

THE ALLEGHENY CAMPUS

VOL. LXXXV, No. 24

ALLEGHENY COLLEGE, MEADVILLE, PA.

Friday, April 27, 1962

8 ELECTED TO PHI BETA KAPPA

Seated: Marian Frame, Marla Lunden, Carol Wrobbel. Standing: Jim Slocum, Hayes Stover, George Kuck.

The following were elected to Eta of Pennsylvania, Phi Beta Kappa, on April 12, 1962: Marian Frame, French major; George Kuck, physics; Marla Lunden, English major; James Slocum, pre-medical; Sarah Smith, English major; Hayes Stover, political science; Carol Wrobbel, history and political science, and Colleen Murray, education.

These students will be initiated at the annual meeting of the local chapter on the Saturday before commencement.

Allegheny Invited To College Bowl

Allegheny College has been invited to participate in the General Electric College Bowl sometime in the fall of 1962. The process of selecting and training a team must begin as soon as possible. It is to be stressed that any student is eligible and welcome to participate in try-outs.

Information concerning organizational meetings and try-out dates will be posted shortly and sign-up sheets for all interested students will be placed at Brooks, South, Caflich, Baldwin and the C.U.

Physics Department Receives Grant

The Physics department is receiving a grant of \$3,600 from the National Science Foundation for the in-service training of high school teachers of physics next year, announced Dr. Richard L. Brown, chairman of the department.

Purpose of the Allegheny Institute is to enable high school teachers to obtain additional knowledge and to become acquainted with important new textual and laboratory materials.

Participants will meet for about three hours once each week during out-of-school hours. They will pay no tuition or fees.

ALL SENIORS

Students who have been accepted for admission to graduate schools should so notify the Deans of Students Office, in writing, by no later than May 11. In submitting this information, be sure to include your name, the name of the graduate school and any assistantship or scholarship granted.

ASG Makes ARC Budget Approval

Approval for a budget independent of ASG was given to the Allegheny Radio Committee at the AUC meeting Tuesday evening. This budget of \$6,000 will enable ARC to make capital expenditures for equipment over the summer.

An appropriation of \$11.75 was made for six students accompanied by Bob Cares to attend a student government conference at Grove City. Powell Arms will lead a discussion of academic activities at the conference, which has its aim coordination of student government activities among seven area colleges. Other students attending are Curt Fee, John Crill, Jim Drake, Ben Andrews and Don Coffey.

Under old business Andy Sheffler clarified the deficit amounting to \$522 in the Campus budget. After examining the financial situation, Sheffler stated that a sincere effort is being made to collect the outstanding advertising accounts. Permission to print this week's issue was granted with further issues pending collection of back accounts.

Applications for ASG committees are available from group representatives and are due Sunday, April 29 at Brooks Desk.

Anyone qualified and interested in applying for ASG treasurer is urged to contact Dr. Eckles. A slate of three candidates must be approved by the Department of Economics and Business Administration before it is submitted to ASG Executive Committee and AUC for final selection.

Hillstrom Speaks At Founders Day

The Founder's Day Convocation which commemorates the founding of Allegheny College in 1815 by Timothy Alden was held in the Chapel, April 25. Dr. Devor opened the convocation and Mr. W. S. Wright North led the singing of "Near The Vale".

Following the opening, President Pelletier related the history of Founder's Day, which was instigated by a graduating senior in 1907. After these brief remarks he introduced the speaker, Mr. D. Armour Hillstrom, President of the Cory-Jamestown Corporation, who graduated from Allegheny in 1937 and who is now on the Board of Trustees.

During the course of his talk Mr. Hillstrom bade us to look at the changes in our world and also at the increasing tempo of these changes. Attention was called to increasing number of changes in transportation, economics and population in the past 50 years and also to the rapidity with which these changes developed.

What are we going to do about these changes? How are we going to respond to them? Mr. Hillstrom feels that receptivity and evaluation are our answers to change. He pointed out that the greatest evaluator is heritage and that heritage prepares us for a "stream of change". He concluded by remarking that we are the heritage that will bring about the change.

