Our Team Won.

DEFEATS THIEL THE SECOND TIME THIS SEASON—A HARD-FOUGHT GAME.

The Thiel foot ball team came to town on Saturday, accompanied by a crowd of rooters and a good amount of confidence that they would defeat Allegheny. This confidence was due to the fact that they had strengthened their team materially since we met them last, and to their belief that luck was against us for good.

While they were doomed to disappointment, they never for a moment throughout the game gave up, but fought stubbornly to the very last. The fierce game they put up is witnessed to by the number of men they had injured.

The day was an idel foot ball day, and a fine crowd turned out to see the game.

Although our foot ball team has been playing in hard luck, interest has not lagged, and the loyal supporters of the team deserve much credit.

Our team showed in the first half of the game that they could play foot ball. Receiving the kick off, they never lost the ball until Kelley had carried it across the goal line for a touchdown. This performance was repeated after the second kick off, and twelve points were scored in fifteen minutes of play.

After the next kick off Thiel braced up and held for downs, and for the first time during the game had the ball in her possession, being unable to make the required distance. Burmon, having the wind with him, punted almost 50 yards to our 5-yard line; here our usual luck asserted itself; with but a few seconds to play, Mook attempted to punt out of danger; our ends were far down the field awaiting the appearance of the pigskin, but waited in vain, as a Thiel man had slipped through our line and blocked the punt, and had fallen on the ball in less time than it takes to tell. The team lined up on our 5-yard line and Thiel hit our line twice, and gained a scant yard; with but fifteen seconds to play, Burmon was given the ball and in some unexplained manner he wiggled across our goal line for a touchdown.

In the second half the game was very fierce, after almost every line-up some one being found stretched upon the ground. Shaner was badly hurt having his hip dislocated. Kelley, our right guard, had the ligaments of his knee torn, but pluckily stayed in the game until he had his shoulder hurt and had to be carried from the field. Thiel's quarter back had his face badly cut, and numerous other injuries were received by members of both teams. No scoring was done in the second half and the game ended with the ball in Allegheny's possession on Thiel's 30-yard line.

The first half of the game was all that could be asked, but the second half was a poor exhibition of foot ball. There was entirely too much talk among the players, unnecessary jangling and the team work that was so marked in Allegheny's playing in the first half was sadly lacking in the second.

Kelley and Lampe were our best ground gainers, and McCartney never failed to advance the ball when called

upon. Mook, at quarter, played a brilliant game, handling the ball faultlessly. Williams at full was in every play and helped to gain many yards by supporting the man carrying the ball. In fact every member of the team put up a strong game. Not a first down was made around our ends and our line was very strong on defensive work. Thiel should not have scored, and their captain said after the game that he attributed the touchdown to luck pure and simple.

First Half.

Captain Taylor won the toss and chose to defend the south goal and receive the kick-off. Burmon kicked off to Ashley on the 10-yard line; Ashley advanced the ball 15 yards before being downed. On the first line-up Ashley took the ball on a trick play and circled the end making 40 yards. This play seemed to take the breath from the Thiel team and Allegheny pounded their line fiercely, never letting up until a touchdown was made. Lampe was given the ball for a cross-plunge at tackle; he deposited the ball 4 yards nearer Thiel's goal. Guards were called right and Kelley tore through the line for another 4 yards on a diagonal plunge. Ashley hit tackle for 2 yards, and McCartney added 5 on a straight plunge through the line. Taylor tried the end with halves over, but could make only two yards. Lampe now hit tackle again for 5 yards and McCartney added 3 more. With guards right Kelley was given the ball and crashed through the line, and by fine support he carried the ball over for a touchdown. Mook kicked goal. Score 6-0.

Burmon kicked off to Williams who advanced the ball to the 30-yard line. Lampe swung around the end for 5 yards. Ashley made 5 around the other end. McCartney hit the line for 3 yards, and Kelley added 3 more on a similar play. Allegheny kept up her line plunges until the ball was on the 15-yard line; at this juncture of the game Lampe took the ball through tackle for another touchdown. Mook kicked goal. Score 12-0.

