to put the bones back into place and to set them. Her father and mother, of Columbus, and her two brothers, Louis, of Fredonia, N. Y., and Gerald, of Erie, were informed of the situation. They arrived in Meadville Wednesday, and on Thursday Miss Katherine MacNamara, a sister of Mrs. Monroe, who is a trained nurse, arrived from New York.

Throughout Wednesday, Thursday, and Friday the student body as a whole felt the strain of uncertainty. On Friday night the first crisis, blood poisoning, was passed; and Sunday she was pronounced beyond danger of meningitis, the second fear. The fact that Miss Monroe was in fine physical condition has helped her case marvelously. She has also shown great patience, calmness, and courage which has had an effect upon the situation to a great degree.

Sunday her condition had improved to such an extent and the danger passed so encouragingly that Mr. Monroe returned to resume his work as Principal of the Cory High School, and the two brothers returned to their respective duties. Although Miss Monroe is rapidly improving she will not be able to see anyone for a matter of ten days at least.

The numerous attentions that have been paid the victim and her family are sufficient proof of the high regard and esteem with which she is held by the faculty and student body. The College as a whole unite in hoping that her recovery may be speedy and permanent. The doctors have assured the family that Miss Monroe will have no bad after-effects from the accident, after the wound has healed.

#### GLEE CLUB CONCERT FEB. 14.

Seat Sale Begins. Good Support Desired.

The Campus on last week in a heading announced that the concert would be on Feb. 16. We wish to correct this mistake as the concert will be on Thursday, Feb. 14. The seats for this event will be placed on sale this week. The support of the student body is desired. The two clubs have been practicing faithfully for this concert. The Mens Glee Club is now deeply in debt and the share of the proceeds which they will receive will go towards relieving this indebtedness. Thus the men are giving their time without any hope of remuneration.

As with every other college activity this year, the Glee Clubs have been in danger of becoming extinct. The support which is given the Clubs in this concert, will largely determine whether they will survive and whether there will be anything doing in musical lines next year.

One feature alone, the rendition of the Centennial Anthem, The Wilderness Shall Rejoice, will make the concert well worth patronizing. The underclass men who have not heard this anthem should not neglect this opportunity to hear it. The Anthem was composed especially to be given at the Centennial Celebration.

The seats are now on sale at the price of thirty-five cents. Everybody turn out and help a worthy college activity to be kept in existence.

#### TWO NEW STUDENTS REGISTERED.

At the beginning of the second semester two new students were added to the rolls of Allegheny. These two men are Donald Carnahan, of Monongahela City, Pa., and Caspar Spangle, of Pleasantville, Pa. Both of these men registered in the Freshman Class.

### Wakefield Oratorical Contest

WAKEFIELD ORATION CONTEST TO BE HELD THURSDAY NIGHT IN FORD MEMORIAL CHAPEL.

One of the biggest events of the oratorical year will be pulled off Thursday evening when the contenders for the Wakefield Oration prize deliver their orations in Chapel. The contest in former years has always aroused a good share of interest in the college, although the number of orations submitted has never been as large as it should be. The Wakefield Oration winner is rewarded by a cash prize of fifty dollars, and besides represents the college in an annual inter-collegiate Oratorical contest. This contest is held usually late in March, and representatives from practically all of the colleges and universities in this part of the country contest.

Many will recall the quality and interest of former winning speeches delivered in 1916 by Lee D. Kepner, and in 1917 by John G. Castle, and this year an effort will be made to keep up the standard. The orations which will be delivered are three in number:

"A Vision"—Fletcher H. Hammon, '19.

"The Marne"—Chas. L. Jones, '19.

"The College Man's Place"—George F. Meredith, '20.