The convocation was concluded by the Alma Mater.

McFall's Term With ASG Marked By Discouragement And Progress

The following is the text of outgoing ASG President Dean McFall's summary speech before the AUC, Tuesday, April 17.

Last year at this time Dave McKay began his final ASG report with a passage from an Old Testament text, "Vanity, vanity, all is vanity. There is nothing new under the sun," he quoted from Ecclesiastes. I am tempted to add a non-biblical footnote, the Ninth Beatitude of Alexander Pope: "Blessed is he who expects nothing, for he shall never be disappointed."

Pope's beatitude commends itself to idiots and retiring student government presidents, for in many ways the past year has been filled with discouragement.

The student government has been patiently unsuccessful in the area of national and international affairs. Our sometimes feeble and uninspired attempts to inculcate a concern for the problems which confront the national and world communities have been resisted.

As students of a small college with like backgrounds and similar outlooks we have tended to focus our attention upon matters of immediate personal consequence. Bridge games and pledge formals crowd Berlin and Viet Nam from our thoughts.

Under these circumstances it is somewhat surprising the CAUSE has received as much attention as it has. But this attention provides little ground for optimism. The organization and the people who compose it have been much maligned.

I would hazard to guess that CAUSE has been attacked so vehemently, if not privately, because it has reduced a problem of national and international dimensions to terms which each of us understand too well. Deprivation of civil rights and educational opportunities is deplored when Little Rock is under discussion, but when the Negro question is thrust into our laps we begin to squirm under the weight.

I make a plea for CAUSE not because I am an advocate of integration and civil rights necessarily, but because I believe that the success of a college in the development of intellect and critical thinking is in large measure dependent upon the existence of a variety of opinions which accrue from dissimilar social and ethnic backgrounds.

I conceive of CAUSE as part of a larger whole, a whole which the

select student committee on the aims and goals of the college understood when it specified that "the informational, recruiting and selection policies of the college should be directed toward drawing highly qualified students to Allegheny from all social, religious, and racial groups — metropolitan, suburban, and rural."

Need Expanded Social Program

In the area of student affairs our effectiveness has been checked, perhaps crippled, by modest financial resources. It is important, in fact necessary, that the social program be expanded.

But to this affirmation of need I attach a qualification, lest student government become too preoccupied with its responsibility for social activities. I am convinced that social programming is a peripheral responsibility, that the essential functions lie beyond the realm of Woody Herman and the Four Freshmen.

It seems to me that the objective of student government is to jolt thought and to urge commitment, rather than to tranquilize students with dance bands and jazz concerts.

Set-backs have been experienced in the field of educational affairs as well. Attendance at the first Faculty Research Grant Lecture and the several lectures in Ford Chapel has fallen below previous levels. The response to the Freshman Seminar Program, although characterized by an initial enthusiasm, soon languished.

The year has not been totally bleak, however. There have been some redeeming features which permit the executive Committee to retain its sanity.

Blow To Honor Program

The Honor Program has grown from a seedling of uncertain future (Continued on Page 2)

Row 1: Jody Blanning, Connie Keffer Carolyn Mayo, Memory Mays, Ruth Summers, Marion Arnold. Row 2: Ginger Bredehorn, Sherri Dietrick, Karen T. Johnson, Barbara Micks, Carole Burns, Jan Marple, Lana Sheild, Judy Barlow.

Fifteen freshman women were tapped early on the morning of April 17 as the new Cwens for the 1962-63 academic year.

Cwen officers elected at their

April 25 meeting are Memory Mays, president; Jan Marple, vice president; Carol Dain, secretary and Connie Keefer, treasurer.