Burmon kicked off again to Ashley who advanced 10 yards before being downed. Thiel's line was punctured repeatedly until the ball was carried to the center of the field. Thiel here took a brace and got the ball on downs. Burmon tried Fletcher's end and lost four yards. Taylor's end was tried with little better success. Burmon punted to our 5-yard line and Williams was downed on the 10-yard line.

Allegheny could not make the required distance, and Mook dropped back to kick the ball out of danger. A Thiel man leaked through our line and blocked the ball. It was now Thiel's ball on our 5-yard line. Two plunges into our line netted but a yard; with fifteen seconds to play Burmon wiggled over our goal line for a touchdown. Burmon kicked goal. Score 12-6. Time was now up for first half.

Second Half.

Mook kicked off to Burmon who was downed by Taylor on the 30-yard line. After gaining a few yards, Thiel was forced to kick; Mook fumbled the ball and a Thiel man fell on it. Thiel fumbled the ball and Williams fell on it. Allegheny again began hammering the line, and was marching very steadily towards Thiel's goal. On a

line plunge by our guards back formation, Shaner, Thiel's right half was badly hurt, having his hip dislocated. In the next scrimmage Kelley was hurt but pluckily stayed in the game. The game was now becoming fierce, and Thiel was determined to keep our team from scoring again. The ball exchanged hands several times. Kelley was hurt again and had to retire. Yard went to end and Taylor to half, Lampe going to guard.

The game ended with the ball in Allegheny's possession on the Thiel 30-yard line. Score 12-6.

TO GROVE CITY FOOT BALL TEAM—AN INTERESTING AND CLEAN GAME FROM BEGINNING TO END.

Wednesday was an ideal football day, just cool enough for fast work and not too cold for the comfort of the spectators. The gridiron was in fair condition and everything favored a fast, snappy football game.

Grove City's last game on her home grounds was with Geneva, and according to their story, had the officials been fair, they would have tied the score at least. As it was, they gave Geneva a hard game and succeeded in scoring on Geneva, the only team that has done so this year. With this good showing against as strong a team as Geneva, they felt confident of victory.

Their manager had refused to allow Mr. Humiston, our official, to officiate, and Grove City was given both officials. Their work for the most part was above reproach. They seemed to be a little careless in watching the ball, however, and allowed Grove City to steal the ball on several occasions, once when we were within striking distance of their goal.

The game was clean throughout and no dirty work whatever was resorted to by either side.

Our team went into the game in poor condition, not having recovered from the hard game of the Saturday before with Geneva. Fletcher was in the game for the first time since the Thiel game, but was hurt in the first few minutes of play and had to retire in favor of Harper. Lampe was suffering from a bad knee, but pluckily stayed in the game until the middle of the second half, Kelley taking his place on guard. Mook played his first game at quarter and to say the least, he played a remarkable game, not a fumble was due to him. He passed the ball accurately and ran interference very well. His work was all the

more remarkable since he had had but one day's practice at quarter, never before having played that position. It looks as if we had at last found the right man to fill that position. Williams was back in his old position at full and played a strong game. It was his first game since the W. U. P. game at Pittsburg.

Our line did splendid work. Grove City's bucks were unable to make any impression on it. Beyer at center played a star game, he repeatedly broke through the line and tackled the runner. Campbell at tackle played a strong game and repeatedly broke up the guards back formation. Turner was our best ground gainer and Lampe a close second. Ashley played a strong game both on offensive and defensive work. Grove City's gains were made mostly around the ends or between end and half and Eddie Campbell, of basket ball fame, was their principal ground gainer. He entered school there recently and according to the rules of our school he is ineligible to play on any college team. Our team is very much dissatisfied with the treatment they received at the hands of some of the Grove City students on the side lines.

Some one, who hadn't the proper idea of what a college student should be, or how a visiting team should be treated, appropriated a robe belonging to Coach Eisenburg and it was found necessary to appeal to Dr. Ketter to have it returned. He looked the matter up at once and discovered the one who had taken the robe and promised to have it returned. Now, this is anything but the kind of treatment a visiting college team should receive at the hands of any institution pretending to be a college.

The game was as follows:

First Half.