Arrangements not yet completed may provide for one or two musical numbers in addition to the contest, as well as free-for-all permission for Hall girls to attend. Did you ever sit down and wonder how John B. Ford would feel if he could compare the attendance in chapel with that in fraternity houses before a math quiz? Or how the anonymous donor of the library would feel if he had a record of your voluntary attendance at the library? The Wakefield is just one of the system of donations which make this one of the best cared for and most firmly established colleges in the state. Like other such gifts the support given it by the students will encourage or discourage similar gifts in the future.

#### GIRLS' BASKETBALL.

Under the excellent coaching of Miss Ethel Kennedy, gymnasium instructor for the young women of Hullings Hall, the class basketball teams are fast rounding into shape. After a series of inter-class games in which the elimination method will be used to decide the championship, the varsity squad will be chosen and put through a vigorous course of training and practicing.

The captains of the various class teams are: Senior team, Miss Anne McConnell, '18; Junior team, Miss Virginia Lewis, '19; Sophomore team, Miss Susan Jenkins, '20, and Freshman team, Miss Dorothy Roach, '21.

Before the Christmas vacation one game was played between the Freshman team and the Sophomore team, the Sophomores winning by a close score. The Sophomore team is composed of the Misses Susan Jenkins, Florence Gibbons, Helen King, Alice Robinson and Lillian Zearley. The Freshman team is composed of the Misses Inez Brumbaugh, Elizabeth Turner, Florence Miller, Helen Gold and Gladys Tuck.

Arrangements have been completed with the manager of the University of Pittsburgh team for a game on the home floor. According to the schedule this game will take place Saturday evening, March twenty-third. The Pitt team has a good schedule, and the Allegheny team regrets that they are unable to play more than the one game. However, they are glad to meet a new rival on the basketball field.

Saturday afternoon two more of the interclass games were played off, and in the course of three weeks the varsity squad will be hard at work.

When down for your mail, stop at Trace's for your tobacco.

#### LE PETIT SALON.

Le Petit Salon held a meeting Monday afternoon at 5 o'clock, at the Phi Kappa Psi House. Professor Conant was in charge of the program, the subject of which was, "Alsace." Miss Olevia Widdowson, '19, read a paper entitled En Alsace Reconquise (In Reconquered Alsace), and Miss Cecil Edwards, '19, read one entitled La Fidele Alsace (The Faithful Alsace). After the program, which proved an interesting one, refreshments were served.

### KALDRON SLIP CAMPAIGN STARTS THIS WEEK

#### Student Senate Kaldron Organization Announces Price of Annual—Expects Support of Every Student

As stated in previous issues of the Campus, the Committee on Finance appointed by the Student Senate to attend to that department of the publishing of the combined 1917-18 Kaldron has been collecting data as to future expense and carefully investigating the accounts of collections for last year's book. At length sufficient data was secured and during the past week the actual work of fixing a price which will cover all expenses and yet at the same time keep within the bounds of actual cost was begun. At length the committee has decided upon a satisfactory price for the book and also has fixed the rate at which last year's slips will be redeemed as part payment for the combined publication. In an interview with E. C. Filer, '19, Chairman of the Committee on Finance, he outlined the situation which has faced the Senate organization this year, and stated the terms upon which the "Crawford" Quarter Century Kaldron is to be sold.

When College opened last Fall, Alleghenians began to wonder what had become of the Kaldron and whether it was to be published. The non-appearance of the book was easily explained by the fact that the Editor and Manager were both called to U. S. Service while the publication was still in the early stages of completion, but the fact remained that no Kaldron had appeared. At this point the Student Senate took up the matter, and after considering publishing the 1917 Kaldron, decided that an attempt to put out two Kaldrons in one year was not only useless but a financial impossibility. Hence the decision to publish the 1917 and 1918 books in combined form led to the present activity in this direction.

