VOLUME XXXII.—NUMBER 11.

MEADVILLE, PA., DEC. 2, 1913.

GROVE CITY DEFEATS GOLD AND BLUE TEAM

Allegheny Plays Listless Game During First Three Periods—Score, 9-8

After having won seven straight games, and with not one defeat to their charge during the whole season, the strongest team in Allegheny's football history met the old rival, Grove City, on Thanksgiving day and went down to defeat. The final score was 9-8, in favor of Grove City. The gloom that was cast over the whole college has never been matched in recent years, except by that which followed Ohio Wesleyan's victory over Allegheny on the basketball floor three years ago, the first defeat in the home gymnasium in ten years. The too vivid remembrance of Grove City's success on Montgomery Field a year ago and the extreme confidence felt everywhere in the ability of the Gold and Blue this year to retrieve the loss only accentuated the disappointment.

In spite of it all, true Alleghenians cannot but give the victors full credit for their triumph. Grove City won and they won according to the rules of the game.

For many years the Allegheny-Grove City game has been in each college the big event of the football season. From fall to fall these annual games have been played alternately in Grove City and Meadville, the visiting team always being accompanied by a large crowd of rooters. This year it was Allegheny's turn to go to Grove City, and consequently for several weeks preparations for the trip were made. There was not a great deal of need for arousing enthusiasm. That had been at a high pitch all season and had reached its climax with the defeat of Geneva, 38-0. So when the call came for those who would sign up to go to Grove City, 171 men responded. A special train was chartered over the Bessmer road, and when the time came for starting it was found that there were enough loyal supporters from Meadville, outside of the 175 students, to make a trainload of nearly 200.

Arriving at Grove City, the college band which was out in full strength for the occasion, led the Allegheny cohorts in parade to the football field. Before and during the game the visiting musicians aided the rooting of the rest of the Allegheny enthusiasts by playing frequently, and was not in any way surpassed by the larger aggregation of bandmen secured by Grove City for the day.

The game as it was played and as it turned out proved merely a study in psychology. On the one hand was the Allegheny team happy in the fact that they had "walloped" everything they had met so far and confident that Grove City, which by all comparative scores was far inferior, would only prove another victim. On the other hand was the home team, grim, fully realizing the strength of their opponents but determined to give them the hardest fight of their life for victory. The results were corresponding. Allegheny was unable, through overconfidence, to withstand the attacks of their opponents with the result that within the first ten minutes Grove City had reached the opposing 35-yard line and kicked a successful field goal. With the score of 3-0 against them the Gold and Blue began to realize that they were not having things their own way. In the second quarter they worked together more and advanced far enough to try a kick at the goal from placement. When this was unsuccessful they lost their last chance to score in the first half. Notwithstanding they were fully roused at the beginning of the second half, an old criss-cross play which the Red and White used completely bewildered them and added six points to the three. It was 9-0, the score of the game the year before. Now Allegheny was not only wide awake but had become desperate. The two substitutions that had been made began to show good results. From the 44-yard line where the ball was at the beginning of the

fourth quarter, it was taken, after an exchange of punts to the 33-yard line, to the 30-yard line, to the 27-yard line, to the 14-yard line, to the 1-yard line and over the goal line. In five minutes more with a speedy run and a long forward pass, the ball was Allegheny's, on Grove City's 1-yard line. Fate and Grove City's secondary defense here interposed and stopped the touchdown that seemed certain. Allegheny lost the ball on downs within so short a distance of victory and Grove City willing to allow two points for the sake of getting the ball out of their territory, gave away a safety and took the ball out to their own 20-yard line. Here fate interposed again and allowed Allegheny to recover a fumble. The opportunity had come, but there was no one to meet it half way. With neither of Allegheny's goal kickers in the game the quarter-back had to rely on rushes instead of trying for a field goal. Nothing, however, could budge the stone wall Grove City had formed, and the final whistle blew with victory just beyond grasp.

Although he did not work so successfully against the heavy line of Grove City, Munhall was as usual the steadiest and best ground gainer for Allegheny. Arnold also was often blocked but got in his quota of runs, his best work being done in running back punts. For the time he was in the game, a little over one quarter, Metcalf at halfback proved the star, his speed and runs aided by Cox's excellent interference was a great factor in Allegheny's fourth quarter rally. Cox went in the second half and his heady work in choosing plays and executing forward passes gave the Gold and Blue their right to hope toward the last. "Pass" Thomas' punting was the equal of the giant Dougherty's. "Hex" Peterson thwarted every attack on the end of the line by a number of excellent tackles. It was his faultless handling of Cox's long forward pass in the line of the fourth quarter that brought the ball to Grove City's five yard line. The other five men on the line must not be neglected in the praise. Possibly it would be sufficient to say that only once was Grove City able to make their first down through straight plunging. Dotterrer in many respects made his last game his best in football, as did J. Pierson. Brooks, Baker, and Allshouse at guards and center also played strong games with Brooks' work probably a little more noticeable than the others. For Grove City, Greene, Thorne, and Dougherty shone most in their playing. Greene and Thorne were the best ground gainers, while Dougherty's kicking was very good.