ENTERED AS SECOND CLASS MATTER, OCTOBER 30, 1904, AT THE POST OFFICE AT MEADVILLE, PENNSYLVANIA, UNDER ACT OF MARCH 3, 1879. PUBLISHED WEEKLY BY STUDENTS OF ALLEGHENY COLLEGE, EXCEPT DURING VACATIONS AND EXAMINATIONS. SUBSCRIPTION PR \$3.00 PER YEAR.

McFall's Report

(Continued from Page 1)

to a robust sapling, but it is clearly evident that the Program will be unable to weather many more winters under the present arrangement.

In this respect the recent referendum on the Honor Program was a severe blow, but I trust not a mortal one. If my understanding is correct, the primary reason for our failure to support making subscription to the Honor Program a requirement of admission beginning with the Class of 1967 is associated with a reluctance to establish policy for succeeding college generations.

There is a paradox here, The ideals which underpin the Honor Program — a situation which would allow it to develop to its full potential — for fear that we are legislating against another's freedom.

We should be mature enough to realize that the attainment of one ideal inevitably involves the sacrifice of some lesser value. To insist that a course of action should be adopted only when it embodies every conceivable value is to obstruct accomplishment and paralyze human effort.

New Cultural Interest

The creation of the Cultural Affairs Committee is another reassuring sign, for it represents a growing student interest in the performing arts.

The work which Mike Bavar has done, independent of student government, is to be commended. If next year's Cultural Committee can discharge its responsibilities as successfully as Mike has demonstrated they can be discharged, the student government can anticipate a rewarding year.

Cultural affairs is an era which the student government can and should exploit. The aims and goals committee accurately noted that one of the functions of a liberal arts college is "to introduce the student to the intellectual inheritance of man contained within the humanities and fine arts." The Cultural Affairs Committee will lend substance to this otherwise abstract ideal.

The social functions which several of the fraternities and sororities have sponsored in the College Union are significant. No longer can social groups remain contemptuously isolated from the community of college students. It is necessary that they recognize an obligation to the college and undertake means whereby this obligation can be transmuted into concrete form. Inertia has been overcome this year. Perhaps the student government was not the major instrument in this development, but it is essential that the student government lend continued encouragement to the movement.

Radio Brings New Era

The establishment of the Allegheny Radio Station is probably the most significant singular achievement of this year's student government. The creation of a radio station marks a new era at Allegheny, for it provides a new medium of entertainment and communication. Broadcasts of news events, music, panel discussions and the like will, hopefully, serve to broaden the horizons of student thought.

There are other less spectacular achievements which deserve comment. In the last analysis I believe that we shall discover that the reports submitted by the Academic Committee on the G-Course curriculum and by the select committee on the aims and goals of Allegheny will have a far reaching effect upon future policy. Students fail to appreciate the power of their opinions and the force of their ideas. I predict that these two reports will stand as a testimony to their authority.

Recommendations for '62-'63

At this point several recommendations are appropriate. Certainly they are not the product of careful reflection, rather, they are lessons from experience, which has sometimes proved painful.

First, I would urge that the Freshman Seminar Program be continued. I recognize full well that it does not have the capacity to endure for a full year, but the success of such a program cannot be measured in terms of its staying-power. I suggest that the Seminar Program be telescoped into the first term of the three term academic calendar.

Secondly, I recommend that the student government adopt a constitutional amendment which would require a semi-annual revision of the ASG Constitution and by-laws. The structure of the constitution is essentially sound, but it contains too many provisions of substantive content; these provisions belong in the by-laws.

Finally, I have found that it would be to the Government's advantage to set aside a larger sum of money in the Current Fund. Without flexible resources the mobility of student government is severely restricted.

Senator Clark To Answer Kendall

Joseph S. Clark, U.S. Senator from Pennsylvania and a noted Democrat, will speak on "The Point of View of a Liberal" in Ford Memorial Chapel at 8:15 p.m. next Friday, May 4.

Senator Clark's address will be a reply to that of conservative William Kendall of *The National Review* who spoke in the Chapel last fall.

