

Bethel Ct Dec 55, 1924

Dear Miss Parkes:

Mrs Andrews  
recommends the Lincoln saying  
that I sent her, thinking  
she might use it, as she did  
the Common Bay. So I am  
sending it to you. If you  
use it, it might immediately  
follow the Common Bay.

I am enclosing, also, two  
pictures. They were printed in  
an local news paper, at  
Sunderborth.

Of the one regarding the  
Battle of Gettysburg, I will say  
that, as I read "The Education  
of Army Officers," the coincidence  
of facts between England and  
the United States, especially  
the middle of September  
1862, seemed very interesting,  
and led me to the con-  
clusion brought out in  
this paper. As far as I

know. I am the only person  
who has noticed this relation -  
so important - between these  
historic events.

I presume you may have  
no use for these two; but  
you may be interested in  
them, as they are the  
very articles I have, upon my  
return from, at your convenience.

I shall be pleased to  
see you again, when you  
are in the neighborhood.

Sincerely yours

P. E. Wing