The price of the combined Kaldrons was the problem then to be considered and the decision to a large degree naturally rested with the Finance Committee. It was decided to publish the book on a strictly non-profit basis, the aim being to cover expense only. Here various problems confronted the committee. The cost of printing and engraving had materially increased. Some back bills were still to be paid and difficulty was met in actually determining the financial status of last year's unpublished book. Further, many students had paid for last year's book and had not received it. What compensation were they to receive? All these things were considered and finally the price of the combined Kaldron was fixed at \$3.50 without a this year's slip, and \$3.00 with a slip. Incidentally it was decided to make this year's book with a one grade, one price binding, in place of the cloth and leather grades of former years. At the above rate it is figured that five hundred copies must be sold to cover expenses. To those who hold slips from last year a credit of 75 cents on the dollar will be given towards the purchase of a new slip.

How to Purchase a Kaldron. Following is an exact statement of the way in which you will be asked to purchase the Kaldron:

Freshmen and those not holding a last year's slip will pay \$2.00 for the slips which are to go on sale immediately, and \$1.00 on delivery of the book, thereby saving 50 cents by purchasing a slip. If a slip is not bought the Kaldron will cost \$3.50 on delivery.

Students holding last year's slips should hunt them up at once and have them on hand together with receipts in case the entire amount for last year's book was paid. When asked to buy a new slip you will present the old slips and receipts for credit.

If you paid \$2.00 on last year's book (leather binding) you will receive \$1.50 credit on the new book. The new slip will be sold to you for \$1.00 with the agreement to pay 50 cents on the delivery of the book.

If you have paid \$1.00 on last year's book (leather binding) you will receive 75 cents credit on the new book. The new slip will be sold to you for \$1.50 with the agreement to pay 75 cents on the delivery of the book.

If you have paid 75 cents on last year's book (cloth binding), you will receive 55 cents credit on the new book. The new slip will be sold to you for \$1.50 with the agreement to pay 95 cents on the delivery of the book.

If you have paid \$1.75 on last year's book (cloth binding), you will receive

\$1.30 credit on the new book. The new slip will be sold to you for \$1.00 with the understanding that you pay 70 cents on the delivery of the book.

Everyone, this year, wants a Kaldron. The three big features of this book make it the desire of every Alleghenian. Next May will see the completion of a quarter century of service in which our President Crawford has brought Allegheny from a weakling to her present high state of development. The 1918 Kaldron has been named in honor of him, the "Crawford" Quarter Century Kaldron, and the first section of the book will be devoted to a complete and intensely interesting history of his regime of a quarter century. It is to be not stiff, cut and dried history but a rather informal tale full of human interest to us all here in Allegheny. The middle section of the book will be devoted to the two Senior classes of 1917 and 1918, together with combined accounts and engravings of fraternities, clubs, teams, etc., both of this year and last. In this section are really contained two books in one, a feature of especial interest and value. In the latter part of the book will be the military section to comprise accounts and records of every Alleghenian in service of whom data can be found. World history is in the making. Allegheny's contribution will be found completely recorded in this part of the 1918 Kaldron, as well as a tracing of all her activities since the war began. Then there are to be the usual "unofficial calendars," jokes, and picturesque cuts which are always a feature of the Kaldron, but this year in two-fold degree.

The Student Senate and its Kaldron organization are backing the "Crawford" Quarter Century Kaldron to the utmost of their ability. Its success must be insured to make certain the future existence of a time honored Allegheny institution, and student support is what is needed to make it a success. Dou your bit! Buy a Kaldron slip! You run no risk this year, for the Student Senate, the organ of the students themselves, is superintending the publication and guarantees that if the book is not delivered to you by Commencement Day, your money will be refunded, if desired.

The slips will be on sale for a short time only and it is absolutely necessary that you buy the slip at once in order to get the reduced rate. If you wait the book will cost you \$3.50 and you will get no rebate on your old slips. The sale of the slips is in the hands of Anne McConnell, '18, and Enoch Filer, '19, members of the Finance Committee. You will be expected to subscribe.

