

BRING BACK BACON
AND BEANS
FROM BOSTON

THE CAMPUS

OF ALLEGHENY COLLEGE

ALUMNI—WHERE'ER YOU
ROAM, YOU'RE WELCOME
HOME—NOV. 8.

VOLUME NO. XLIII. NO. 5

MEADVILLE, PENNSYLVANIA

OCTOBER 22, 1924

OPERA PRODUCTION IS TO BE GIVEN OCT. 30

LOCAL MANAGEMENT REALIZES
NO PROFIT FROM CONCERT
SERIES

Tickets for the fourth Annual College Concert Series, to be held in the High School Auditorium through the winter are at present selling very slowly. The first number of the group, "The Marriage of Figaro," is arranged for October 30.

The same attractions which appear here also appear in Pittsburgh in Carnegie Hall. The series there runs in competition to six other series, and is considered one of the best if not the best of the group.

There is some misunderstanding concerning the management of the

PAVEL LUDIKAR

concerts. Four years ago James A. Bortz, an Allegheny alumni, offered to stage the series each year. If the concerts are unprofitable Mr. Bortz makes up the deficit; if the concerts show a profit at the end of the season, the surplus over expenses goes into the treasury of the College. Dr. H. W. Church manages the concerts.

In order to advertise the attractions Dr. Church has planned a number of innovations. Tomorrow evening he

(Continued on page 2)

COLLEGE BAND PLEASES CROWD AT GREENVILLE

ARRANGEMENTS BEING MADE FOR
TAKING MUSICIANS TO GROVE
CITY GAME

On last Saturday thirty-two members of the College Band journeyed to Greenville for the annual Allegheny-Thiel football game. Owing to the absence of Director E. Gerner, who had to remain in Meadville, the band was under the direction of Prof. B. J. Hovde.

The band paraded from the business section of the town to Packard Field and made a good impression in their first appearance in another city. Each member wore a white sweater with blue and gold streamers on the right shoulder.

The organization showed its usual pep at Greenville, and led the parade formed on the field between halves.

New music has been ordered for future engagements. Some of the more popular pieces are: "It Had to Be You," "Oriental Love Dreams," "Faz March," and "Bringing Home the Bacon."

A trip is now being planned for the Grove City game on November 1.

Second Edition of Songs of Allegheny College is Ready For Distribution to Students

Sale of the second edition of the Songs of Allegheny College began yesterday afternoon. The book, compiled by Chase R. Gage, '24, and copyrighted by the publishers, Hinds, Hayden and Eldredge, Inc., contains about eighty songs. Nearly twenty of these are Allegheny College songs. There is one song for each fraternity and each sorority printed, and in addition to these, there are a number of selected pieces ranging in seriousness from "Landlord Fill the Flowing Bowl" to "Integer Vitae."

The book is dedicated to President Fred W. Hixson and contains a short foreword from him. The frontispiece is a picture of Bentley Hall, and opposite the music for the fraternity songs are photographs of each fraternity house and a photograph of Hulings Hall. The price of the collection is \$1.50 payable to Mr. Gage.

Y. M. C. A. CABINET PLEASSED WITH CAMPAIGN RESULTS

MORE THAN TWO HUNDRED EN-
ROLLED DURING MEMBER-
SHIP DRIVE

Approximately one hundred and fifty men students became members of the Young Men's Christian Association during the membership campaign which was held last week. In addition to this number there are over fifty more who have pledged themselves to join within the coming month.

Many students were glad of the opportunity to join the organization through the College. The several meetings which have been held in Cochran Hall this year convinced the students that the Y. M. C. A. at Allegheny is not dead but that it is wide awake and capable of carrying on the extensive program which has been outlined.

The Y. M. C. A. cabinet looks with favor upon the results of the campaign so far, and is making a strenuous effort to secure an hundred per cent enrollment.

COLLEGE BIBLE CLASSES HOLD COMBINED MEETING

MRS. A. S. EMIG TALKS ON PARA-
BLE OF THE SOWER

Illustrating her lesson with the parable of the sower, Mrs. A. S. Emig spoke to the combined College Men's and Women's Bible classes in Ford Chapel last Sunday morning.

The lesson was taken from the International Sunday School Lessons, and the text was from the eighth chapter of Luke. Mrs. Emig told of the four kinds of soil where the seed fell and then showed how Christ sowed spiritual seed in the four types of people who represented the four varieties of soil. The products of the four qualities of soil coincided with the results which Christ produced in the four types of human beings.

Next Sunday the two classes will meet separately in their respective places. Dr. Darling could not be present last Sunday, but will be with his class again at its next meeting.

