Mr. George A. Dondero
522 Washington Square Building
Royal Oak, Michigan

My dear Mr. Dondero:

I am finally back in New York from my speaking trip and am hastening to fulfill my promise to send you an autographed copy of my book "In the Footsteps of the Lincolns" as well as one of "He Knew Lincoln." I am sorry that I have no first edition of the latter or I should send it to you - they are becoming rather difficult to get.

I hope you and Mrs. Dondero will accept these books as a souvenir of my pleasant visit with you at your home in Royal Oak on Lincoln's Birthday. It was a real pleasure to be with you, and, as I said at the Dinner, I never anywhere had an audience on Lincoln's Birthday that moved me more.

Hoping that you are all well, believe me

Cordially yours
