Dear Mr. Brunyate:

I am just back from a little holiday and find on my desk your generous letter of September 10th. I am very glad that you are willing I should try to do something with the picture. I shall take it up as soon as possible with some editor who is interested in Licolnana. Of course, anything that I shall write in connection with the picture I should want you to look over.

Very sincerely yours

Ida M. Tarbell