HAZING UNDER FIRE AT Y. M. C. A. MEETING

OPEN-FORUM DISCUSSION RE-
VEALS WIDE DIVERGENCE
OF OPINION

Opposing opinions regarding hazing were staunchly defended at the Y. M. C. A. meeting in Cochran Hall Wednesday, October 15, at seven o'clock, when John B. Gordon supported the practice and Alvin A. Jones denounced it.

Declaring that razzing and class scraps were good things for the College, Gordon said that its absence would take much from a college man's life.

Jones, taking the opposite view, stated that freshman hazing had its ill effect, not only on the freshman, but that its reaction on the hazers presented a sufficiently strong argument for its abolition. He believed that by trying to make fools of the freshmen, the sophomores made fools of themselves. He suggested that the student Senate handle cases of freshman disobedience, and, if necessary, ostracize the offender from college society.

Discussion followed the principal speakers, and effective rebuttal was advanced against parts of both speeches. R. R. Denison, presiding officer, offered the following propositions to be voted upon:

1. I believe that Freshman razzing is not an objectionable practice and that it really fills a need in college life.

2. I believe that something of the kind is necessary but that the present practice is wrong, and that a really educational substitute should be provided to take its place.

3. I believe that the spirit and practice of Freshman razzing is entirely wrong and should be abolished.

Results of the vote showed that 30 of the 51 present expressed their opinions as follows:

Nine favored the first proposition; 4 favored the second proposition; 17 favored the third proposition.

The musical number of the evening was a tenor solo by T. S. Baker.

ALLEGHENY GAINS 14-0 VICTORY OVER FIGHTING THIEL ELEVEN

First Down Score 18-2 — Two Touchdowns Come
in Last Quarter

After being held scoreless for three quarters by the fighting Thiel eleven at Greenville Saturday, the Blue and Gold unleashed an offensive in the final period which carried them to two touchdowns and a 14-0 victory over Tommy Holleran's team.

Art Dahl was the main cog in the Allegheny attack. Time and time again, the big fullback smashed the Thiel line for gains of from 5 to 15 yards. On at least two occasions, only accurate tackling by Mateer, Thiel's safety man, after Dahl had broken through the line, prevented the big Allegheny star from crossing the Thiel goal line in the first half.

Allegheny's first touchdown came three minutes after the last quarter started. Patterson punted to Brace on the Allegheny 40-yard line and he returned the ball 5 yards. From this point, the Blue and Gold swept down the field for five consecutive first downs and a touchdown. Dahl carried the ball on all but three plays during this drive. Brace kicked goal.

The final score came just before the end of the game. Allegheny had the ball on the Thiel 32 yard line. On a forward pass play, Brace found no one open, and attempted to run with the ball. He was chased back to the 50 yard line, when he suddenly reversed his field and carried the ball to the 30 yard line. On the next play, the fleet little halfback crossed the Thiel goal line on a brilliant run around right end. He kicked goal just as the final whistle blew.

Allegheny made a first down within a minute after the game started. A 15 yard penalty for holding forced Judd to punt. Thiel could not gain, and Douds punted to Brace on the Allegheny 20 yard line. Dahl found a gaping hole at the center of the line, and raced through for 25 yards before being stopped by the Thiel safety man. Brace lost a yard on a cross-back, but Hanlon made a pretty run of 14 yards around left end. It was first down on the Thiel 40 yard line. Brace tossed a perfect pass to Hanlon, who was downed on the 9 yard line. Hanlon slid through tackle for 2 yards, and Dahl picked up four more on two attempts, but Allegheny lost an opportunity to score when the Thiel line held for downs on their own 2 yard line.

Thiel's only real offensive power was displayed in the second quarter. McCoy intercepted an Allegheny for-

ward pass at mid-field and carried the ball to the Allegheny 37 yard line. Douds passed to Patterson for a 12 yard gain. Line plays failed, and Fuller intercepted a pass on the 5 yard line. Douds was seriously hurt. McCoy made 4 at left tackle, and on this play, and had to be carried from the field. Zundel replaced him. Judd punted to McCoy on the 33 yard line and Patterson made ten yards off tackle on the first play. Vassia tried a place kick, after two line plays failed to gain, but it went wide, and Brace returned 10 yards. Near the end of the half, Vassia attempted another placement from the 40 yard line, but he was hurried by the Allegheny forwards and the kick was low and wide of its mark.

Thiel was badly out-played during the last half. Only a great fighting spirit enabled her to keep Allegheny from scoring during the third quarter. Thiel was unable to gain a single first down during the third and fourth quarters, while Davies' team made twelve. Vassia kicked off to Dahl, who returned 10 yards to the twenty. Brace found a hole at right tackle for 5 yards, and Dahl made first down on a line plunge from kick formation. Dahl made another first down through the center of the line, but Thiel braced at this juncture, and Judd was forced to

(Continued on page 4.)

