Dear Miss Tarbell:

Miss Cutler told me last night how it came about that I was elected President of the Lincoln Fellowship on motion of Mr. Wilson and that you had previously been elected President of the Lincoln Fellowship. I need not tell you that I did not know the facts and did not understand the suddenness of the whole transaction. You may remember that I insisted that you should be President. Had I known the facts I would not have accepted under any consideration. Now that I do know the facts, I forwarded my resignation to the Secretary to take effect immediately.

I did not dream that I was used by anyone particularly in connection with the Lincoln Fellowship.

I hope you understand my position and the least that I can do is to forward the resignation and let you know about it.

Cordially yours,

Emanuel Hertz.