#### NEW PLANS FOR ACTION.

The Sunday evening meeting of the Y. W. C. A. was in charge of Miss Helen Fogo, '18, who outlined the work which has been planned by an International Committee for this semester. Mrs. Akers, Chairman of the Advisory Board, the Misses Helen Fogo, '18, and Ruth Fithian, '19, attended a Conference held in Pittsburgh last week concerning this work at which Dr. Cobern presided. Every one realizes that the old order is changing giving place to new and that all people are really living in this day and age. An article in the February Association Monthly by Miss Bertha Conde gives the new student outlook upon the world. It is an article which every student should read.

The plan for the coming work was worked out and adopted by student leaders at the Northfield Conference, who felt that there was a need for some definite plan of action for the work of the second semester. In view of this fact the subject of the evening meeting was, "After Giving—What?" The campaign for the Student Friendship Fund was tangible, while the campaign for the new work is based upon faith. The program as given below is chronological. The slogan as adopted points to the far-reaching vision and faith of the leaders, and is "North American Students Mobilizing for Christian Democracy." The program as outlined is:

1. Two hundred thousand students enlisted in study and discussion of Christian principles based on:

(a) The life and teaching of Jesus Christ.

### EDITORIAL.

The prospects for an old time championship basketball team this year are exceedingly bright. Already we have conquered two of the teams that defeated us last year. The defeat of Pitt more than evens up the defeat by one point which they inflicted on us last year. This victory clearly gives us the championship of Western Pennsylvania since Pitt has defeated the strongest teams of this section.

The new combination that has been tried out has proven successful. Meredith has filled the place at center that has been empty since the graduation of McKay. The guarding of Lane and Bianchi and the floor work of Volk and Kerr has been sensational. We have an all-around good team that should go through the season without a defeat.

The position of cheer leader is vacant. "Pest" Graham, who has filled that position so well has left school to join the aviation corps. A new cheer leader should be selected before the next home game.

A word of appreciation is due to "Pest" for the work which he did while cheer leader. He threw himself into the work and the successful season which we had in football may be said to be due in a large part to his efforts. He was able to arouse a large amount of enthusiasm and "pep" and he kept the cheering sections keyed up to support the team at all times.

There are two important issues before the student body this week. Both of these issues make a demand on your pocketbook. While this may be quite a heavy load coming all at one time, economy should be used in other matters and support given to the Glee Club and the Kaldron. Enough has been said to impress upon you the importance of supporting these two College activities. Everybody loosen up and buy a Glee Club ticket and a Kaldron slip.

Y. W. C. A.

Mrs. Henke led the Wednesday evening meeting with a talk on "Work of Women in the War." She told that the women in England have organized the Tommy Waacs who do police patrol duty. These women have an eight week's course in which they train the women for patrol work. Schools of telegraphy for women have been organized as well as instruction in many other forms of industrial work. The women of the Suffrage Party have organized a hospital which is one of the best in England. One of the most striking facts is the final acknowledgement of the English Government that women are better cooks than men. They have established schools where women train the men to cook. This has resulted in splitting the expense of food supplies in half. It is a well known fact that the women have with enthusiasm taken up the industrial and farm work of the men.

The work of American women has also been remarkable. Ann Morgan has done much by introducing the new anaesthetic neuralgin which has been so successful in the treatment of severe burns.

Another American woman from Chicago whose profession is that of artist, has invented many instruments for orthopedic surgery and has become an authority on the subject.

The New York Woman Suffrage Association has equipped a base hospital in which none but women are employed. All the women of America are doing their patriotic duty, but there will be many more calls for them to fill the places of the men.

One of the most necessary things is that the women keep themselves informed on events, so they can know why the Nation demands them and what is needed. Mrs. Henke closed with the advice, "Stop knitting long enough each day to learn what is happening."

Dr. Cobern, Mrs. Akers, the Misses Helen Fogo, '18, and Ruth Fithian, '19, attended a conference in Pittsburgh on January 30. At this convention plans were made for the Spring work of the Christian Associations so that they can do efficient war service.