AMNESIA VICTIM IS

NOW SAFE AT HOME

ARTHUR JAMES NOW IN GOOD
HEALTH, WILL NOT RETURN
TO ALLEGHENY

Arthur James, the freshman who was found suffering from amnesia in a Kansas City hospital on October 7 after a week's search, has decided not to return to college this year. He will make his home in Pittsburgh with his guardians, Mr. and Mrs. Stafford.

James disappeared from his rooming house about noon on Wednesday, October 1. The last thing he remembers, however, before awakening in the Kansas City hospital, is going to a movie with his room-mate the night before his disappearance. At the present time James seems to be in normal health, both mentally and physically.

PEP MEETINGS ARE WELL ATTENDED BY STUDENTS

S. S. TOWNSEND URGES MORE
UNITED SUPPORT OF
STUDENTS

Under the leadership of Graduate Manager Townsend, the men of the College held a pep meeting in Cochran Hall, on Tuesday evening, October 14.

After several college songs had been sung, the cheer leaders led the enthusiastic crowd in several hearty cheers. Short talks were made by representatives of each fraternity. Director of Athletics C. E. Hammett, Coach Tom Davies, Graduate Manager S. S. Townsend, and M. Victor Wright also gave short talks to the students.

At the pep meeting in Chapel, Friday morning, Graduate Manager Townsend asked for the full support of the student body in arousing enthusiasm for the Thiel Game. Songs and cheers were led by Chase Gage and Cheer Leader Hartman.

Dr. Elgin R. McCreary, '37, for many years a prominent physician of Watertown, N. Y., died recently at his home in that city, after a short illness which was caused by an injury he received in falling from his car some time ago. Following his graduation from Allegheny Dr. McCreary attended Buffalo Medical College, from which he was graduated in 1890. At one time he was president of the New York State Medical Society, and he was always active in civic and welfare work in his community.

COOLIDGE IS VICTOR IN LOCAL STRAW VOTE

HAVERFORD NEWS TO TABULATE
RESULTS OF LIKE POLLS IN
OVER TWENTY COLLEGES

President Coolidge received by far the majority of votes at the straw vote held in Chapel last Thursday morning by the feature department of the Campus.

The results of the voting are as follows: Coolidge 352, Davis 56, LaFollette 39, and Nation 3. Other votes, which would not seriously threaten Coolidge's chances of re-election, were: Fred Parnell 3, Debs 1, Al Smith 1, and Andy Gump 1.

That LaFollette is looked upon with favor by the faculty was shown by their vote: Coolidge 7, LaFollette 9, and Davis 6.

To date such a vote has been held in more than twenty colleges. The results are to be collected by the Haverford News and published in various college publications.

PRESIDENT F. W. HIXSON SUFFERING GREAT PAIN

TWO PHYSICIANS DIAGNOSE IN-
TENSELY PAINFUL ILLNESS
AS ARTHRITIS

President Fred W. Hixson is suffering acutely at his home on Park Avenue from a very painful inflammation of the joints. It is quite probable that his present condition has arisen as a result of poison collected in his blood prior to the removal of his tonsils several weeks ago. Dr. Phillips, of Pittsburgh, a diagnostician, who was called in consultation, has confirmed Dr. Gamble's diagnosis of the illness as arthritis.

The president has been in poor health for more than a month. A few weeks ago, to secure relief from tonsillitis, he had his tonsils removed and felt well enough after the operation to come to chapel services for one day. However, in a short time complications arose, and he began suffering intensely from acute pains in the lower vertebrae and later in other parts of the body. He is bearing his pain with great patience and fortitude, but it will no doubt be some time before he can resume his active duties.

STUDENTS AND FACULTY ARE
URGED TO JOIN MEADVILLE
ART ASSOCIATION

Attention of students and faculty members is called to the campaign of the Meadville Art Association, to secure new members and to re-enroll old members. Dues for the association are \$1.00 per annum for regular members, and fifty cents for students. The organization has endeavored for many years by means of exhibitions, lectures, and discussions to stimulate the artistic interests of the city and to promote their expression. Last year it placed five paintings by local artists in the corridors of the new high school.

The first meeting of the association for this season is to be held tomorrow evening at 8:00 o'clock in the Unitarian Parish House. Dr. H. W. Church will speak on "The Music of Mozart with Numbers from the Opera 'The Marriage of Figaro'." The Woman's Alliance will serve refreshments. Miss Edith Rowley, librarian of the College, is president of the Art Association.