Capt. Taylor won the toss and chose to receive the kick-off and to defend the east goal. Locke kicked off to Ashley on the 10-yard line and he advanced the ball ten yards before being downed. Ashley made 5 through tackle. Lampe hit end for 5. Ashley made 3 on a short end buck. McCartney made 1½ at end. Lampe went through the line for 8. On the next play Allegheny fumbled and a Grove City man fell on the ball on the 35-yard line. Grove City made 5 through the line and then lost the ball on downs.

Allegheny now started again with her line plunges. McCartney made 2½ and Lampe made it first down. McCartney 4½, Williams 4, Turner 4½, McCartney 2. Allegheny fumbled on the next two plays and should have punted, but instead tried to make the distance. This gave Grove City the ball on the 40-yard line. On the next play Campbell, of Grove City, went 40 yards for a touchdown.

Allegheny kicked off to Grove City and Campbell got the ball on the 15-yard line and advanced to the center before being downed. The next three plays netted Grove City 20 yads. Then Allegheny took a brace and held for downs. At this point of the game Fletcher was hurt and had to retire in Harper's favor. Lampe made 4½, McCartney 1, Turner 2, McCartney 2, Lampe 3, Lampe 1, Ashley 6, McCartney 2, Williams 2, Lampe 3, Ashley 2, Lampe 3. Ashley lost ½ and Lampe gained 1. Then Mook punted 40

Here is a term of school almost completed and not a single college "sing." And this the red-letter year in the history of our college. What does it mean? Once before during this term The Campus asked for a revival of the college "sing" and its pleading apparently was of no avail. Now we want to ask you candidly is there a college in the country worthy of the name that is without her own college songs? We can answer the question for you. There is not. The reputation of the songs of the big eastern schools is national. How have they become so famous? Have the students simply printed them in a hand-book and carried it around in their pockets until they absorbed the spirit of the songs?

Perhaps they read them over in the quiet of their rooms. Or did they sing them again and again, day after day, year after year, sing them as a student body? We feel that it is unnecessary to answer this query. Are we as a college to have no college songs? Are we to go out from these halls as alumni without the strongest of connecting links to our alma mater? If we have the interest of the college at heart can we afford to neglect our college songs? Allegheny is lamentably weak in college spirit. How can we better remedy this weakness than by reviving the college "sings" and reviving them for aye? Can we not revive them in chapel? If that privilege be denied us, let us use the ten minutes after chapel for that purpose.

We cannot as a school afford to drop our college songs. We must not. We shall not. Now let us to work. Space does not permit us to say all we feel about the subject; we simply make these suggestions. We beg that you think of them.

The foot ball season is nearing an end. But three more games are to be played. On Saturday next our team meets the strong W. R. U. team at Cleveland. On Saturday W. R. U. defeated University of Buffalo 17-5, the University of Buffalo defeated Columbia 11-5, and Columbia defeated

U. of P. 11-5. Now if we can defeat W. R. U. on Saturday, we will clearly prove by comparative score that we are in the same class with the big four. Now surely that is a great incentive to hard work the coming week.

Our team showed on Saturday that it can put up a fine article of foot ball, and it was in a crippled condition. On Saturday every man should be in the game and in good shape. Leffingwell will be at his old place at end; in all probability Turner will be back in the game, and we should put up the fiercest game of the season.

The Saturday following we must meet W. U. P. Last Saturday they succeeded in making Geneva bite the dust. Now we have another chance to demonstrate that we are superior to Geneva by defeating W. U. P.

Our third and last game is with Westminster on Thanksgiving and we must win that game. While we have not been very successful this year so far, we can yet end the season with flying colors.

Now let us get to work. Why in the world can't the teams representing the several clubs come out and help our team get in fine shape. Have you no college spirit? Is your club game of more importance than the college games? You can only answer these questions satisfactorily by coming out and helping the team in every way possible. Let us end the season with a flourish. Come out and help put our college athletics where they should be. We need fifty men out every night this week. It is up to you. Will you do your share?

The Campus, in the name of the football team and in the name of "Old Allegheny," begs of you to come out and do your duty.