### TINGLEY BIOLOGY CLUB.

The Club held its regular meeting January 28, with the Vice President, O. Z. Beatty, presiding in the absence of President E. J. Kelly.

After roll call and the reading of the minutes of the last meeting, Miss Norene Saxton gave a very interesting and instructive paper on "Foods and Food Conservation." This was followed by an animated discussion on the subject. Each member was asked to tell what strange or new foods he had eaten. Several of the members of the Club mentioned the fact that they are using food conservation in Hulings Hall and that it is meeting with varied success.

An owl which was captured in the gymnasium and stuffed by Mr. Mossman was on exhibition.

Dr. Darling gave a valuable impromptu speech which was greatly appreciated by the Club. The Biology Club, with Dr. Darling at its head, is a source of great value to the students majoring in Biology or taking higher courses in that subject.

### TO PLAY BUFFALO AND ROCHESTER THIS WEEK.

(Continued from page 1.)

will take part in the game with Buffalo played against the New Yorkers last year when they defeated the locals Allegheny has a serious handicap to overcome when they play in Buffalo, that being Buffalo's court is half again as large as the ordinary basketball floor. Last year when the Blue and Gold quintet lined up against Buffalo, there were only two men on the team who had had any previous experience in college basketball, while the New Yorkers had a veteran team. This year, however, the tables are turned and Allegheny's four veterans working with Meredith, the new center, are determined to even up scores for last year's defeat.

The Allegheny-Rochester game is always a good one. Ever since 1913 these two teams have been staging interesting battles on the basketball court; in no one of the games can it be said that either team completely outclassed the other. Rochester's record this season has not been particularly bright, but they have shown steady improvement as the season has progressed. Following is Rochester's record for this season:

Union 33, Rochester 16.  
Syracuse 26, Rochester 24.  
Cornell 30, Rochester 19.

U. S. Ambulance Team of Allentown, Pa., 35, Rochester 26.

Rochester 36, Colgate 20.

Rochester's defeat of Colgate in the last game that they played by the score of 36-20 would indicate that Allegheny will not have a Fourth of July picnic in disposing with their old rivals. Allegheny opened their season on January 24 by defeating Colgate but the margin was not as good as Rochester's margin. The showing made by the locals on their Pittsburgh trip, however, was more encouraging than it was in the Colgate game, and the odds favor Allegheny in the coming contest.

The probable line-up for next Saturday night is as follows:

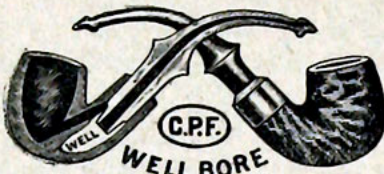

Allegheny Rochester  
Kerr ..... F. . . . . Harper (Capt.)  
Volk ..... F. . . . . Henderson  
Meredith ..... C. . . . . Stein  
Lane ..... G. . . . . Marson  
Bianchi (Capt.) . . . . . Wattel  
Harper and Henderson were stars on Rochester's last year combination.

### READ THE ADVERTISEMENTS.

The Campus calls the attention of the student body to the necessity of patronizing the business men who advertise in these columns. The Meadville business men are spending good money to help make the Campus a success, and naturally they look for some returns on their investments.

Undoubtedly the business houses who are not running ads this year have what they consider good reasons for not doing so. But the fact remains that they are not advertising, and so are not pulling for the college. If the students will spend their money where it is wanted, the houses that are not now advertising will realize that they will have to run ads regularly to get the college trade that they most desire.

### PHILO FRANKLIN FORUM.

The Philo Franklin Forum met for the first time in the second semester on January 31, 1918. The question for debate was "Resolved, That compulsory military service be instituted in the United States for all able-bodied male citizens." The affirmative was supported by Booth and Blodgett, while Spear and Eisenman upheld the negative side of the question. The change after three weeks of debating the varsity question was refreshing and called forth an interesting debate.