A noticeable thing about Grove City's style of game was the fact that not once did they use a forward pass. Their effort was concentrated on straight football. When line plunges failed they resorted to punting. Allegheny, on the other hand, frequently used the forward pass and end runs which netted good distances. At least three times they made their first down. The continued punting necessitated by the strong defense on both sides made the game rather an interesting one to watch.

The game play by play follows:

First Quarter.

Promptly at three o'clock Well kicked off to Ricker who made the 25-yard line before being downed. Both Trace and Ricker failed to advance further and Dotterrer punted to the middle of the field. Black for Grove City made five yards but Green lost the same distance. Then Dougherty punted to Ricker who received on the 23-yard line and ran up 10 yards. Munhall made three more. Ricker was tackled by Green when he attempted a run around left end and lost seven yards. Dotterrer punted out of bounds on Grove City's 40-yard line. When Greene failed and Boone made only four yards Dougherty returned the kick. Ricker in receiving was unlucky enough to fumble on the 20-yard line. Munhall came to the rescue with ten yards. Arnold made one and Munhall another.

BIOLOGICAL CLUB RECENTLY FORMED

Advanced Students in Biology Add New Departmental Club—Constitution and Officers.

Another new departmental club was added to the list of such organizations at Allegheny, when the students especially interested in Biology, together with Dr. C. A. Darling, met recently in the laboratory of Ruter Hall. Since the decess of the Scientific Club some years ago, this department has been without a club. As will be seen from the constitution, the object of the society will be the encouragement of original work along biological lines and the furtherance of the interests of the Biological Department. The charter members are the students who are especially interested in Biology and who are doing advanced work in this subject, together with the faculty members and student assistants of the department. The charter members of the organization are as follows: Dr. C. A. Darling, Professor C. E. Decker, F. C. First, '14, W. A. Whitling, '15, T. W. Thoburn, '14, R. D. Mosier, '14, M. P. Jeffery, '14, W. P. Long, '15, W. D. Parsons, '14, C. S. Burwell, '14, Isadore Cohen, '15, C. M. Dotterrer, '14, Miss E. May Girsham, '14, Miss Mae Gillespie, '15, Miss Margaret Ross, '16, Miss Helen Roach, '16, C. M. MacConnell, '15, and Miss L. M. Lydell, '16.

The officers elected were as follows: President, C. S. Burwell, '14; Isadore Cohen, '15, vice president, and Miss E. May Girsham, '14, secretary and treasurer.

The Constitution of the Club.

Article I. (Name). This organization shall be known as (not yet chosen).

Article II. (Object). The object of this organization shall be the furtherance of the interests of the Biological Department, and the encouragement of original work along biological lines.

Article III. (Officers). The officers of this organization shall be a president, a vice president, and a secretary-treasurer. These three, together with the head of the Department of Biology, shall constitute an executive committee which shall arrange for proper programs, shall receive excuses for absence, and shall attend to the performance of all duties not otherwise provided for.

Article IV. (Meetings). Regular meetings shall be held on the first and third Mondays of each month of the school year, beginning at 7 p. m. and lasting not more than two hours. All official business shall be transacted before the commencement of the evening's program. The head of the department of Biology shall be in charge of the discussion of the program. Special meetings may be called at any time by order of the executive committee.

Article V. (Dues). The expenses of the organization shall be paid by assessment as may be found necessary. Assessment may be made by a two-thirds vote of the members present at any regular meeting.

Article VI. (Absences). Two consecutive absences from regular meetings without sufficient excuse expressed to the executive committee shall automatically expel the offending member.

Article VII. (Membership). The executive committee shall propose names to be voted upon by the club. Two-thirds majority of members shall be required for election.

Article VIII. (Quorum). Two-thirds of the members of the club shall constitute a quorum.

Article IX. (Amendments). Amendments to this constitution may be made by a vote of two-thirds of the members.

The first regular meeting of the club was held yesterday at eight o'clock. The regular meeting time is seven o'clock, but was postponed an hour on account of the "Men's Meet-

(Continued on Page Four.)