Professor Barnes to Make Glee Club Selection Soon. Freshmen Try For Places

Prof. Lee Hess Barnes will make final selections for the Glee Club this week, and rehearsals will begin soon. Many men have earned the right for a final tryout which will be made under the direction of Professor Barnes. The men have been classified according to their voices. There are a great many freshmen who are making strong bids for places on the club, and this enables Professor Barnes to make a careful selection.

No permanent selection of members has yet been made, but the list will be published as soon as it is officially completed.

PLANS BEING COMPLETED FOR HOME-COMING DAY

BUFFET LUNCHEON WITH SOCIAL
HOUR AND FOOTBALL GAME
FILL PROGRAM FOR NOV. 8

Arrangements for Home Coming Day on November 8 are rapidly being perfected. The program will have a special chapel service with a prominent alumnus to give a brief speech. Probably a pep meeting by the students will follow. The College will entertain the alumni as guests at a buffet luncheon at one o'clock. There will be time for a general social hour before the game. The buildings will be open and everything done to make alumni feel at home. The game is called at three o'clock so that there will be ample time to visit fraternity houses and friends between lunch and the game. It is planned to have the fraternity houses and Hulings Hall hold open house in the evening for those who can remain.

Alumni in various cities having Associations are urged to organize and plan to come early in the day. Each car should display Allegheny banners and every effort made to tell the world that all Alleghenians are home-ward bound as they drive toward Meadville.

The college, athletic, and alumni interests are combining to try to make this Home Coming Day an occasion long to be remembered.

STUDENTS AND FRIENDS MAKE TRIP TO THIEL

HUNDREDS INVADE GREENVILLE
FOR ANNUAL FOOTBALL
GAME

A pedestrian on the road between Meadville and Greenville gained a fair estimation of the interest that Allegheny and Meadville have in football. There was a continual string of cars the whole distance, and all of them moving, except for one or two broken down "College Fords" that were, at least, headed in the general direction of Greenville.

The decorations of the town were so extensive and so appreciated, that the desire of some of the Allegheny boys overruled their better judgment, and as a result there is a rumor that a few resided in the Greenville "jug" over night.

The town was completely white-washed and posted with sayings of rabid Thielophiles. The only flaw in the hospitality of the Greenvilleans was a sign which pointed to a cemetery and read, "Allegheny here."

The townspeople of Greenville virtually called a holiday and celebrated as such. The stores were closed, and all business was at a standstill.

The crowd that went to Greenville from Meadville was representative of the whole town and particularly of the College. The few students who unfortunately stayed at home are now mentally kicking themselves for failing to join the march of triumph.

Allegheny Rooters Urged to Rally at Penn Grove Hotel On Day of Grove City Game

Mercer County alumni are putting forth every effort to insure the success of the Allegheny dinner to be given at the Penn Grove Hotel, Grove City, after the Allegheny-Grove City game on November 1.

All Allegheny boosters, whether or not they are alumni or students, are invited to be present at this get-together. Everyone who is a friend of Allegheny will be welcomed at the celebration of the expected victory over Grove City.

Those who must leave Grove City early in the evening need not miss the dinner, for an opportunity to leave the dining room will be given after the dinner and before the speeches. The Penn Grove Hotel will be Allegheny headquarters for that day, and all rooters for the Blue and Gold are urged to spend a few sociable hours there both before and after the game.

Dr. C. A. Darling is to be the principal speaker at the banquet. A plate reservation blank is printed in another part of this edition of the Campus.

The Campus

Of Allegheny College

ESTABLISHED 1876

Entered as second-class matter, October 30, 1904, at the Postoffice at Meadville, Pa., under the Act of March 3, 1879.

ALLEGHENY FOR COOLIDGE

The idea of some that the modern American college is a hotbed of radicalism was certainly disproved last week so far as Allegheny is concerned. In a presidential straw vote taken in Chapel, Allegheny voted overwhelmingly for Calvin Coolidge, Robert M. LaFollette receiving something like thirty-nine votes. The result shows that Allegheny is unshakably conservative. Whether that is to be desired is, of course, a different question.

"HELLO!"

In an attempt to bring about a more democratic spirit among the students, a great many colleges and universities are observing what they call "Hello Week," in which every student is urged to speak to everyone whom he meets on the campus.

The spirit of friendship is much better at Allegheny than at many other institutions. This year, particularly, great improvement is shown in the way in which students all over the Hill greet each other. But as in everything else, there is still room for improvement. There seems to be a feeling of restraint among the co-eds, as well as among certain upper-classmen. A cheery "hello" or "good-morning" will not harm anyone and can do a great deal of good in reviving the much talked of Allegheny Spirit. Let's try it—everybody.