College Talent.

TWO MEMBERS OF THE PREPARATORY DEPARTMENT ARE NOW ARRANGING A SCHEDULE OF ENTERTAINMENTS.

Mr. Will S. J. Dumvill and W. C. Loomis, both of the Preparatory Department of the college, have pooled their histrionic talents and are arranging a schedule of performances. They have issued a neat circular which contains their pictures taken in character, their program and various newspaper comments.

Their entertainment is announced as "instructive, pleasing, entertaining, comic, pathetic and dramatic."

Their purpose is to give "something to please everyone—readings that take you back to the time of Shakespeare and orations that breathe the spirit of Demosthenes."

The following comments will speak for themselves:

Will S. J. Dumvill

"As it was said of Addison, so it might be said of Dumvill, he calls human beings into existence and makes them exhibit themselves."—Dr. Barnhart.

"He is comic, dramatic and eloquent."—Isaac Nailor, D. D.

"His appearance alone speaks untold eloquence."—Johnstown Times.

"He wrestles with invisible performers."—Sweeney.

"Will S. Dumvill's original compositions and orations are masterpieces of ingenuity."—Dr. Yeckel.

W. C. Loomis.

"His lecture at Creighton M. E. Church was a great success."—Tarentum Telegram.

"He entertained, delighted and instructed our people."—William Lynch, D. D.

"I consider him of extraordinary ability."—M. A. Millison, Principal Schools, Parker City.

"He is what the people want."—John Painter.

Their program follows:
Willie and His Mother (original)..
..... Dumvill
Coals of Fire Loomis
Selection from Shakespeare's Julius

Caesar Dumvill
"Wakin' the Young'uns" Loomis
The Arena Scene from "Quo Vadis" Dumvill
The Unknown Speaker Loomis
The Old Dog's Death Postponed....

..... Loomis
Controversy Loomis and Dumvill
Original Composition, "Kick Him on the Shins" Dumvill
Emotions of Life. Loomis and Dumvill
Song "Old Oaken Bucket," encore
Original Production

..... Loomis and Dumvill
Original Production in Five Languages Loomis

The Campus adds its recommendation to the large number already given to Mr. Dumvill. Mr. Loomis is a stranger to Meadville audiences, but we trust he will afford us an opportunity to hear him.

The program seems to be an interesting one and certainly so many original productions should not fail to attract large audiences. We have already had the pleasure of hearing Mr. Dumvill in his rendition of "Kick Him on the Shins" and we do not hesitate in saying it is the most dramatic, forcible and humorous production we have ever heard.

The Campus joins its readers in urging the Messrs. Dumvill and Loomis to favor the college with a performance.

Attendance at the Saturday evening meetings is good. Last Saturday the service was conducted by Harry Gregg and was full of interesting data concerning missions.

Lack of Men in the Church.

A POWERFUL SERMON BY REV.
LUCIUS H. BUGBEE.

Words of Wisdom and Eloquence on
a Subject That Has Puzzled Minis-
ters of All Church Denominations.

The Sunday evening sermon in the First M. E. church was for the especial benefit of the men, and the talented young pastor, Rev. Lucius H. Bugbee, talked earnestly and logically to those of the masculine gender. The text was from the words of Saint Paul: "Quit you like men. Be strong in the faith of Jesus Christ."

The pastor began by saying that it is a lamentable fact that in churches of all denominations only from one-third to one-fourth of the members are men. At the prayer meetings the ratio stands about ten or a dozen men to fifty or sixty women.

Not a few men refuse to be church members or attend divine services because some connected with the church are not true to its teachings nor to their fellow-men. The church has never been perfect and never will. The millenium will have arrived when the church is absolutely perfect. It is an earthly institution and church members and preachers also are not immune to the frailties and weakness of humanity. But it is a lame excuse for any man to absent himself from church membership or church fellowship by reason of the imperfection referred to.

