Final Battalion Parade

STUDENTS ARMY TRAINING CORPS UNIT REVIEWED BY PRESIDENT CRAWFORD. FINE SHOWING.

An inspiring ceremony was a feature of the closing days of the S. A. T. C. at Allegheny College. On Wednesday afternoon, December 11, at half past four, Dr. Crawford reviewed the battalion on Montgomery Field. On this occasion the military band made its final apeparance as a military unit, but it is understood that the band will continue as a college organization. The field was in wretched condition, the deep mud making it a matter of great difficulty to hold a line properly, yet the men made an excellent appearance showing the results of their arduous work on the drill field of the past two months. Only hard work and the direction of first class officers could show such a result after so short at time.

The ceremony was more than a formal review, it was the last important military formation of the S. A. T. C. unit of Allegheny College. Apropos of the approaching dismissal of the men from service in the Army of the United States, Lieutenant Brewer read the following General Order from Brigadier General R. I. Ross, of the General Staff:

WAR DEPARTMENT
Washington, D. C.,
December 2, 1918.

GENERAL ORDERS OF THE DAY.

1. The Students' Army Training Corps was inaugurated at over five hundred and fifty American universities, colleges, professional and technical schools on October 1, 1918. By direction of the Secretary of War on November 23, 1918, all units of the Students' Army Training Corps will be demobilized between December 1 and December 21, 1918.

2. The Committee on Education and Special Training of the War Department desires to express to the officers and men of the Students' Army Training Corps its recognition of the fidelity with which they have discharged their duties under the difficult conditions which have so generally obtained the past three months. In spite of the serious effects of the influenza epidemic, and the many new adjustments incident to the working out of a new plan, the Students' Army Training Corps has already served a useful purpose in supplying officer material, and had reached a point of development at which its success as a military project was assured. Created to meet purely military needs, and involving the temporary subordination to these needs of the normal collegiate activities, its further continuance is now no longer necessary. Both the men and the educational agencies which have been utilized must now be restored to their normal status and devoted freely to the peaceful development of the national life.

3. This war has been won by the united efforts of all the friends of mankind and of civilization. Comparatively few have had the good fortune to meet the enemy face to face, but the credit for the victory belongs to all who have served loyally. You were called upon to remain temporarily at your studies, because the Army needed a reserve of trained leaders. You have been eager to play a more direct and exciting part in the war. Nevertheless, you have done the work required of you, which is the full duty of a soldier. You can now take back with you to your homes an honorable record of service. You have earned the gratitude of your country, and you may now devote to the upbuilding of your country and to the restoration of civilization the same soldierly allegiance and trained intelligence which fitted you for service in time of war.

R. I. ROSS,
Brigadier General, U. S. A.,
General Staff Corps,
Chairman, Committee on E. & S. T.

Y. W. C. A.

The Sunday evening service was a Christmas meeting led by Miss Zella York, '19. Lighted candles and the green branches of fir trees added much to the effectiveness of the meeting. After a vocal solo by Miss Elizabeth Carew, '20, Miss York told over again the old, old story. Reference was made to its special significance for as this year more than ever before. At the close of the meeting, a quartette composed of the Misses Henrietta Leyda, '19; Helen Abrams, '19; Cecil Edwards, '19, and Claire Gates, '19, sang "Holy Night, Silent Night."

Courses for Second Semester

REGISTRAR ANNOUNCES COURSES TO BE OFFERED AND ADJUSTMENT OF HOURS.

The work of rearranging the schedule of classes and of endeavoring to arrange new courses which will be available at the beginning of the second semester has been going on constantly with the result that the Registrar has been able to announce the following courses which students may take up the first of February: French I, five hours per week; Latin I, four hours; Virgil (secondary Latin), five hours; Physics VII, three hours; Physics VIII, three hours; Philosophy V, three hours; English I, five hours; Political Science II, three hours; Political Science IV, two hours; and possibly some others. There will be a course in Solid Geometry if there is sufficient demand for it. A course in Physics IV has also been decided on, the hours for which are to be arranged. It will be given from three to six hours a week.