PORTRAITS OR CASTOFFS?

Allegheny possesses a collection of portraits of almost all her past presidents. These portraits, particularly those of the earlier presidents, are well done. But they are not well taken care of. They hang (most of them hang, although two simply lean against the wall from the top of a bookcase) in the English Seminar room, a room that only a very small proportion of the students frequent. They are labelled with dirty yellow tags written perhaps during the '90's. One of them hangs at an angle. Dirt has crept under the frame of another until it spots the whole white border around the portrait. A third is mounted in a most inartistic mid-Victorian frame. All in all, the collection is treated as one might treat old furniture that has been sent to the attic because it could not grace a modern household. It is strange, indeed, that an institution of an hundred and ten years' honorable history could be even accused of disrespect to those men who had so great a share in making that history what it is.

EVERY SUNDAY—NINE THIRTY

Allegheny, while it is an un-denominational college, is a professedly Christian institution. It is altogether fitting, therefore, that there should be a flourishing students' Bible class in the College. Such organizations are a vital part of our academic life. They bring together groups of young men and young women who, in the routine of every day life, wish to spend some time in meditation on things spiritual. They provide a place where, by free and open discussion, we may seek to relate our college life and our individual ambitions to the great divine purpose.

There are in the College two such classes, one for the men and the other for the women. They meet every Sunday morning in the Ford Memorial Chapel at 9:30. Doctor Darling is the leader of the men's class, and Mrs. Arthur S. Emig of the women's. Both these classes prospered last year. Both of them should prosper this season.

AMONG OUR CONTEMPORARIES

Several hundred students from Washington and Jefferson College will make their annual pilgrimage to New York next week to see the game between their team and Lafayette. Special trains with special rates will be run to and from the game. A big representation of alumni and townspeople are also expected to make the trip.

Coolidge scored heavily in the straw vote taken at DePauw. The Republican candidate scored 578 ballots; while John W. Davis received 132; Roosevelt M. LaFollette 37, and William Z. Foster 3. Farris, Jones, Nations, and Wallace received no votes at all.

John W. Davis visited Princeton in person and charged the Republican party with corruption in office. The students of Princeton have favored the Republican party in the past, but the pep and enthusiasm that was put into a cheer for Davis showed signs of a possible change.

A census of automobiles on the campus of the University of Minnesota was made by the Minnesota Daily. Of the 637 machines on the campus 302 were Fords.

KALDRON NOTICE

The Kaldron Board urges all students to have their individual pictures taken at either the Pratt or Wetherby Studios before November 1.

AROUND THE WORLD

Henry Ford declared in an interview concerning the coming election that Senator Robert M. LaFollette, Independent candidate for President, was only the mouthpiece of Wall Street. Ford claims that the reason Wall Street is not behind Coolidge is that Coolidge is the man Wall Street "can't handle."

In a statement issued by the Democratic National Committee, \$300,000 has been raised to carry on the campaign. It is expected to increase the campaign fund to \$1,500,000.

The University of Oklahoma is planning for the annual college stunt night when the spice, pep, and spirit of the campus will be portrayed on the stage. A system of allowing the students to pick the best number has been devised. On the programs which will be passed out, there will be a place for the spectator to designate which act he thinks the best. The act receiving the most votes will receive a premium of twenty-five dollars.

During the past several years an increase of over one thousand has been made in the enrollment of Howard College, Birmingham, Ala.

A sixteen page magazine will be published each month by the students of the University of Oregon.

Berkley police raided six fraternity houses of the University of California and appropriated many souvenirs that had been taken from street corners and stations, and even from a near by sorority house.

Thirty Alleghenians Working In Various Parts of the Orient

That Allegheny is well represented in the Far East can hardly be doubted when one sees that there have been more than thirty Alleghenians serving in that field. Through the efforts of Wallace M. Miner, '07, who has been stationed at Foochow, China, a complete, authentic, and up to date account of all of Allegheny's representatives in the Far East has been compiled.

James M. Thoburn, '57, than whom there is probably no more noted churchman, leads all Alleghenians in their travels and work in the Far East. He was a missionary in India for fifty years. He held important appointments before being made Missionary Bishop in 1888. Bishop Thoburn was the one who opened the work of the Methodist Church in Singapore, Straits Settlements, and he was the first Methodist, if not the first Protestant, to teach in the Philippine Islands.

After a long period the next Alleghenian to go to the East was Merriam C. Harris, '73. He went to Japan where for twelve years he was a missionary of the Methodist Church. In 1904 he became Missionary Bishop for Korea and Japan.

