Dear Miss Tarbell:-

I have received your book, for which I thank you. Naturally enough, I turned to the index, and find what you have to say about Leclaire and my Company.

I thank you most heartily for the good opinion you express of my efforts.

I may add that all members of our business family are amply provided for, whatever may happen to them; that is a part of our plan.

It is a great satisfaction to me to have the approval of Bacons of your caliber.

Very sincerely,

E Nelson