The course in French I, which will be given five hours a week, will cover enough work so that students who begin this course the first of February will be able to begin French II next fall. English I, also a five-hour course, beginning the first of February will cover practically all of the work given in the normal course of three hours a week throughout the year. This means that students who have been members of the S. A. T. C and who were not able to take up either French or English can enter these courses the second semester and practically complete the work of the Freshman year. In addition to the arrangements completed in the French and English departments for the accommodation of first year students the intensive courses given under the S. A. T. C. schedule in Chemistry I and Biology I will be cut down to three hours a week for the Biology and two hours a week for the Chemistry. Thus there will be an opportunity for students to get in the extra hours in French and English and the course in the science departments will be balanced to correspond with a normal year. That is, Chemistry I, for instance, which is normally given four hours a week throughout the year, has been a six hour course for S. A. T. C. students the first semester and will be cut down to two hours a week the second semester which will give the student the normal credit of eight semester hours for the course.

In the Chemistry department new courses will begin immediately after the Christmas vacation. This is because different conditions obtain in that department. There will be no course in Chemistry I, for all students who wanted this course were able to take it last fall as it was a course designed for S. A. T. C. men. Those courses which will begin the first of January are Chemistry V, VI, and IX. They will be given six hours a week until the beginning of the second semester and four hours a week for the rest of the year.

From the above it is evident that the faculty has gone to great pains to offer exceptional opportunities to those students whose work has been affected by the S. A. T. C. No student need leave school on account of not being able to make out an advantageous schedule. In fact, the opportunity is offered to make this year the most profitable of any from the standpoint of academic work accomplished.

MEN'S STUDENT SENATE.

Due to the Students' Army Training Corps and the military control under which the majority of the men of the college have been, the Men's Student Senate has not met as an organization thus far this year. Now, with the return to normal conditions the need of the Student's Senate Organization is again felt and the body will meet in the near future to consider several matters of importance.

The members of the Men's Senate now in college are: G. R. Barr, '19; G. D. Patterson, '19, and P. H. Williams, '21. Since four are required for a quorum meeting of the Senate, it was decided to appoint N. W. Kerr, '20, a member of last year's Senate, to temporarily fill the vacancy. This matter was presented to the student body by President Crawford Monday morning in Chapel, and as there were no objections, Mr. Kerr will act on the Senate until a quorum of members are present in college. It is expected that all members of the Senate will return for the second semester and consequently elections to fill the vacancies, if any, will be withheld till then.

Work of the Blue Triangle

ACTIVITIES OF THE Y. W. C. A. DURING THE YEAR OUTLINED IN BRIEF.

The work of the Y. W. C. A. this year in Allegheny has been many sided and various. After the first greetings were given to the Freshmen girls, and all efforts made to get them properly initiated into the College atmosphere; as in all organizations, the work was delayed and held up by the influenza epidemic. Nevertheless the annual bacon bat, which has not been held for three years, came off the first Saturday afternoon, and the girls were delighted to have as their guest Miss Beulah Hayden, a special War Work Secretary from the East Central Field.

The first Sunday night meeting was given over to a resumé of the war work of the Y. W. C. A. by Miss Hayden. The next few weeks the meetings and work, too, were disorganized due to the uncertainty of the influenza situation.

During these weeks, the work of the Social Service Committee is due special recognition. It was through their active co-operation in securing the girls to help out in the house affairs, that the machinery of the household was kept moving.

As soon as conditions were back to normal, the Membership meeting was held, and at this time the work of the various committees was explained. It seems to be proof that this organization is one in which it is desirable to have membership, for with but very few exceptions its roster includes the entire enrollment of the women of the college.

From the time of the membership meeting the work has ben going on in its regular course. The Bible Study Committee, at the very beginning of the year, inaugurated a new form of morning watch which has been very favorably tried out. From six forty-five until seven fifteen each morning the reading room is open for all of those who wish to spend a few moments at the beginning of the day's work with God. The Bible Study classes are now under full way, and the enrolment is large. The Senior book, The Social Principles of Jesus, is being discussed under the leadership of the Mises Cecil Edwards, '19, and Nell Reniers, '19. Miss Margaret Houghton, '19, has charge of the Junior Group, which is studying The Meaning of Prayer. There are two Sophomore classes, under the leadership of the Misses Alice Robinson, '20, and Susan Jenkins, '20, discussing "A Life at Its Best." The Freshmen classes are discussing Student Standards of Action, and the Misses Helen Shuster, '21, Ethel Powney, '21, and Florence Miller, '21, are leaders.