From now on the procedure in the Forum will be somewhat different than it has been since the first of the year. The first part of the hour will be given over to a study of parliamentary law with Dr. Swartley presiding. An authoritative pamphlet on parliamentary procedure is being ordered for use in the work. A large number have handed their orders for this book, so that the class promises to be a large and interesting one.

The debates, too, will be held on questions of local importance. For example, the question for debate at the next meeting on Thursday, February 7, is: "Resolved, That motion pictures are a benefit to Meadville." Van Devander and Russell will uphold the affirmative with Thoburn and Mornewick on the negative.

### Y. M. C. A.

At the regular weekly meeting of the Y. M. C. A. last Wednesday night in Cochran Hall, Dr. Mulfinger gave one of the finest speeches of the year, taking for his subject a text from the second chapter of Job. He showed how Job had taken the troubles which came to him and applied the lesson to our own attitude towards the suffering which will surely be occasioned by the war.

G. A. Stetson, '19, was in charge of the meeting, which was characterized by the unusually small attendance. Now is the time of year for those who claim to be supporters of the Y. M. C. A. to show their spirit and keep the meetings up to the standard set at the beginning of the year.

The second game of the Inter-class basketball series was played in the Hulings Hall gymnasium between the Juniors and Freshmen. Miss Helen Gold, '21, did exceptionally fine work. The summary follows:

| Juniors—7              | Freshmen—14 |
|------------------------|-------------|
| Widdowson ..... F..... | Gold        |
| Stockdale ..... F..... | O'Neill     |
| Salchow ..... C.....   | Roach       |
| Lewis ..... G.....     | Lehrman     |
| Root ..... G.....      | Miller      |

In the second half the Junior team substituted Mary Arnold.

## NEW PLANS FOR ACTION UNDER THE Y. W. C. A.

National Program to be Carried Out in the Mission Study Classes.

(Continued from page 1.)

(b) The new of these principles in the world today.

(c) The need of these principles in the inter-racial and social life of North America.

2. A call to decision for decision to live these principles at whatever cost—on the campus, in the section, in the world.

3. An adequate number of qualified men and women for foreign missionary work.

4. One-half million dollars for the foreign missionary program of the Church, and such funds as may be necessary to meet the need arising from the war situation in 1918-1919.

It is very fortunate that the Missionary Committee with Miss Norene Saxton, '18, as chairman, is just ready to enroll members in their classes, for this work can be carried out in these classes and each girl will be able to see her relations to her fellowmen. Mrs. Akers emphasized this fact in a few words and urged each girl to do her share in carrying out this program.

The Mission Study Classes which begin this week are under competent leadership and the study books are well chosen. Mrs. Thoburn and Mrs. Akers will teach the Freshman classes, using the book Christian Standards of Action. The Sophomore class, under Mrs. Schultz, will take up Our South American Neighbors. The Junior class will study Non-Christian Faiths and Their Relationship to the Christian Religion under Mrs. Henke. The Seniors will take up John R. Mott's The Present World Situation, under Mrs. Coburn. It is expected that all the girls will enroll in these classes.

This program is not only a Y. W. C. A. program, but a college program for both the Y. W. C. A. and Y. M. C. A. It is hoped that the men will not fall behind, but that they, too, will see the need of this definite program and attempt to hold classes for either Mission or Bible Study.

### SIGMA ALPHA EPSILON.

Edwin P. Booth accompanied the basketball team on its trip to Pittsburgh last week.

Bruce Gamble, '98, was placed in temporary charge of the 56th Infantry Brigade at Camp Hancock, Ga.

Othella Z. Beatty, left on Monday to take his entrance examination for the Ordinance School at Pitt.

Paul E. Hollingshead returned to school after a week's illness.

Robert E. Falkner made a hurried trip to Erie last week.

Wells M. Clothier spent the week-end at his home in Painesville, Ohio.

Paul W. Lane remained over Sunday at his home in Turtle Creek.

