Dear Miss Tarball;

We have received the copy of your biography of Owen D. Young, which you so kindly sent to us. We are indeed glad to have this for the ØBK library, and a number of us here will enjoy reading it.

I think it would be well to have a picture of Mr. Young in the next number of THE KEY REPORTER in connection with your article. Since we used a recent portrait in the last number, perhaps it might be better to have a different illustration this time. Do you have anything which would fit in well with the article? Perhaps one of the cuts used in your book could be used in THE KEY REPORTER. Which one would you suggest for this purpose?

Yours sincerely,

William A. Shimer