The enthusiastic Alleghenians who attended the Summer Y. W. C. A. Conference at Eagles Mere gave a splendid presentation of their trip, good times, meetings, and leaders at one of the Wednesday evening meetings. An Eagles Mere Club has been formed, the membership of which is made up of all those who attended this conference. All may know that Allegheny was in the foremost ranks with such representatives as Mrs. Akers, Mrs. Ling, the Mises Helen Abrams, '19; Henrietta Leyda, '19; Doris Stockdale, '19; Anna Nelson, '20; Leda Brooks, '19; Dorothy Evans, '20; Mrs. Ruth Ellis McKay, ex-'19; Irene McCallister, '21, and Louise Root, '19, in attendance at the Conference.

The World Fellowship Committee, which was formerly known as the Missionary Committee, has been doing such active work that the pledges for Our Sister College, at Lucknow, India, for this year have been doubled. This last week four Allegheny girls, The Misses Ruth Fithian, '19; Zella York, '19; Edith Newmaker, '20, and Ruth Sjoberg, '21, were present at a meeting of the General Executives of the Woman's Foreign Misionary Board of the M. E. Church, held in Cleveland. Miss Fithian presented the "Claims of Our Sister College" in a four minute speech, competing with representatives from other colleges in the district having sister colleges. Among these colleges were Wooster, Goucher and Baldwin-Wallace.

The girls responded well to the call of the United War Work Campaign. The committee comprised of the Misses Mildred Hazen, Madeline Rishell, '19; Anna Nelson, '20; Dorothy Roach, '21, and Gladys Tuck, '21, are to be commended for their tireless efforts.

The same week as the United War Work Campaign, the World Fellowship Week of Prayer was observed.

Lit Monthly to Appear

PUBLICATION OF FIRST ISSUE BY JANUARY 15. PROSPECTS FOR YEAR VERY PROMISING.

The Literary Monthly, Allegheny's famous and old-time literary publication, is again to make its appearance in the college as formerly. An able staff of editors has been busily engaged for the last month in making all necessary arrangements for the publication of the Literary Monthly by January 15. Miss Ruth Miller, Editor of the Literary Monthly, stated that there would be only three issues of the magazine, one in January, the second in March, and a Commencement number in May; but that each issue would be a double number.

The Literary Monthly of 1919 promises to surpass all previous attempts and efforts. The first issue of the Lit. Monthly will contain twice as many pages as were printed last year. There will be many excellent stories, poems, essays, parodies, humorous sketches, and other literary material which will be written by Allegheny's best genius and literary alumni. The "Lit" is ready at all times to receive material from "new" writers; therefore, if any of the readers feel themselves inclined in a literary way, let them write down their thoughts, ideas, cogitations, deliberations, imaginations, notions, or whatever one desires to call them, and submit such worthy material to a member of the Staff.

The following is the Staff of the Literary Monthly:

Ruth Miller, '19, Editor.

Gertrude Thomas, '20, Associate Editor.

Gladys McKinney, '20, and Helen Milhoff, '21, Sub Editors.

T. C. Colley, '21, Business Manager.

Basketball Now Under Way

SCHEDULE PARTIALLY COMPLETED. SHOWS CALIBRE OF ALLEGHENY'S BASKETBALL.

Coach Gilbert has Allegheny's cage department of athletics well under way for this year. Captain Volk and Kerr, letter men from last year, and Dunbar, a sub from last year, are practicing with the team. Meredith, last year's center, and Preston, a subforward, are coming back after Christmas. About twenty first year men are out for the team, some of them very likely candidates for positions. Coach Gilbert sends his plea for more men to report for practice. There is much basket ball material in school, and these men are asked to come out.

At present Manager Wendell Gordon has two games with Geneva, one at Meadville and one at Beaver Falls, one with Penn State at Meadville, Carnegie Tech and University of Pittsburgh at Pittsburgh, Hiram, Colgate and Bucknell here at Meadville. Games pending are with Washington and Jefferson, West Virginia University, Grove City College, Westminster College, Syracuse University, Universities of Buffalo and Rochester, and Cornell University. The personnel of this roster shows the basketball reputation of Allegheny. It is to be hoped that a schedule including the above can be arranged, and, at any rate, prospects for a good basket ball season are very bright.