The Class of 1880 has two members who went to China as missionaries. Harriet A. Linn, of Warren, Ohio, became the wife of the Reverend Robert C. Beebe, M. D.D. They went to Nanking, China, where for many years Dr. Beebe had charge of the Methodist Hospital. George S. Miner, after serving eleven years in the Home Missionary work, went to Foochow, China, where he founded the primary schools which became known as the "Special Gift" Day Schools. Charles E. Locke and Mrs. Locke (Mina J. Wood, ex-'84) served in the pastorate of the Methodist Episcopal Church in many important appointments, and they now have their residence at Manila, Philippine Islands.

James Matthew Thoburn, '81, nephew of Bishop Thoburn, '57, and wife (Emma F. Merchant, '81) went to India soon after graduation. He was appointed to Calcutta and later became presiding elder of the Calcutta District.

William F. Oldham, ex-'83, was born in Bangalore, India. He studied in the United States. After holding a pastorate in the Ohio Conference, he returned to mission work in India where he founded the Anglo-Chinese School in Singapore and also the boys' boarding school known as Oldham Hall.

Vesta O. Greer, ex-'89, after marrying the Reverend H. V. S. Peeke, went as missionary to Saga, Japan.

Wilbur C. Swearer, '95, graduated at Drew Theological Seminary, before going as a Methodist missionary to Korea. During his first term of service he was engaged in evangelistic work.

Ellas P. Kitt, ex-'95, entered the United States Navy and has been stationed as Officer on the U. S. Transport "Merritt" at Manila, Philippine Islands.

Mary E. Boyer, ex-'96, went out to China in 1912 as a missionary in the Ebenezer Mission, an independent organization consisting of a few missionaries.

Charlotte J. Illingworth, '98, is a missionary of the Methodist Church and teacher in an Industrial School in Thandau, Burma.

Chinichiro Okada, '00, graduated at the Boston University School of Theology, after which he married and went to Singapore to take charge of the Anglo-Chinese School founded by Bishop Oldham.

H. Lester Smith, '04, graduated at Drew Theological Seminary. He served several churches in the Pittsburgh and Erie Conferences. At the General Conference in 1920, he was elected a bishop and resides at Bangalore, India.

Bruce S. Wright, '05, after being graduated, entered the Erie Conference where he served for several years. In 1914 he was appointed to the Union English Speaking Church in Manila, Philippine Islands.

Wallace H. Miner, '07, the compiler of this index, in 1923 went as a missionary to Foochow, China.

Josette Hilda Beebe, '08, after teaching for a few years went to Nanking, China, where her father, Dr. Robert E. Beebe, had been a missionary for many years.

Thomas A. Colter, '08, went to Batavia, Java, where he was manager of the Dutch East Indies subsidiary of the Standard Oil Company of New Jersey.

Otto H. Houser, '08, went to Manila, where he served for a term as pastor of the Student Church.

Frank G. Smith, '08, went to Foochow, China, in 1911 and was engaged in teaching Civil Engineering and Mathematics.

William R. Lingo, ex-'08, has been in educational work and in 1915 was teacher in the Government Schools in Manila.

William Milward, '09, accepted a

OLD ALLEGHENY

BENTLEY HALL—A REALITY

Although fate seemed to be hindering the progress of the material development of Allegheny College, the pioneer spirit of the founders remained undaunted. Stone was suggested as the building material of Bentley Hall, and as a result a quarry was opened in the ravine. In August a local paper carried an advertisement for bids, and in December of 1820 John Petrie entered into a contract to lay the foundation.

When excavating and masonry were begun in the spring, the trustees changed their plans and decided to build with brick. The firm of Gratz & Lapsley of Erie submitted the lowest bid for walls, partitions, floors and roof, offering to do this work for \$8540, but operations, begun in 1822, were suspended after a year's work because of a controversy between the Board and the contractors. By means of a lawsuit, \$1033 was refunded, but the building stood only partially finished through the winter of 1823-4 when the Board of Trustees completed the roofing to protect the interior. Harm Jan Huidekoper furnished glass and paint, and occasionally minor sections of the east wing were completed. The continued drawback was lack of funds. Persistent appeals for state aid were without avail until 1827 when both branches of the legislature unanimously agreed to a gift of \$4000. The east wing of Bentley was then not entirely complete, but with available resources in December, 1827, David Dick was enabled to take the contract to finish the interior of the Hall for \$3000. By donating a day's work and splitting laths, the alumni, trustees, and citizens succeeded in completing the first part of Bentley Hall and thereby making it a reality.

