Dear Miss Tarbell,-

Knowing your ability as a writer and compiler, I am taking this liberty of asking your assistance along this line.

I was formerly of Titusville and a daughter of the late Henry R. Prather. Known some years ago as the firm of Mac Intosh and Prather and I having been a Sabbath School pupil of your father for a number of years

I feel that I already know you and trust that I am not presuming too much in asking your aid.

I wish to have a speech dealing on Woman's Suffrage compiled. I wish to deliver this speech in vaudeville throughout the country. I would like a good sound sensible speech dealing with facts and lasting about twenty minutes.

Now if you will consent to assist me by composing this said speech I will give you an outline in my next letter, the points I wish brought out. Trusting this meet with your favorable consideration