KALDRON TO BE PUBLISHED.

Subscriptions Taken by Manager Laffer in Kaldron Rally. Rates Announced.

Last Thursday, the Chapel period was turned over to the management of the "1919 Kaldron." Dr. Shultz remarked that interest in the "Kaldron" should be promoted from now on till the issue of the book at Commencement time. In the absence of Editor Charles L. Jones, Miss Musette Clouse, Asistant Editor, told of the place of the "Kaldron" as the College Annual. C. C. Laffer, Jr., Manager of the new book, then made his plea for subscriptions. Blanks were passed around for new subscriptions. The result was approximately two hundred and seventy-five signatures.

The rates for this year's "Kaldron" are as follows: If a deposit of $1.50 is made with the Manager before the end of the first semester, the book can be purchased by paying $1.00 more upon the issue of the book, a total of $2.50. In case no deposit is made before the end of the first semester, the price is $3.00.

Football Letters Presented

EARL HOMAN, '21, ELECTED CAPTAIN FOR NEXT YEAR. INDIVIDUAL TEAM WRITE-UPS.

The names of the letter men of Allegheny's football team this year were disclosed last Friday in Chapel, when the presentation was made by President Crawford. President F. W. Morrow, of the Athletic Association, called the thirteen chosen ones to the rostrum and President Crawford, of the College made the presentation speech, according to the time-honored custom. He lauded the faithfulness with which the football men worked and the determination with which they overcame the difficulties which the military regime placed on the development of a standard team. The thirteen men were: Captain Norwood Kerr, Joseph Baldwin, Earl Homan, Arthur Kramer, Walter Welty, Roger Baldwin, Horace Dale, James Cullinan, James Kamerer, Vernon Eayge, Malcolm Mansfield, Dan Murphy, and Manager Leon Pierson. These men have met since to elect a captain from among their number for next year. Their selection was Earl W. Homan, '21.

A short write-up of each of the letter men follows:

Captain Kerr.

"Snivy" was one of the mainstays on the football team. He played in every game, and his position as quarterback gave him the position from which he could best direct the team as captain and at the same time direct the plays.

Joseph Baldwin.

Joe played his usual starring game for Allegheny. His end-run specialties appeared spectacular at times from the side-lines. It is to be regretted that he will leave the team this year. Allegheny can safely say one of the brightest shining lights in her football annals is to be lost by graduation.

Captain-elect Homan.

This is our new captain. He came here with a high school reputation, and has maintained it consistently. He played especially well in the Grove City game, playing his position as center in such a manner that the older students are reminded of the Pitt-Allegheny game in which John Harbaugh showed the famous Bob Peck a few things about the offensive.

Arthur Kramer.

Kramer was one of the herculean specimens on the football team. His business was to get his man, and in doing this he showed some of the old "fight" which he demonstrated last year as a Freshman.

Walter Welty.

Wally Welty—Atlas. Surely that name fits him. As a tackle he was one of the mainstays of his side of the line, and rare were the occasions when plays were directed against him as a weak defensive man.

Roger Baldwin.

Here is the fighter of the team. By the way in which he broke up enemy formations he demonstrated the fact that he was not "yellow." A man like he is on the gridiron deserves a good write-up.

Horace Dale.

Horace Dale was a strong man on the defense. Some of his flying tackles stirred the Allegheny fans to a keen appreciation of the fact that this new man was a "comer."

James Cullinan.

Grove City and Westminster thought this man was a professional. As a tackle on the left side of the line he vied with Roger Baldwin in showing his fighting ability and strong offensive.

James Kamerer.

"Jimmy" Kamerer has showed Allegheny that a light man can make a football team. His light weight was no hindrance to him, for by his heady playing and ability to "pick the holes," he made himself one of the steadiest ground-gainers on the team.

Vernon Eayge.

Our fullback was a strong man on the offensive. His excellence was shown as a line plunger and as a strong man on interference. He delighted in spilling his man and keeping the way clear for the others of the backfield to gain their ground.

Malcolm Mansfield.

This youngster is game and carries the ball well. When Joe Baldwin was crippled, Mansfield took his place and filled his shoes well.

Dan Murphy.

Murphy in his guard position, played a steady even game. His work was not spectacular, but if Allegheny's line were all Murphys, rest assured it would play its part.