COLLEGE CONCERT

(Continued from page 1)

will read an article before the Meadville Art Association on the "Music of Mozart." This paper will be illustrated with music from the opera "Marriage of Figaro," which is the first number of the series. Dr. Church will

EDITHE FLEISHER

be assisted by Mrs. Church and Mrs. Carl Fahr. This evening Dr. Church will give a short talk at Hulings Hall upon the same subject. It is based on one of the most famous of existing French comedies. The music is very melodious. Although the dialogue was originally in French, the dialogue here will be from a new and improved English translation.

DR. I. R. BEILER HAS ARTICLE PUBLISHED IN METHODIST REVIEW

"Genesis III In the Light of Modern Knowledge" is the title of an article published by Dr. I. R. Beiler in the Methodist Review this past summer. It is in this article that he discusses the traditional interpretation and the biblical basis of Genesis III. The shortcomings of the story and its popular exposition were explained by Dr. Beiler. Probably one of the best and most helpful divisions of the story was that on its religious values.

INTERCOLLEGIATE

The first international intercollegiate radio chess match will be played by Haverford and Oxford late in November. American colleges have contested several times by means of radio, but this will be the opening battle between an American and an English college.

Four Double-Barreled Reason Why You Should Buy Life Insurance

FIRST:

- (a) You have the advantage of the younger rate. The rate at age 20 is about one-half that of age 40. It does not increase after you have started.

- (b) Money without health cannot buy insurance. If health is yours now, capitalize it at once.

SECOND:

- (a) If you are not married, insurance will be absolutely necessary when you become a benedict.

- (b) You create an estate immediately with the first payment.

THIRD:

- (a) Insurance helps you to form the habit of saving, thus strengthening your character. Thrift makes for success.

- (b) Insurance will make you independent in old age when 11 out of 13 men have to live on charity.

FOURTH:

- (a) It is a conservative investment. Insurance Companies cannot speculate, and they are absolutely safe financial institutions.

- (b) Men in the higher walks of life favor it. Every member of the late President Harding's Cabinet has recently advised young men to insure while young.

All Legal Reserve Life Insurance Companies are good but none can surpass in strength and friendly service.

ALLEGHENY TRAVELS EASTWARD FOR BOSTON GAME SATURDAY

Team to Be in Good Condition For Fray—Dolde and Smith to Play

With the Thiel game an event of the past, the Allegheny eleven is being pointed for the all-important game with Boston College to be played on Saturday at Boston, Mass.

This will be the first time that Allegheny has met Boston, and the players as well as the coaches seem to realize the importance of the contest. A victory over the strong Hub City team would add much to Allegheny's reputation in eastern football circles. It might even be said that this game will provide the greatest opportunity that the Blue and Gold team has ever had to make a name for itself in the football world.

Syracuse defeated Boston on Saturday by a 10-0 score. Reports of the game indicate that Syracuse was playing the best football that it has shown this season and that the big Orange team experienced great difficulty in defeating the fighting Boston outfit.

The New England college claims to have the best backfield in the East. It consists of McKenney, Cronin, Ward, and Darling. Darling carries the reputation of being one of the best punters in the country.

The Allegheny team will be in better condition for the Boston game than it has been for any game so far this season. Every man on the squad is in fairly good physical condition. Smith and Dolde will both be able to enter the contest, although they are not yet in good condition. If Smith is able to play, it will be his first game of the year. An injured foot which has stubbornly refused to respond to treatment, has kept him on the bench so far this season.

The Boston trip is the longest that an Allegheny eleven has ever taken, and the players will probably feel the

effects of the tiresome night and day ride. With this exception, the team will have few if any excuses to offer for not making the best showing that it has made this season. The team will leave Meadville on Thursday for their long jaunt to the city famed for its baked beans and codfish.

Although Coach Davies is not counting on a victory over the eastern school, he is hopeful that his team will make a good showing and will hold the Bostonians to a low score.

THIEL GAME

(Continued from page 1)

punt. Kinnunen stopped McCoy at center for no gain and Hanlon threw Zundel for a 2 yard loss at right end. Patterson punted to Brace on the Thiel 48 yard line and the Erie boy returned the ball 20 yards, nearly breaking away for a touchdown. After Dahl gained 8 yards on two line plays, Thiel held for downs and took the ball on her own 20 yard line.

Thiel got a lucky break on the next play, and the Blue and Gold was robbed of a touchdown. Zundel attempted an end run, but fumbled when Hanlon tackled him viciously. Fuller scooped up the ball and scampered over the Thiel goal line, but the play was called back, and Thiel penalized fifteen yards for holding.

Dahl's repeated hammering at the Thiel line was beginning to tell, and the last period was not many minutes old before he plunged through tackle for the first score of the game. Then came another Allegheny drive, ending in Brace's 30 yard run for a touchdown, just at the end of the game.