MEN'S WEEK

First Service Held in Cochran Hall Last Night—Dr. Thoburn Coming.

The annual Men's Week religious services, under the auspices of the Y. M. C. A., was started last evening with the first of the talks of the week by Dr. Hannan. The evening was given over to a preparation for the meetings of the rest of the week rather than any definite subject, but showed along what lines Dr. Hannan will conduct the week's meetings and how he intends to reach his hearers. Those who heard him in the series of college sermons last year will remember him as a very sincere and forceful speaker, and his talk last evening showed the same ease in reaching his audience and the same force in presenting his thoughts.

A great deal of thought, planning and sincere work has been expended and will be continued during the week that the meetings may be a success. The Y. M. C. A. quartet, which sang at last evening's service, is to be in attendance at the meetings for the rest of the week and will sing one or two selections at each service. There will be a five minute prayer meeting every day at 12:30 in the oratory of the Chapel under Dr. Hannan's leadership which will begin promptly and close at the end of five minutes so that it will not interfere in the least with the regular dinner hour.

Groups of personal workers have been organized under the leadership of H. J. Hartman, '15, and have been at work since the latter part of last week. These teams have representatives in the various fraternity houses, in Cochran Hall, in other Freshman dormitories and among the non-fraternity men. The men are to work personally among their associates during the week, and are counted on as a very important factor in the success of the series of meetings.

Dr. T. R. Thoburn, of Erie, who was expected to be here at the opening of the services, will be here for the Wednesday evening service and for the rest of the week. He had not expected to undertake this work this year, and it is only after a great deal of persuasion that he has consented to come.

With the preparation that has been made and with the effective co-operation of those in charge of the work, there is no reason why this year's Men's Week should not be by far the most successful in its results of any in previous years.

MANDOLIN CLUB

First Announcement of Personnel of Club—New Features Added.

The Mandolin Club for this year has been chosen this week and is announced as follows:

Violin: H. W. Kuhl, '17.
First Mandolin: C. F. Shields, '15, Robert Yost, '17, F. G. Brooks, '15.
Second Mandolin: C. C. Miller, '14, J. B. Hutchinson, '15, H. D. Colt, '16, C. E. McKinney, '17.
Guitar and cello: F. B. Doane, '17.
Piano: W. A. Ellis, '16.

The club is to be under the direction of Professor August Palma again this year and he with the leader, C. C. Miller, '14, have chosen this club which should far exceed the records made by any previous club. A number of new features will be given this year, including the pieces with piano accompaniment.

Regular practices are being held and the club will be in the best shape possible for the first concert of the year, to be given in the Stone church, Tuesday evening, December 16.

Any university freshman found in a Madison, Wis., saloon is likely to be "run out" and sent home under a recent ruling of the student conference of the University of Wisconsin; and a strong editorial in the Daily Cardinal urges upon upper classmen their duty to enforce the rule.

FRESHMEN DEFEATED IN SOCCER CONTEST

Sophomores Keep Ball in Opponents Territory Throughout Game.

The soccer game between the two lower classes was played Saturday afternoon at 4 o'clock, immediately following the cross country race. It will be remembered that last fall a soccer game was substituted as one of the contests to be held in place of the football game, which heretofore has been played between the Sophomores and Freshmen to help decide class supremacy. At that time the game was entirely new to almost every man, and consequently there was no intelligent playing. During the last six weeks the two classes have had opportunity to acquaint themselves with its finer points in the many games that have been carried on at the new overflow athletic field as part of the gymnasium requirements. The results of this practice showed in the game as played Saturday. Play was begun in a more cautious and systematic manner, and at times excellent team work was in evidence. The game ended with a decisive score, Captain Ritchie's Sophomore team having won 2-0. Although they had considerable difficulty in obtaining these two points, their superior playing was evident throughout the game, since the ball was in Freshman territory nearly all the time. For the Sophomores the best players were Ritchie, Cox, Sanner, Arnold, Bash; while among the Freshmen, Captain Kepner, Miller and Friskhorn seemed to have the advantage in ability. Kepner started the game with his kickoff from the center circle. To the crowd of spectators unacquainted with soccer nothing of peculiar interest happened until about the middle of the first half, when Sanner booted the sphere under the crossbar guarded by the Freshmen and made the first point in the game. Following this interest picked up and the players themselves became more alert. Ritchie, Cox and Arnold got in some nice team work that had the lower classmen worried and would have resulted in more scores if it had not been for the excellent guarding of Friskhorn at his position of goal. The second tally came in the second half when the ball was worked up within a few yards of the Freshmen's goal and Arnold, getting the right swing with his foot, sent the ball through like a shot. Scott, Goal Tender for the Sophomores, became overexerted during the first half by leaning too heavily against the goal post with his hands in his pockets, so that he had to be helped to the bench by two teammates. During the latter part of play he secured a transfer to a more active part of the game.