EDITORIAL.

Every year there goes forth the old, old request for competition, more competition for the Campus Staff. And every year the response comes in a greater or lesser degree of competitive work which is invaluable to the paper.

For the benefit of those who are new to Allegheny, the method of choosing the personnel of the Campus Staff is herein outlined. Competition is open to any man or woman in college and the reporting of news is the criterion by which the Staff members are chosen. Quantity of material turned in to the Editor is the first and most important element; quality and style play an important part; and lastly the quantity of news material actually published has its weight in the final selection. To enter Campus competition, begin now and write up every scrap of college news you can find. It is surprising how much news one can find when one is on the hunt for it. Place your write-ups in the Campus box in the hall of Bentley before Saturday noon weekly. The write-ups earliest in are the most likely of publication, although material handed in a little late will still count on the quantity basis.

You may know nothing whatever about newspaper writing and the work may go very slowly at first, but ease in writing comes quickly with practice, and every article makes the next easier. Always attempt to strike the important note of your news in the introduction, summarizing the article in brief; then extend and elaborate in the succeeding paragraphs. If you are new at the work don't be afraid to try—you may make a big success of it.

Any member of the Staff will be pleased to give information to all desiring to enter the competition. Here is an excellent opportunity to enter college activities, gain valuable experience, and support your college. Competition is needed and the Staff expects the work to begin with the next issue, the week succeeding the Christmas vacation.

Allegheny publications are again in full swing with the Literary Monthly Board promising the first issue in January, the Kaldron Board at work upon the year book, and the second issue of the Campus now off the press. All of these publications were more or less hard hit by the war, and were forced at times into a period of idleness, but all have succeeded in coming through the difficult period with nearly the normal record. Now that the pressure of the national crisis is removed, it is to be hoped that college men and women will enter the fields offered by these publications with new zeal, and that a standard of excellence will be set in the case of each worthy of the new period in Allegheny's history.

ALL DISCHARGES EFFECTED.

Men of Allegheny S. A. T. C. Unit All Mustered Out of Service by Dec. 13.

Friday evening, December 13, marked the demobilization of the last group of men in the S. A. T. C. As each man received his discharge, he felt that a great responsibility was removed from his shoulders.

The men were discharged in three different groups: the first group comprising those men who did not expect to remain in college after discharge, the second and third groups comprising those men who expect to remain in college throughout the year. It was supposed that the men in the final group would not be discharged until Saturday morning, but contrary to expectation they received their discharge with their last pay on Friday evening. It is needless to say that there was no complaint as the result of this action. With a large percentage of the men the receiving of discharge papers produced an almost spontaneous result. This result showed itself in the departure of about seventy-five men for their respective homes. Quite a number of the men, however, expect to stay until the beginning of the Christmas vacation. In this way they will receive credit for three month's work in college.

All persons discharged have the privilege of retaining their uniforms until four months after the date of their discharge at which time they must send their equipment to the nearest Quartermaster's Depot. All persons remaining in college may retain their other issued goods, such as cots, blankets, etc., until the twenty-first of December. It is not fully understood whether the Government will bear the expenses of the men from the day of their discharge to the close of the S. A. T. C. semester.

The general effect of removing of Government service is very much in evidence. The saying that one extreme follows another is well illustrated by the slackness that is found in all the barracks. If the regular Saturday morning inspection should now be made, officer material would be lacking.

Since the responsibility is removed from the men, it is hoped that we will soon be able to return to the environment found in normal times, and that the traditions of old Allegheny can be upheld.

FRATERNITIES ANTICIPATE RETURN TO NORMAL CONDITIONS.

These days following the demobilization of the S. A. T. C. are a period of great activity by the fraternities which are working hard to get their Houses into shape to live in after the Christmas holidays. The floors and walls of all the Houses that have been occupied as barracks are in need of refinishing. Hob nailed boots have been hard on waxed floors. As the policy of the Government has thus far been liberal it is expected that the fraternities will be justly reimbursed for this damage to their houses as the amount received for lodging the members of the S. A. T. C. has not been sufficient to pay the running expenses and to make up the sum required to make the improvements specified by the Government. It is estimated that the sum required to repair the damage will be between seven and eight hundred dollars for each fraternity.

FRESHMAN DORMITORY ARRANGEMENTS.

