My dear Miss Tarbell:-

I just finished reading an advance proof of your article on Henry George and Edward Bellamy and wish to express my unbounded thanks for it. Here are two GREAT AMERICANS who have written three GREAT BOOKS - if only the whole reading public could be made aware of them, I really think that we would soon be on the road to that better land for which, as you wrote, both men sacrificed themselves.

I asked the Forum to give us up to a thousand reprints of your article, for us to include in the literature we send out. They want us to pay for them, but unfortunately our treasury now shows a deficit - perhaps a word from you might make them change their mind. They asked us for a list of people interested in your article, which I sent at once so that, no doubt, it will be called to the attention of those we know to be admirers of Bellamy. I am sure that your article will stir to renewed activity and enthusiasm the numerous Bellamy (and George) adherents, for which I again, in the name of the Edward Bellamy Association of New York, offer you my sincerest appreciation.

Most cordially yours,

*George A. Kahn*  
Treasurer.

*Devoted to achieving a social and economic system as advocated by Edward Bellamy in his "LOOKING BACKWARD" and "EQUALITY".....*