The two teams lined up as follows:
Sophomores— Freshmen—
Scott, Hoffman.....G.....Friskhorn
McKay.....RFB.....Tarr
Ritchie.....LFB.....Brookmire
Bash.....RHB.....Jones
Stevenson.....CHB.....Kahle
Hoffman, Scott.....LHB.....Wagner
Ling.....ORF.....Hill
Cox.....IRF.....Longanecker
Dundon.....OLF.....Miller
Arnold.....ILF.....Weide
Sanner.....CF Kepner-Swoap
Goals—Sanner and Arnold. Referee—Wm. Jackson. Time of halves, 20 minutes.

The Calendar

EVERY NIGHT THIS WEEK AT 6:45 P. M.—Men's meeting in Y. M. C. A. room, in Cochran Hall.

WEDNESDAY, 6:45 P. M.—Y. W. C. A. in Hulings Hall.

THURSDAY, 4:30-6:00 P. M.—Senior tea, in parlors of Hulings Hall.
4:00 P. M.—Meeting of the Forum, in Bentley.

SUNDAY, 6:15 P. M.—Y. W. C. A., in Hulings Hall.

MONDAY, 8:00 p. m.—Lecture by Dr. Anna Spencer, in the Chapel.

THE CAMPUS

OF ALLEGHENY COLLEGE.
Established 1876.

Entered as second-class matter October 30, 1901, at the Postoffice at Meadville, Pa., under the Act of Congress of March 3, 1879.

Published every Tuesday morning during the academic year by a staff of editors selected off a competitive basis from the students of Allegheny College and devoted to the interests of the college and its community.

Subscriptions \$1.50 a year; \$1.00 in advance. Single copies 5 cents.

The Campus is forwarded to all subscribers until an explicit order is received for its discontinuance, and until all arrearages are paid according to law. Subscribers are requested to inform the Business Manager of any change of address.

Communications intended for publication should be sent to the Editor or dropped in the box in the main hall of Bentley before 9:00 a. m. Saturday.

DECEMBER 2, 1913.

During this week the entire interest of the men of the college will be centered on the meetings which are being held in Cochran Hall. It seems quite fitting that at least some period of the year should be devoted to distinctly religious activity. No college man can expect to be thoroughly developed unless he has been in touch with the religious life of the school.

The meetings that are being held are not mere gatherings of molly coddles. On the contrary, the real leaders in college activities—the athletes, orators, musicians and debaters—will be found in the Y. M. C. A. room each evening. The men in charge of the services are college men who understand the problems and the questions which confront the average college student. The leaders are not delivering a series of sermons but are rather talking in a frank and straightforward manner with the men of the college.

No matter what your individual religious ideas may be you will not be out of place in the meetings that are being held this week. They are being conducted especially for all the men of the school and should interest you whether or not you are a member of the association or an active Christian worker. At least you will not show true spirit and a desire for fair play if you give adverse criticism before you attend a meeting.

INTERESTING MEETING OF Y. M. C. A.

The regular meeting of the Y. M. C. A. was held last Wednesday evening as a preparatory meeting for the Men's Week services which started last night. Under four different leaders, four reasons that men give for not attending Y. M. C. A. were taken up and discussed. The first three speakers were called on by President McGowan, '14, and spoke on the question given them extemporaneously. P. W. Johnston, '14, discussed the argument so often given that there are hypocrites in the Y. M. C. A. and therefore a person is warranted in staying away from the meetings. He said that there was no organization in college all of whose members were as true in purpose as they should be, and yet a person would never think of refusing to join such an organization for this reason. The idea is not to look at what kind of members are in the Y. M. C. A. but to take care that the person himself is free from such fault, overlook the faults he will be sure to find, and throw himself into a breach he may see, to make the organization stronger by his membership in it.

G. D. Rose, '14, answered the argument offered that a person has not the time for Y. M. C. A. He said that he himself had offered this argument last year, but had come to realize that a man was very poorly developed if he went out from the college with absolutely no religious

training and unable to conduct a religious service or make a Christian's prayer in public. And he had found further that almost without exception the really big men in college who did the most in their studies and were in the most outside activities found time for active work in the Y. M. C. A. and felt that such help as they received from this work was necessary to them.

The next leader called upon was W. A. Godsave, '15 who spoke on the excuse a man will give that he is not interested. He said the only way to deal with such excuses was to show by our lives that the person who is interested has something in his life of real value that the other person lacks.