Arrangements have been completed by the college authorities to provide lodging for all of the Freshman men who expect to remain in school during the remainder of the year. A thorough canvas of the town in the vicinity of the college has revealed the fact that there are only about six rooms available for college students in private homes near the campus. This will necessitate crowding a little in the Cochran Hall dormitory, but by putting two men in each room all can be accommodated. A uniform price of forty dollars per man for the remainder of the year, beginning January first, has been decided upon as the price for lodging at Cochran Hall. Permission has been given the men of the S. A. T. C. to keep their cots and blankets until December 21, so that they can remain in the barracks where they have been living until the beginning of the Christmas vacation.

Keep's is best place to come. Everything new.

OPEN HOUSE AT HULINGS HALL.

On Sunday December 15, there took place at Hulings Hall the last of a very pleasurable series of teas given under the direction of the Women's Senate and the Y. W. C. A. The invitation was extended to the men in Cochran Hall Barracks and the non S. A. T. C. men as well as some others. The men from each of the other barracks had been entertained on preceding Sundays. Mlle. Felicie Sabalot, '22, opened the program given last Sunday with a mandolin solo, whom Miss Clara Weller, '22, followed with a reading. The next number was a vocal duet by the Misses Genevieve and Josephine Hovis, both members of the Freshman Class. Profesor Ward then rendered a very pleasing solo, while Miss Ruth Miller, '19, closed the program with a piano solo. After the program refreshments were served.

Though these teas were first held as a means of entertaining the men of the different barracks during the military regime, they have done so much to promote the social life of the college that it is rumored perhaps they will not go out of fashion with uniforms. At all events it is certain that the members of the S. A. T. C., as well as the rest of the men of the college, feel deeply indebted to Miss Rowley and the women of Allegheny for some very pleasant afternoons during the first part of our college year.

Special Dinners and Luncheons served on order at Tea Room.

ALLEGHENY'S FRENCH STUDENT.

October first, College opened with sixty-five new girls, among them one petite fille française, Felicie Sabalot. She arrived weary after a long journey from her home in Bordeaux, France, from whence she started September sixteenth, landing in New York September twenty-seventh, on the steamer Espagne. Mademoiselle Sabolot was one of sixty-five French girls being sent to this country by the French Government to be educated by the different American Colleges. The selection of girls was based upon scholarship.

Felicie is rapidly adapting herself to her new work and the customs at Allegheny. She has expressed a great liking for her new surroundings, also her dislike for the mid-night fire drills at Hulings Hall. The young women of the institution are greatly interested in Mademoiselle and are doing all in their power to make her happy in her new home.

MEN RETURNING FROM THE SERVICE.

Not only will Allegheny have a record breaking Freshman Class to start the second semester but many good men who left the College to enlist will have their discharges and intend to return to College. Among those who, it is reported, are arranging to come back are: F. M. Parrish, F. L. Stewart, John F. Preston, John Scannel, J. P. Volk, E. C. Filer, J. A. Welty, Gilbert Benson, Ben Thoburn, G. P. Stetson, E. Hall, W. S. Zehrung, G. F. Meredith, N. S. Goslin, F. F. Hetner, C. L. Jones, W. F. Baum, H. W. Dickey, Harold Meal, Victor Leffingwell, T. H. Dickson, William Hulin, and F. E. Kirkpatrick. In fact, some of these men are back in school already and others have made arrangements with the Registrar for their enrollment.

INTER-BARRACKS BASKET BALL.

Sigs versus Phi Gams.

The first game of the series was held on Tuesday evening, December tenth, when the Sigs secured a slight victory over the Phi Gams, by a score of 30-26.

The game proved to be very interesting for the rooters who were quite numerous, especially the delegation from Hulings.

The outcome of the game was not certain at any period of the conquest. At the end of the first quarter the score was 12-6 in favor of the Phi Gams. At the end of the second quarter the Sigs were slightly in the lead. By the end of the third quarter the Phi Gams were again redeeming themselves, and the score was almost a tie. The last quarter seemed to be the most interesting, no superiority being shown on either side.

The line up was as follows:

Sigma Alpha Epsilon—30		Phi Gamma Delta—26
Parent	R F	Dye
Fleming	L F	Secor
Murphy	C	Hammon
Pollock	R G	Kinnear
Eagye	L G	Russell

Substitutions: Swanson for Dye, Ritchey for Kinnear, Bittner for Hammon.