Again, busy men of the world say religion is good for women and children, but is not needed by strong, broad-shouldered men who labor to run the machinery of the world. This theory is wholly wrong. No man is so strong, either in mind, character or body, that he can afford to live without religion or church influence. The church, notwithstanding its admitted faults by reason of man's proneness to do evil, stands for the highest ideals. No other institution can supply the place of the church. If God is, no man can live as he should without Him. A man who lives without religion and plays his profession or trade minus the proper regard for the Supreme Being and His claim upon humanity, goes to his work doggedly and performs it simply because he has to in order to make a living for himself and those dependent upon him.

God's temple is being erected all over the universe, and all men are expected to have a part in the building of the great structure. Let no man absent himself from his post of duty when the hour arrives for labor. All men love strength and manliness in every form, and the brawny man's strength is needed to uphold God's kingdom. He must not, he should not shirk his duty in the church. Four rules, old but ever new, were laid down by the speaker for the guidance of men, especially those who regard religion and church lightly, as follows:

1. Put away your sins.
2. Pray.
3. Read your Bible.
4. Seek the fellowship of the church.

WILL HE DO IT?

President Crawford Reports Progress
in Raising the Endowment Fund.

Dr. Crawford returned from Pittsburgh on Friday and gave a rousing talk in chapel Saturday morning. He reports progress in the task of raising the \$140,000 required by Jan. 1 to insure the \$200,000 endowment fund. In the next two months he will have to raise \$50,000 to complete the fund, but we are sure that Dr. Crawford is equal to the task. He has been working untiringly in the interest of the college, and has been compelled to be absent from the college much of the time this fall. The students were all glad to see him back in chapel on Saturday morning, and greeted him with hearty demonstration. The progress of the endowment fund is being watched with much interest by the entire student body, and every report of progress is enthusiastically received.

yards. Grove City here made two good end runs for a total of 55 yards, bringing the ball to Allegheny's 20-yard line. Grove City then fumbled but was given the ball by a bad decision on the part of the official. Then Allegheny took a brace and held for downs. Turner made 4, Lampe 3, Taylor 15 on a trick play around end, Ashley 4½, Lampe 3, McCartney 2, Turner 10, Ashley 4, Lampe 2, Turner 4, Lampe 3, Lampe 1, Lampe 5, McCartney 2. The ball was then stolen from Allegheny and the official gave the ball to Grove City, but they could not make the required 5 yards in three downs and lost the ball. Lampe made 2 and then 3, Turner 4, Lampe 2. Time was called with the ball in Allegheny's possession, 20 yards from a touchdown.

EXCHANGES.

The departments of forestry, civil engineering and veterinary surgery show increases.

President Hadley has advised Yale students not to bet on the results of their athletic contests.

Fifteen hundred Michigan students will accompany their team to Columbus for the game with O. S. U. November 9.

On account of lack of interest, the Athletic Board of O. S. U. has decided that that university will not be represented in basket ball this year.

There is a big "scrap" now on between the frats and the literary societies of Ohio State University over the control of the board which will publish the college annual.

Oberlin College has just recently received an additional gift of \$40,000 from Louis H. Severance, who was the donor of the Severance Chemical Laboratory of that college.

390 Freshmen were enrolled at the beginning of Princeton's one hundred and fifty-fifth year. The increase is not as great as was predicted, but nevertheless 1905 is the largest entering class on record.

At Champaign the Sophs treated the Freshmen to a "cow-back-ride," and then gave them a cool bath in a neighboring pool, while at Iowa City the Freshmen were victorious and burned the Sophs in effigy.—Knox Student.

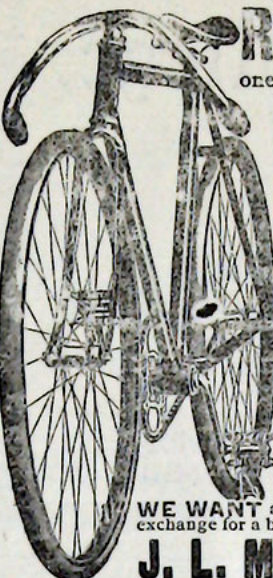

The University of Cincinnati football team has disbanded. The medical students, who form the greater part of the team, have withdrawn and will organize a team of their own, under the name of the Ohio Medical College team.