Take Note

The Annual Spring Concert of the Allegheny Sinfonietta will be given in Ford Memorial Chapel Thursday, May 3 at 8:15 p.m. It will be directed by Messrs. Robert Lynn and Herbert Neurath, both members of the college's music department.

No admission charge will be required for this concert. The Sinfonietta will appear again at Commencement time, Sunday, June 3, 3 p.m. at Ford Memorial Chapel.

Anyone interested in *Campus* circulation to other colleges and an exchange column for next year's paper, please see Marsha Webb, Judy Beighley or leave a written message at *The Campus* office.

Applications are now being accepted for students interested in working on the Academic Committee of A.S.G.

Anyone interested should give his name to a present Academic Committee member: Ben Greer, Betsy Donelson, Hank Drucker, Lois Fleischer, Nancy Daniels, Carol Lesing, Bobbie Mills, Dave Graham, John Urbaitis, Rich Merrill, John Peck or Edie Kovel.

Allegheny's Chapel Choir will present its annual Spring Concert tomorrow evening, April 28 at 8:15 in Ford Memorial Chapel. The concert is open to the public without charge.

Would the girl(s) who helped with World Wide Communion at the Chapel last fall (1961) please contact Bill Riggs, 565 North Main St., phone 2-3952.

Letter to Editors

Dear Editor:

When historians look back at the great civil rights struggle of these past few years, it is possible that they will pay major attention to a case which will come to trial in early May in Nashville, Tenn. Allegheny may say then with pride that two of her students were in the forefront in bringing this to trial.

The case in which Rick Momeyer, Peter Schwartz and three Negro students are involved tests the application of a law concerning conspiracy in restraint of trade. It is hoped that this case can get the Tennessee state law, which says that the owner of a business can choose his own customers, either declared unconstitutional or at least modified so there can be no discrimination on the basis of race, religion or national origin. This is admittedly a test case, and the long term results may be marked as one of the greatest influences in molding southern civil and social rights.

Robert McAfee Brown, professor at Union Theological Seminary, has said "Segregation is not a southern problem. Neither is it a northern problem. It is a human problem. And no human being can exempt himself from responsibility concerning it because of the address he happens to sign after his name."

The responsibility assumed by these students is tremendous; within a week or so they will be on trial for that assumption of responsibility. No, we at Allegheny can't be in the courtroom. But we can share this responsibility and make our spirit felt in the courtroom in two very concrete ways. First, we can take steps to give evidence of our moral support of Pete and Rick. Secondly, we can show that we mean what we say by giving financial support.

Since the whole situation touches so close to campus and should concern all Alleghenians, let us who share this concern put action into our words and meet with other interested students and faculty to plan definite steps, on Wednesday, May 2 at 4:30 in the south lounge of the College Union.

Diane Duntley

International Day Sunday at C.U.

An International Day program open to all is to be held this Sunday, April 29.

Jointly sponsored by the College Union and the Foreign Student Committee the program will have a number of foreign students from Thiel and Grove City colleges as guests of honor.

A panel discussion under the general heading of "America—Pro and Con" will be followed by an informal get-together over a cup of coffee.

The program will begin at 2 p.m. in the South Lounge of the College Union.

Merrick Speaks At Symposium

Dr. Wayne Merrick, head of the political science department, who traveled in Africa last summer, participated in a symposium on Africa at Fairleigh Dickinson University on Friday, April 13.

Dr. Merrick represented the academic views in the discussion of problems and prospects of Africa. He spoke as a panel member, leading the discussion following each of the main speakers which included five African ambassadors and an undersecretary of the United Nations.

Viereck Lectures On 'Inner Freedom'

Peter Viereck, Professor of History at Mount Holyoke College, South Hadley, Mass., will appear at Ford Memorial Chapel at 8:15 tonight. He will speak on the subject "Conserving Inner Freedom in a Mechanized Age."

Dr. Viereck has written a number of books on poetry, culture, and politics. He has been awarded the Pulitzer Prize for Poetry, and the Tietjens Prize. He has been a Guggenheim Fellow in Italy and a Rockefeller Researcher in History in Germany.

