Dear Miss Tarbell,

Mr. Beazell and I both think we had better take the copy at \$40.00.

Since Mr. Barnett's letter says they will send the book to you for inspection before you purchase it, why dont you ask them to do so right away and we can decide about exhibiting it at the Tea later. I think that might be a good idea.

Apparently Mr. Barnett does not expect a check until after you see the book. At least that is how I interpret his letter. I stand ready to send the check whenever you say the word.

Mr. Beazell says he will be getting a letter out to our Alumni very shortly.

Sincerely

A letter from Mr. Nichols - enclosing one to him from Dr. Kelley, says Mr. R - sent the college a check for \$500.00 and said to keep what was left after paying the ^{total} ~~Maldorf Bill~~. The ~~entire amount of the Maldorf~~ ^{bill was approximately} ~~over \$1,500 had been deducted was \$265.~~ \$265. Members paid 65 x \$1.50 = 112.50 - leaving \$152.50 to come out of Mr. R's \$500. So it was not as much as I thought it would be. Less than \$4.00 per person. *fy*