Sigma Alpha Epsilon has recalled the pledge of William J. Carne, '21.

### THE TWENTIETH CENTURY CLUB.

A meeting of the Twentieth Century Club was held at 4 p. m., January 28, in the Y. W. C. A. lounge room. "Literature and Art" was the subject. Miss Margaret Chapin, '19, was in charge of the program, which follows:

Twentieth Century Novelists—Miss Louise Deens, '18.

A book review of "Over the Top"—Miss Ernestine Sprong, '19.

A book review of "The Red Plant"—Miss Olevia Widdowson, '19.

A book review of "The First Hundred Thousand"—Miss Leda Brooks, '19.

The Advance of Poetry During the Twentieth Century—Miss Ruth Mumaw, '19.

Twentieth Century American Sculptors—Miss Nellie Reniers, '19.

Twentieth Century Painting—Miss Hattie Moore, '19.

### TWO ALLEGHENY MEN RECEIVE CALL TO THE SERVICE.

During the last week two Allegheny men received their notice to report for duty. Graham, '18, and Welty, '20, who sometime ago took the examinations for the aviation service, were notified that they had been accepted. They were given ten days' notice before they would have to leave. No definite point had been set for them to report, but they expect to receive more definite orders soon. Graham has left school to spend a few days with his parents before he reports.

### NOTED LECTURERS IN MEADVILLE.

During the last week the students of Allegheny had the opportunity of hearing two noted lecturers. On Thursday evening and Friday afternoon, Dr. Chas. D. Hazen, Prof. of Modern History at Columbia University, lectured. On Thursday evening Dr. Hazen lectured on Prussia's Policy Toward Her Polish and Danish Subjects, and on Friday afternoon he lectured on Alsace Lorraine under Ger-

man Rule. Both of these lectures were extremely interesting and instructive. A large number of students took advantage of this unprecedented opportunity to hear a man of Dr. Hazen's caliber.

On Friday evening Dr. Newell Dwight, Hillis, the noted New York preacher and lecturer, gave his celebrated lecture on the German atrocities in Belgium. Dr. Hillis visited Belgium and made a thorough investigation of conditions and his lecture was authentic and based on facts.

Dr. Snively said in a recent letter: "I was glad to see Charles Piper at Fort McPherson a few days ago. He is looking very well indeed, having gained fifteen pounds since his arrival in Dixie. He is a private in the Pittsburgh Medical Unit, one of his officers being Lieutenant C. W. Elkin (M. D. John Hopkins), Allegheny 1909. This information about Piper and Elkins would be interesting news for the Campus."

cause of the generosity of the Green-  
ville celebration, when Allegheny  
played the Camp Lee soldier boys.  
The committee in charge sent up sev-  
enty-five dollars in token of their ap-  
preciation for our willingness to play  
the post-season game.

**MODERN PROBLEMS CLUB HOLDS  
BANQUET.**Tuesday evening, January twenty-  
ninth, Modern Problems Club held its  
bi-monthly banquet in the private din-  
ing room of Cochran Hall. After an  
excellent dinner served under the di-  
rection of the Cochran Hall manage-  
ment, the meeting was called to order  
by R. E. McCreary, '18, President of  
the Club. In the course of the busi-  
ness session, Judson D. Longanecker,  
'19, was elected to membership. Pres-  
ident McCreary then introduced the  
speaker of the evening, Malcolm F.  
Kelly, '18, and the interesting discus-  
sion which followed was one typical of  
the instructive and enlightening ob-  
ject of the Club as regards current  
events.Following the address, Mr. Kelly  
started the general discussion of the  
subject by putting several questions  
to Dr. Leake and Professor Stemple  
concerning data which he had not  
been able to secure. The half hour  
following brought out several very in-  
teresting points which would have  
been unknown to the majority of the  
club, had it not been for the oppor-  
tunity which Modern Problems Club  
offers to its members in these informal  
discussions.Ohio University will give a football