He has been Visiting Lecturer in American Culture at Oxford University, Whittall Lecturer in Poetry at the Library of Congress, Fulbright Professor of American Poetry and Civilization at the University of Florence, and Lecturer in Poetry at the University of Cincinnati.

He has taught German history and literature at Harvard University, European history at Smith College and the University of California at Berkeley.

He has read and lectured at both Goucher and Johns Hopkins.

He is now Professor of European and Russian History at Mount Holyoke College. He has just returned from a visit to Russia with Richard Wilbur, under the auspices of the Department of State.

Radio Station Off the Ground

With the presentation of a six thousand dollar check to Allegheny Radio Chairman Norman Greene (second from right) by ASG treasurer Andy Sheffler at last Tuesday night's AUC meeting, the way is cleared for construction to begin on the Allegheny Radio Station within the next few weeks. Looking on are new ASG president Curt Fee (left) and past president Dean McFall.

Spring Sports Sprint For PAC Trophy

Baseball

The Allegheny baseball team has started on the road to another fine season by posting successive victories over Slippery Rock, Pitt and Fenn. Their winning streak now has reached thirteen straight victories over a two-year period.

The Gators opened their season with a come-from-behind 10-7 victory over Slippery Rock. They were led by Neal Johnson, who had three hits and also batted in three runs, and Bill Armitage, who pitched four scoreless innings in relief of starting pitcher Harry Blackwood. The game was marred by eight errors, four by each team. Allegheny was also led by Dick Blackwood and Bob Rinker, who each contributed two hits to the Gator cause.

The Gators amassed the ten runs on twelve hits, while Slippery Rock scored their seven runs on five hits and eight base-on-balls. Only one of their seven runs was not the re-

sult of a Gator error. Winning pitcher for Allegheny was Harry Blackwood.

Pitt was the next victim of the Gators. The Panthers fell by a score of 5-3 after holding a 3-2 lead until the sixth inning. Then the Gators caught fire and tied the score on a sacrifice fly by Tracy which scored Bill Seedyke, who had singled and advanced to third on a base-on-balls and a passed ball by Pitt's catcher.

The winning runs were scored in the eighth inning on three hits and a Pitt error. Bill Seedyke started the rally with a double and scored the winning run on a clutch single by Bob Rinker. After Rinker was forced, the second run was added on a single by Stoner Tracy and an error on the Panther third baseman.

Jim Marquis pitched a magnificent game for Allegheny. He pitched the full nine innings and allowed only two earned runs on six hits and four base-on-balls. Jim struck

out ten Panther batters in his winning effort.

The win over Fenn was the easiest of the victories to date. The Gators put 11 hits together with five Fenn errors to clobber the Foxes by an 11-1 score.

Once again it was fine pitching by Bill Armitage and timely hitting by Ed Ravenscroft and Harry Blackwood. Armitage hurled eight sterling innings, allowing only one run and eight hits. Ravenscroft had a double and two sigles in five trips to the plate, while Blackwood had three singles and three runs batted-in to show for his five efforts against Fenn pitching.

The Gators started the defense of their PAC crown today with a game at W&J. They continue their so-called "southern trip" tomorrow in a game with the Bethany Bisons.

Tennis

The Allegheny tennis squad started its 1962 season on the right foot last week as they captured two matches against John Carroll University and Hiram University.

In their opening match of the year, a youth-laden Gator squad smashed John Carroll, 7-2. Freshman Dave Spencer and Don Rudick and sophomore Dave Fulton led the netsmen as they took their singles matches with ease. Freshmen Jack Kraiger and junior Mike Lipitz also scored singles victories but were pressed in doing so.

Tim Gill, Gators' No. 1 man, was the only singles loss for the AC netters.

Lipitz, playing with Spencer, and

Fulton, playing with Rudick, won their doubles matches while Kraiger and Jim Erny suffered defeat.