The last speaker, H. J. Hartman, '15, discussed the class of so called agnostics or non-believers in college. He said that there are really very few in college, or at least in Allegheny, who really were non-believers, but that many hid behind this excuse as a means of getting out of religious discussions and away from activity along religious lines. He quoted the "Catch My Pal" movement carried on so successfully in England, and said that a person was not really converted who offered such a reason for staying away from religious meeting. The first thing necessary in such a case is to make the man see clearly just where he professes to stand, and a change of heart must be effected before a change of viewpoint can be expected.

After these discussions Dr. C. M. Qobern gave an inspiring talk, in which he pointed out the work that could be done in these meetings.

ALUMNI MEET

The Princeton branch of the New York Alumni Association of Allegheny college was organized on Thanksgiving night at the home of Prof. Sayre in Princeton, N. J. Max Hickernell, '10, Fellow in Biology, was made president, and Mrs. Cecilia Shires Ballinger, '12, secretary and treasurer. The other members are Harley Gould, '10, Fellow in Biology, Princeton university, Dudley Ballinger, '11, Health Officer of Princeton borough, Frank Sayre, '11, assistant principal of High school, A. A. Swanson, '12, assistant in Chemistry. The wives were made honorary members. C. C. Fisher, '11, of the New York School of Philanthropy was a guest of the evening. A stirring report was given of the recent important meeting of 45 Allegheny alumni in New York City. The next Princeton meeting is to be held in the famed new Graduate Schools buildings.

LECTURE NEXT MONDAY.

Dr. Anna Spencer, head of the Department of Sociology at the Meadville Theological School and formerly of the Department of Economics at the University of Wisconsin, has been secured by the Modern Problems Club to give a lecture in Ford Memorial Chapel on next Monday evening. Her subject, "Men, Women and Civic Duties," is one of vital interest to both men and women. Dr. Spencer is a very interesting, entertaining and forceful speaker and she has the endorsement of the Civic and Social Clubs of the city. Seldom does the college have the opportunity of listening to such a speaker, and it is urged that every student take advantage of this one. Admission will be free.

PATTERSON, '17, WINS RACE.

The much anticipated cross country race and soccer football game were contested last Saturday afternoon. Contrary to expectation they were not both in the nature of Sophomore-Freshman contests, since previously it had been decided that the race should be purely among individuals. The soccer game, however, was a class affair.

Promptly at 3 p. m. ten men, six Freshmen and four Sophomores lined up for the start of the first cross country race and at the word from Coach Hammett were off on their four mile run. Following are their names: Armstrong, '16, Nash, '16, Aey, '16, McCoy, '16, Ellis, '17, Shryock, '17, Clay, '17, Patterson, '17, Curtis, '17, and Powell, '17. The course for the race led off up North Main street to a point at a cross roads about two miles out, and thence returning along Park avenue, finishing at the end of the paved streets, a total distance of

about four miles. A large group of men was at the gymnasium to see the start off, but by the time the first man was expected at the finish a large crowd had gathered to see the finish. After twenty minutes had passed, the top of the hill began to be eagerly watched for the first signs of a runner, but not until several more had elapsed did one appear. Then quickly several came into sight. As the home stretch was neared it looked as if there was going to be a sprint for first place among two or three. However, the leader finally showed he had sufficient lead to take the finish rather easy, and E. R. Patterson, '17, of New Castle, crossed the tape about fifty feet ahead of Mervyn Shryock, '17, of Meadville. Following came M. H. Ellis, '17, also of Meadville, at a short distance. Fred Powell, '17, of Kittanning, and C. C. Curtis, '17, of Emlenton, were the next in order of the first five, arriving at longer intervals than the first three.

INTERCOLLEGIATE QUESTION DEBATED

At the regular meeting of the Forum last Thursday afternoon the 'varsity question, "Resolved, that as a matter of policy the United States should exclude all foreign unskilled labor," was debated for the first time.

The affirmative side was upheld by Wm. Brownell, '16, and Kepner, '17, and the negative by Leaf, '16, and Weaver, '17. The decision was given in favor of the affirmative.

In order to further the debating interests of Allegheny a plan has been advanced for the formation of a minor triangular debating league with Grove City and Westminster. This would enable Allegheny to put four debating teams into the field each year and would arouse a great deal of interest in debating. The details of this plan will be fully considered at the regular meeting of the Forum on Thursday afternoon of this week and all members should be present in order that final action may be taken on this plan.

"MISSIONS TO THE MOSLEMS."