Delts versus Phi Delts.

The second game of the inter-barracks series took place on Thursday evening, December 12, when the Delts defeated the Phi Delts by a score of 25-13. The game was scheduled to be called at six-thirty, but on account of the pay roll formation at that time the game had to be delayed an hour. Because of the uncertainty of the time, there was not a very large congregation of rooters.

The game did not prove to be as interesting as the Sig-Phi Gam game on account of the superiority of the Delt team. At the end of the first half the score was 13-8, with the Delts in the lead. Throughout the remainder of the game the Delts gained on their opponents.

Kofford starred for the Delts, keeping up his record for foul shooting and team work. Speakman also played a fine game, being responsible for five baskets. Carney starred for the Phi Delts, doing most of the scoring.

The game was quite interesting, but would have been more so had the teams been more equally matched.

The line-up was as follows:

Delta Tau Delta—25		Phi Delta Theta—13
Lashells	R F	Francis
Dunn	L F	Carney
Speakman	C	McGowan
Leaf	R G	Ellsworth
Kofford	L G	Dale

URGE PAYMENT OF WAR WORK SUBSCRIPTIONS.

It is desired that all those persons who have not paid their subscriptions to the United War Work Fund do so before they leave on their Christmas vacation. Professor Ward will be in the Registrar's Office from one-thirty to three o'clock on Thursday afternoon to receive payments. In case that anyone is not able to pay their subscription before the holidays they may do so at a later time by making arrangements with either Dr. Eliott or Professor Ward. The amount subscribed to the fund was nineteen hundred twenty-six dollars, and only about eleven hundred have been paid.

If at all possible every one should make a special effort to pay their subscription this week as there is an urgent need for the money.

NOTHING HEARD FROM R. O. T. C. APPLICATION.

No further word has been received from the Government as to whether Allegheny College is to have a unit of the R. O. T. C., although application was made by the college authorities some two weeks ago. Dr. Crawford, who says there is no reason why Allegheny should not have a unit, wired Saturday to Government headquarters but as yet no reply has been received.

FINAL S. A. T. C. SING.

Last Friday night there was held in the Chapel the final Y. M. C. A. sing under the military regime here at Allegheny. As the Y. M. C. A. expects to keep up its activities as originally planned these sings will be kept as a regular institution. Aside from their use as a pleasant relaxation they will serve as a means of teaching college songs and of thus keeping up school spirit. The Y. M. C. A. has shown what it can do for the S. A. T. C. and although the conditions are different, nevertheless this organization has proved its usefulness to the College as a whole. Those in charge of the work confidently expect this sphere of usefulness to increase as time goes on.

PHI KAPPA PSI.

Brothers N. B. Tannehill and R. E. Mason were forced to leave school early in the year. The Selective Service Draft called them elsewhere.

The Chapter has been honored by visits from the following brothers: N. H. Boyd, '17; F. L. Stewart, '19; R. E. Mason, '20; R. L. Moore, '17; K. H. Bleakley, '21.

Brother A. P. Widdowson, '21, who injured his back by falling from a tree, is much improved.

Brother F. J. Powell, '17, was wounded in action in France.

Word has been received that Brother R. H. Ware, '18, has received a commission as Second Lieutenant in France.

Brothers Filer, Stewart, Tannehill, Baum, V. Leffingwell and H. Leffingwell expect to return to Allegheny the second semester.

Brothers J. O. Fitch, '22, and H. R. Camp, '22, do not expect to return to school.

PHI GAMMA DELTA.

Through some mistake the name of Verne L. Parker, '22, of Avalon, Pa., was not mentioned among the list of new initiates.

Mark C. Brown, '18, has been confined to his home in Meadville on account of a nervous break-down. At the present time he is able to be out again. He had been employed at the shipyards at Ashtabula, Ohio.

During the past week the following alumni brothers have visited the House: Lieutenant Leo H. McKay, '16, and Hartley J. Hartman, '15. Both of these men have recently been discharged.

In a recent letter, Allen G. Hutcheon, ex-'19, states that he expects to be home by the first of the year. Shortly after the great war broke out, Brother Hutcheon enlisted in the Royal Flying Squadron. When the armistice was signed he was a prisoner in the German Army.