The Yale faculty has recently provided that every student shall be allowed to take thirty cuts a year without penalty. It also decided that exceptional regularity in attendance may diminish the number of recitation hours a year in a course from sixty to fifty-eight. This arrangement will allow candidates for the athletic teams to take a large number of cuts to make up the deficiency after the close of the athletic season.

The students and co-eds of O. S. U. are decidedly at odds just now. A few nights ago, the girls gave a fancy dress ball. The students appeared with night-shirts over their other clothes. As a result, they were excluded. In retaliation, they intend to give a "Hobo Party," no girls being invited. They have declared their independence, and have sworn to eschew female society. Heavy penalties are set for the student who yields. This means no more of those heart-to-heart talks, so dear to both sexes.—Enquirer.

At the Women's College in Baltimore, the Freshmen were hazed and terrorized lately by members of the upper classes. It seems that the Sophomores invited them to a tea, and on their way they were captured by ominous figures in black and taken to the gymnasium. There the "old men" decked out in fantastic costumes, forced the sweet girl "Freshmen" to perform every conceivable variety of "stunts," and otherwise mistreated mores were the hosts at the banquet them. To make amends the Sophomores that followed.

The University of California has an organization called the Associated Students. Including practically all the students in the institution, it aims to direct the conduct of the student body. When anything occurs which violates the traditions of the University, the offender, instead of being called before the President is summoned to appear before the Associated Students and he is either convicted and punished or cleared. They have formulated a code of honor which deals especially with cheating in examination, stealing from the gymnasium or laboratories, and other offenses too common in our schools.

The trouble with those people who want you to understand that they have an opinion of their own, is that they will not keep it for their own private use.

Dr. Crawford's presence made the chapel exercises seem like those we had away back in the happy past, when gifts were announced daily and athletic victories were referred to in every speech.

The Quill club will hold its semi-annual meeting on Tuesday evening at the home of Prof. Munroe. The meeting will be called at 8 o'clock and after the business of the club is finished a social evening will be spent.

All but six members of the faculty and six of the students have paid for their foot ball season tickets. Merrill is keeping accurate score and will later announce in the Campus whether the "grinds" or the "profs" pay in first.

The Mikado which was so successfully given last week, included many of the college people. Herbert Taylor as Nanki Poo, Fred Smith as Pooh Bah, and R. H. Beveridge as Pish Tush took leading parts. In the chorus were found many of the members of the Glee Club, and several of the young ladies of the college.

The members of the Quill club are chosen from the college students who are in any way connected with newspaper work, either as members of the boards of the college publications, as correspondents of any newspaper. An invitation is extended to all who are in any way connected with any paper to be present at the meeting on Tuesday evening.

tive clubs made good plays. Both clubs played well and showed the result of much practice. Miller and Small did good work for Chautauqua club while Hall's stars were Lininger, Plannette, Moran. Line-up as follows:

MEETING OF CLASSICAL CLUB. Tuesday Evening, Nov. 5.

The Classical Club held a very interesting and instructive meeting on Tuesday evening of last week.

The paper of the evening was read by Prof. Horton. His subject was "The Classical Allusion in Carlyle's French Revolution." News items were read by Miss Rodgers. A magazine summary was given by Miss Peck. Her theme was "A Walk Through Rome." Prof. Elloit gave the current periodical report.

Prof. Horton's paper was very suggestive and instructive. He argued that the wonderful vividness with which Carlyle portrays the dark scenes of the French Revolution is due largely to his classical allusion. The paper was a masterpiece.

A SLIGHT BLAZE IN HULINGS HALL.

A piece of burning brimstone from a match head set fire to the curtains in Miss Marsh's room on Sunday morning about 5 o'clock. The flames very quickly spread, destroying curtains, draperies, carpet, etc., and badly scorching the wood-work of the room. Mr. Morford happened to be in the Hall and, with the aid of the girls, succeeded in extinguishing the flames without the aid of the fire department.

It is said that the girls showed unusual coolness, and didn't throw a single looking glass out of the window but quietly began packing their trunks.

In the annual class rush at the University of Wisconsin, the Freshmen were victorious over the Sophomores. The President of the University and many professors were interested witnesses of the contest.