Last Friday evening Dr. Cobern delivered before the Mission Study Class the fifth of the series of lectures on "Islam, the Challenger of Faith." After short devotional exercises and solo by Miss Janet Ellis, '15, Dr. Cobern took up a discussion of "Missions to the Moslems." There have been very few missionaries to the Moslems because the Saracens have been a source of fear to all missionaries. Today there are 88 missionary societies working among the Jews, but not one which works entirely among the Mohammedans, and there are not more than 12 missionaries devoted definitely and exclusively to work among these people. In India, Mohammedanism is harder to meet than Heathenism because from the first the followers of Mohammed have been foes of the church, and in the second place people do not know enough about Mohammedanism to combat it effectually.

It was well in the seventh century before the first missionary went out among the Moslems and sought their conversion. Then came the crusades, in which the attempt was made to win the Mohammedans by force. About 750 we find that John Damascus wrote a great deal on how to reach the Mohammedans and the importance of doing so. He also translated a part of the Koran into Latin. In the twelfth century Peter the Venerable issued a plea for writings to the Mohammedans. He believed that Islam must be won by the pen. In the fourteenth century Raymond Lull went as a missionary to the Moslems and accomplished a great work. He compared Mohammedanism to Christianity and won many converts. He went three times into northern Africa and was finally stoned to death by the Moslems.

Henry Martin was the first modern missionary to the Moslems. In 1808 he translated the New Testament into Indian dialects so that the people might read it. In 1811 he went as a missionary to the Moslems in Arabia and did a wonderful work there. The American board began work among the Moslems in Persia and Arabia in 1870. In Egypt there are over three thousand pupils in mission schools and public discussion is being held in which the Moslems are urged to present the arguments in favor of their religion or inquire concerning the Christian religion.

Dr. A. C. Ellis, '78, occupied the pulpit of the Stone church last Sunday morning.

Dr. and Mrs. C. A. Darling were guests for Sunday dinner at the Phi Gamma Delta house.

Both Captain Gilbert of Allegheny and Captain Veach of Grove City were compelled to do their part in the winning and losing from the side lines.

Grove City's tactics in using every device to delay play during the last few minutes when Allegheny had the ball so near their goal line did not come under the referee's interpretation of the rule else the story might be somewhat different.

A stunt which Allegheny rooters introduced into the parade before the game was the leading at its head of a black bear adorned with Gold and Blue pennants. Grove City sympathizers showed their spirit and originality by daubing him with the contents of a can of red paint after the contest was over.

The recital given by Evan Williams, the noted Welsh tenor, in the Stone church on last Friday evening was greatly enjoyed by the large audience, which was largely composed of college people. Among those from the faculty who were patrons and patronesses were Professor and Mrs. C. E. Decker, Professor M. H. Dewey, Dr. and Mrs. W. A. Elliott, Dr. and Mrs. R. E. Lee, Dr. and Mrs. F. C. Lockwood, Dr. and Mrs. G. A. Mulfinger, and Miss Alice H. Spalding.

After witnessing the game at Grove City Thanksgiving Dr. R. E. Lee journeyed to Connellsville, where on Friday and Saturday he delivered a series of lectures before a teachers' institute, on the general subject of Sanitary Conditions. Today he leaves again on a similar errand, this time the lectures to be given at Monessen. For several days following the fifteenth of the month his time will be occupied at Uniontown, where he will also address a teachers' institute on the above named subject.

On next Friday evening at eight o'clock, the Vallonia Union Sunday School, which is in charge of representatives of the Y. M. C. A., will hold a social in the chapel in Vallonia. Members of the Y. M. C. A. will have several prominent college entertainers at this event. The price of admission for the entertainment is ten cents, while refreshments will be served on the European plan. The Sunday school is one of the most im-

portant in charge of the Y. M. C. A. and at the present time is in need of financial assistance.

H. B. Storer, '13, was a visitor at the Theta Delta Psi house for a few days last week.

Dr. and Mrs. Frank C. Lockwood were Sunday dinner guests at the Theta Delta Psi house.

Mrs. Friskhorn, mother of M. W. Friskhorn, '17, and Miss Mary Wright, and O. O. Coon and son, Harold, of Albion, were guests at the Theta Delta Psi house for dinner last Saturday.

At a meeting of the Senior class held last Saturday at 1:30 p. m., O. A. Parmenter, '14, C. S. Burwell, Jr., '14, and P. W. Johnston, '14, were elected to represent their class in the inter-class debates. At this meeting the financial program of the class for the year was outlined.

Joseph A. Zimmerman, ex-'16, and Miss Edna Hoot, of Pittsburgh, were married Wednesday, November 19, at the bride's home. After a wedding trip to Niagara Falls and Buffalo, the couple will be at home at Coal Center, where the groom is preaching in the Methodist church. He expects to return to Allegheny next year.