In last Saturday's match with Hiram, the Gators scored a close victory, 5-4.

Again, it was the youth corps that came through for the netsmen as the AC men, Gill and Dick Maglisceau, were defeated in close matches. Rudick, Fulton, Kraiger and Lipitz chalked up four straight wins for AC in the singles and Maglisceau and Fulton decided the match with their doubles victory.

Track

The Allegheny track team, outclassed by Bethany and Hiram, could come up with only two second place finishes in a tri and dual meet last week.

Yogi Schwermer, Jim Meadowcroft and John Drake all took first in the field events. However, Allegheny picked up only 46 points to finish second behind a powerful Bethany squad which piled up 95 5/6 points. Thiel finished third totalling up only 28 1/2 points.

Schwermer took his first in the shot putt with a distance of 38 feet 5 inches. Meadowcroft threw the discus 119 feet 5 inches for his first, and Drake's high jump of 5 feet 7 inches was a winner also. Other Allegheny finishers in the field events were Jim Edwards, second in the pole vault and third in the broad jump; Lyndall, second in the high jump; Stenberg, third in the shot; Carl Anderson fourth in the

broad jump; and Vic Nery, fourth in the javelin.

There were no firsts taken by the Gator trackmen but there were many runners who placed.

The 880 yard relay team composed of Dave Morrison, Carl Anderson, Dave Wion and Jim Edwards came in second behind the Bethany team. Dave Reiley took the only other second in the 120 yard hurdles.

Jim Edwards finished third in the hundred, Dave Wion was fourth in the 220, Dave Morrison was third in the 440, Bob Edwards was fourth in the half, Bob Wilson and Bill Benz finished third and fourth respectively in the mile, Wilson was fourth in the two mile, and Marshall came in fourth in the 220 yard low hurdles.

Jim Edwards and Len Cerrato stood out as Allegheny's only winners as the Gator trackmen were definitely outclassed by a powerful Hiram team which piled up 86 2/3 points to Allegheny's 44 1/3.

Edwards took the broad jump with a leap of 20 feet 4 1/4 inches. Besides this he finished second in the hundred and tied for second in the pole vault. Cerrato was first in the only event swept by the Gators, the javelin throw, with a toss of 139 feet 11 1/2 inches. Vic Nery, in his second meet as a javelin thrower, finished second, and Jim Meadowcroft was third.

Alleghenians Attend Forensic Congress

Miss Kathleen Edgerton, coach of Allegheny's debate team, and Doug Bauer, president of the Philo-Franklin Debating Society, attended the 10th Bi-Annual Student Congress of Delta Sigma Rho, national honorary forensic fraternity, which was held last week-end, April 12-13 at the University of Indiana. About 90 delegates represented some 30 colleges and universities at the convention.

Baur was one of the 24 members initiated into Delta Sigma Rho at the congress banquet on Friday.

At committee meetings, the delegates discussed the political and military implications of an alliance with the Common Market, the possible effects on the United States and world economy.

Baur was the minority party leader for the committee on political and military implications, which passed legislation calling for an increasing share of the burden of NATO to be born by Common Market nations, and a reduction of private tariffs.

FOR BRAVE MEN ONLY

Every year a stout band of brave young men march off to the jeweler to buy the engagement ring—unaided. We at Artcarved, makers of the world's most treasured rings for over a hundred years, salute them.

More to the point, we help them. Here's how.

IN STYLES. Styles in engagement rings change over the years. To keep you abreast of the best, Artcarved quizzes College Queens (like the one above) from all over the country. You'll find their choices at your Artcarved jeweler.

IN VALUE. Unless you're majoring in diamonds, your chances of discerning the true value of any particular diamond are small indeed. To safeguard your investment, Artcarved gives you a written guarantee of your diamond's true value, a guarantee that is respected and recognized by leading jewelers everywhere, and backed by a 110-year reputation for quality.

So, go on and buy the ring yourself. She'll love you for it—especially when it's an Artcarved.