Hanlon, Kinnunen, Fuller, and Morrison bore the brunt of the Allegheny defense, while the entire line played a great brand of football. Mateer, Patterson and Jamieson played well for Thiel, the defensive work of Mateer and Jamieson being especially good.

Summary

Allegheny Thiel
 Reed L. E. Nickerson
 Parnell (Capt.) L. T. (Capt.) Berkman
 Humeston L. G. Hazen
 Fuller C. Allen
 Blackwell R. G. Jamieson
 Morrison R. T. T. Bell
 Judd R. E. Vassia
 Miller Q. Patterson
 Brace L. H. Douds
 Hanlon R. H. Mateer
 Dahl F. McCoy
 Touchdowns: Dahl, Brace. Goals from touchdowns: Brace, 2.

Substitutions: Allegheny—Kinnunen for Blackwell; Thiel—Zundel for Douds, Groth for Hazen, J. Bell for McCoy, Taylor for Zundel, Olander for Patterson, Curtis for Berkman.

Referee, McMillan (Pitt).
 Umpire, Cadigan (Syracuse).
 Head Linesman, Rebelle (Penn State).

Time of quarters, 15 minutes.

FOOTBALL NOTES

West Virginia swamped Geneva, 55-0. The Mountaineers had possession of the ball during the entire first half, and scored five touchdowns in the second quarter. Geneva made but three first downs, these coming late in the game on forward passes.

Boston College held Syracuse to a 10-0 score. McBride ran 65 yards for a touchdown and kicked a field goal. O'Connell spoiled Boston's best chance to score when he ran into the goal-post.

Waynesburg won its fourth victory by defeating Grove City 17-13. Both teams used an aerial attack, fourteen passes being completed out of twenty-nine attempted.

Lehigh defeated Dickinson 15-6. Smith, who has been on the bench all season, may get his first chance against Boston.

ALLEGHENIANS IN CLEVELAND ARE INVITED TO LUNCHEON ON FRIDAY

Alleghenians visiting the meeting of the Northeast Ohio Teachers' Association Meeting at Cleveland on October 24 and 25 are cordially invited to lunch with the Cleveland Allegheny Club on Friday, October 24. The luncheon is to be given at the Hanna Restaurant, Hanna Building, Euclid Avenue and East 14th Street. The alcove to the left of the entrance has been reserved for the occasion from 12:15 to 1:30 o'clock. About forty attended the N. E. O. T. A. Allegheny luncheon last year, and the club expects an attendance of about seventy-five at the luncheon Friday.

ALLEGHENY HARRIERS DEFEAT THIEL 20-35

THIEL MAN FINISHES FIRST—SIX ALLEGHENY RUNNERS FOLLOW

Although football was the main attraction at Greenville Saturday, the 20-35 victory of Allegheny's cross-country team over that of Thiel was the subject of much enthusiasm and praise from the Meadville fans who witnessed the finish at Packard Field. The meet was a surprise to the majority of students, having been arranged on short notice a few days before. Fortunately the team, having just completed several weeks of intensive training preparatory to the final tryouts to be held October 25, to determine which men will represent Allegheny in the dual meet with Carnegie Tech, was in splendid condition, and literally "ran away" with the Greenville men. Wolf, of Thiel, captured first place over the three-mile course, but Allegheny succeeded in placing the next six men, and won. Captain Rea was second, followed by Jones, Bentley, Devereaux, Bogardus, and Beyer, in the order named.

This encouraging victory may give the men more confidence in their ability to defeat Carnegie Tech on November 1. Although the men selected give some idea as to the present standing of the candidates for the team, no man can feel entirely certain of his place until after the final tryouts, to be staged this coming Saturday, October 25.

Y. W. C. A. 6 p. m.
 Thursday, October 30—
 First College Concert, High School Auditorium.

Saturday, November 1—
 Grove City at Grove City.

Saturday, November 8—
 Homecoming Day.
 Westminster plays here.

"Red" Grange, Illinois' All-American halfback, gave what is generally acclaimed as the greatest individual performance ever witnessed on a football field when he tore through the Michigan eleven for five touchdowns, four of them coming in the first quarter. Illinois won, 39-14.

Yardage figures on the Allegheny-Thiel game show that Dahl gained more than three times as much ground as the entire Thiel team.

Hanlon's consistent ground gaining was responsible for more than twice as many yards as the whole Thiel eleven made. Jimmy's work on the defensive was equally strong. His tackling was hard and deadly.

Frances Stooler spent the weekend at her home in Westfield, N. Y.

H. M. Nelson, '08, and A. D. Moore, ex-'25, were visitors at the Phi Kappa Psi house over the weekend.

To provide a capstone to the strategic study made by the army and navy during the past several years, joint maneuvers will be held in Hawaii.