Three members of the Faculty took a prominent part in the Meadville Teachers' Institute which was held on last Friday and Saturday in the high school building. On Saturday morning Dr. George A. Mulfinger, head of the German department, spoke to the teachers on "Methods in Modern Language Teaching," while in the afternoon session Dr. William A. Elliott, head of the department of Greek, addressed the institute on "Comenius and Rousseau." As one of the closing parts of the program, Dr. Camden M. Cobern, head of the department of English Bible and the Philosophy of Religion, gave an illustrated lecture on "The Holy Land."

Hulings Hall

Miss Mary Barkley, '15, Editor.

Miss Lulu Lydell, '16, was the dinner guest of Mr. and Mrs. J. P. Starr on Thursday.

The Misses Sabra Vought and Merchant were dinner guests of Miss Alice H. Spalding on Thursday.

Miss Mary Bardall, '14, was the dinner guest of Miss Helen Adams, '16, on Sunday.

Mrs. Bert Ellenberger and daughter, Lois, spent the week-end at the Hall, the guests of the former's sister, Miss Lulu Lydell, '16.

The Misses Lillian Nelson, '15, and Marguerite Beatty, '16, spent Thanksgiving at the home of the latter in Oil City.

The Misses Rachel Cleveland, '17, and Helen Kulp, '17, spent Thanksgiving at the home of the former in Erie.

The Misses Ruth Dodd, '14, and Marie Howell, '15, spent Thanksgiving at the home of the latter in Buffalo, N. Y.

The Misses Edna Yost, '13, Ruth Baldwin, '13, and Frances Barnhart, ex-'15, were guests at the Hall over Thanksgiving.

Among the dinner guests at the Hall on Thanksgiving day were Miss Helen Adams, '16, the guest of Miss Muza Anchors, '14; Miss Althea Hunt, '14, the guest of Miss Nelle Freer, '14, and Miss Janet Ellis, '15, the guest of Miss Margaret Seitz, '14.

The Sunday evening Y. W. C. A. meeting was led by Miss Linda Holt, '14, who chose for a subject, "A little leaveneth the whole." After an interesting talk by the leader the meeting was thrown open and many of the girls responded. Miss Bessie Preston, '16, sang a solo.

COURSE IN FOOTBALL.

By no means discouraged by the Grove City defeat on last Thursday, Coach Hammett has already inaugurated football work for the men who intend to try out for positions on the team of next year. Although this work embodies in it very little actual physical exercise at the present time, it is most instructive as it teaches the elements of the game to those men who are not so familiar with the primary requisites. A great many men have already signified their intention of becoming members of this class, which is to continue up to the Christmas holidays.

With the graduation of three men this year, there will be a good opening for the new men who intend to try out for positions on the 'varsity' next year. This is the first time that any coach at Allegheny has ever inaugurated a course in football and from the way the men are taking hold of this opportunity, the prospects seem exceedingly bright for a winning team again next year. The popularity of the coach as an instructor will undoubtedly make this new method of teaching football a decided success.

GROVE CITY DEFEATS GOLD AND BLUE TEAM

Continued from Page One.)

Thomas punted to Dougherty on their 40-yard line. Both Green and Boone were held. Dougherty fell back for a punt, but Thorn faked and ran with the ball for a two yard gain. Dougherty kicked to Ricker who made the 28-yard line. Arnold failed to gain anything. At this most dangerous position directly in front of the goal posts, Trace fumbled and Greene recovered. At first Grove City tried the Gold and Blue line, but on making only four yards in three attempts finally Weil fell back and neatly kicked a goal from placement. After the kickoff by Thomas and a punt by Dougherty, the ball was on Allegheny's 25-yard line in their possession. There the quarter ended.

Second Quarter.

Munhall failed, Ricker lost three yards and Dotterrer's punt was out of bounds on Grove City's 45-yard line. Black and Greene together made the middle of the field. Thorn seemed good for a large gain but Arnold stopped him with only six yards. Dougherty's punt rolled over the goal line and was brought out to the 20-yard line. Dotterrer's punt went out of bounds on Allegheny's 41-yard line. Greene made two but Black was held twice; Dougherty tried a dropkick for goal. The ball in being kicked hit the back of a Grove City man and rebounded, giving them a loss when recovered. Allegheny took it on the 40-yard line, and Thomas punted to Dougherty on the 14-yard line. Dougherty in return punted to Arnold who ran ten yards to the Allegheny 30-yard line. Arnold made four yards. A forward pass was incomplete. Another, Dotterrer to Arnold, was incomplete. Thomas tried a place kick but it went low and was picked up by a Grove City man who was tackled by Brooks close to the goal line. Arnold ran Dougherty's punt back twenty yards to the Grove City 30-yard line. Arnold was covered before he could make a forward pass on the next play and it went incomplete. The half ended with the score 3-0, Grove City.

Second Half.

At the beginning of the second half Cox went in for Ricker at quarter-back. Thomas had the kickoff, and Boone, receiving, ran up to Grove City's 32-yard line. Thorn made a nice end run for eight yards before being tackled by Munhall. On the next play Green made the first "first down" of the game with a yard to spare. Boone and Thorn were both held, when Dougherty punted. Cox received and was able to make only about

four yards, stopping on the 35-yard line. A forward pass was then called, but Cox could not complete it and threw it to the ground. Trace failed to gain. Thomas ran with the ball instead of punting and lost seven yards. He then punted out of bounds with an advance of only ten yards. Pollock dropped back from tackle and ran for a gain back to Allegheny's 30-yard line. Green made five more. Thorn then called the famous old criss-cross, which worked perfectly. Gaut dropped back from right tackle, took the ball from McCord, the center, and passed it to Thorn, who circled Allegheny's left end for the first touchdown of the game. Weil failed to kick the goal. Score 9-0.

Thomas kicked off to Green on the 38-yard line. Black was held but Boone made three yards. Dougherty punted to Arnold, who ran up to Allegheny's 38-yard line. Munhall was held. Two forward passes were incomplete and Thomas punted to Thorn whom "Hez" Pierson downed on the 20-yard line. Black was held twice. Dougherty punted to Arnold who made 20-yards to Allegheny's 44-yard line. Two more forward passes failed, leaving the position unchanged. Metcalf was substituted for Trace during the last of this quarter. Score, 9-0, Grove City.

Fourth Quarter.

A forward pass to start the quarter failed, and as it was last down Thomas punted. Black was unable on the next play to gain from the position where he received the punt, the 15-yard line. Then Dougherty punted and Cox receiving ran up to the Grove City 32-yard line. Metcalf made three yards and Cox made three—Munhall followed with two of his best gains of the day, 15 yards and 11 yards, bringing the ball to the one-yard line. Cox made a dive and fell over the goal line for a touchdown. Thomas' kick was not good. Score 9-6.

Weil kicked off to J. Pierson. An end run for 18 yards by Metcalf gave Allegheny a first down. Arnold then made six yards, but a loss and an incomplete forward pass compelled Thomas to punt. The kick went over the goal line. When the ball was brought out to the 20-yard line Gaut advanced three yards. Dougherty and Green, neither one, could gain anything. Cox brought Dougherty's punt up to the 30-yard line, from where he worked a forward pass to the middle of the field. Emery went in for Thomas at end. Cox failed to make a gain on another run, but Metcalf, with his interference, made it all good by a long run of 18 yards around left end. The next play was undoubtedly the most spectacular of the whole game. From the 32-yard line Cox called a forward pass and

sent the oval spinning far off to the left corner of the field, where "Hez" Pierson was waiting. The catch was clean, and the ball was Allegheny's on Grove City's five-yard line. Here Munhall's line bucks were again called into play. On first try he made the two-yard line, but on the second he was held, on the third he made another yard, but on the fourth he was again held and Grove City took the ball on their own one-yard line. Instead of punting Dougherty touched the ball to the ground, giving Allegheny a safety. This move on their part started play again on the 20-yard line with the ball in their possession. Gaut failed but Boone made one yard. The next play gave Allegheny the ball on a fumble. Arnold's attempted forward pass was broken up. Metcalf tried a run but failed. Cox was waiting for the fourth down to try a kick himself as a last resort, and so called a forward pass for the third trial. As luck would have it, Grove City succeeded in intercepting this and thus shut off all of Allegheny's hope of scoring. The next minute the whistle blew. Final score 9-8, in favor of Grove City.

BIOLOGICAL CLUB RECENTLY FORMED

Continued from Page One.)

ing." The paper of the evening was read by Professor C. A. Darling, on "The Individuality of Chromosomes and Their Bearing on Heredity." The paper was very interesting and instructive and brought out a very comprehensive discussion by the members present. Another feature of the meeting was the roll call, when each member answered as the roll was called, with the Latin name of some species and then gave the common name of the same species. This caused quite a bit of amusement among the members. At the next meeting C. S. Burwell, '14, and W. A. Whiting, '14, will jointly read a paper on the biological research work done in Cold Springs Harbor, New York.