During the past week the following brothers from the Class of 1919 returned and expect to enter college after the holidays: Lieutenant Charles L. Jones, formerly located at Camp Hancock, Georgia; Winfield S. Zehrung, who had been at Carruther's Field, and Earl D. Hall, who had been at flying school at Camp Americus, Georgia. We are also glad to say that Brother H. D. Megahan, '20, is back in college. He had enlisted in the marine aviation and had been at Minneapolis, Minnesota.

DELTA TAU DELTA.

Brother Fox, '15, who is a Second Lieutenant in the field artillery, was a visitor at the House during the past week.

Brother Hinckley, '12, was a Saturday visitor at the House.

Brother Kahle, '20, spent the week-end at his home in Oil City.

Brother Raymond Speakman, '22, who underwent an operation for appendicitis last Saturday, is progressing nicely.

Brother Inman, '22, was a week-end visitor at his home in Franklin.

Word has been received of the death of Brother C. S. Johnson, '91.

Brother James Cullinan, '22, spent the week-end at his home in Warren, Ohio.

The members of Alpha attended in a body the funeral of Brother Paul Stearns, '18, which was held at the home on Loomis Street, last Thursday afternoon. Brothers Clark, Muckinhaupt, Dunn, Leberman, Walker, McCluer, Reed and Farley assisted as pall bearers. Brother Stearns was working for his master's degree t Northwestern University, at Chicago, where he contracted pneumonia and died after a few days' illness. The Chapter and many friends among the undergraduates and faculty mourn the death of a good friend and admirable young man.

PHI DELTA THETA.

Lieutenant Volk, "Junts," is back. He has been helping to whip a basket ball team into shape.

Johnny Preston is expected here after Christmas.

The House is beginning to resume its old aspect. More old men are expected back and with the releases from the service we expect to have a fine year.

SIGMA ALPHA EPSILON.

Pennsylvania Omega announces the pledging of John W. Brock, of Waynesburg, Pa.

A telegram has been received from Lieutenant Booth saying that he will be out of the service by the 21st and will be in school after Christmas vacation.

The House is beginning to take on its usual aspect, the Freshmen, as is their custom, doing their bit.

Go to Mendel's for Society Brand Clothes.

ALPHA CHI RHO.

Phi Iota announces the following initiates: E. A. Cook, McKeesport, Pa.; G. M. Bollinger, Meadville, Pa.; W. H. Niles, Springwater, N. Y.; M. Pollock, Strawberry Ridge, Pa.; S. A. Whitman, Thomas, W. Va.; O. A. Theuret, Meadville, Pa.; K. Crumrine, Meadville, Pa.; S. E. Davies, Oil City, Pa.

K. C. Caufman, H. B. Van Dervort and G. R. Kirschner have left for home for the holidays. Kirschner does not expect to return this year.

News received from Clair Kramer, with Engineers in France, indicates that he expects to be home for Christmas, but we believe he is nearer Berlin than home. He mentions that he took an active part in the St. Mihiel drive.

The Alpha Chi Rho House will be again opened at the beginning of the year.

Among those expecting to return to Allegheny are: Merl Smith, Frank Parrish, D. B. Brown, T. F. Hetner, C. W. Spangle, and C. M. Jelbart.

QUILL CLUB.

The regular meeting of the Quill Club was held on Tuesday evening, December 10. Since it is the custom of the Club each year to make a gift to the Library, the question was brought up and it was agreed that the Club should subscribe to "Contemporary Verse," as the gift for this year.

It was announced by the President that all members of the Staff of the "Campus," of the "Literary Monthly," and of the "Kaldron," would become ex-officio members of the Club, according to the custom of past years Many of the members of the staffs f these publications are already members of the Quill Club, but those who will become ex-officio members are Mr. Gordon Patterson, Editor-in-Chief of the "Campus," Miss Susan Jenkins and Mr. Carl Morneweck, of the "Campus" staff, Mr. Thomas McCafferty, Business Manager of the "Campus," and Mr. Laffer, Business Manager of the "Kaldron."

Miss Strickland was in charge of the literary program for the evening and for her part in it recited the poem, "Prayer," a story of Belgium's King during the dark days of the recent war. Miss Clouse and Mr. McCluer read papers on "Free Verse" and "Magazine Verse." Mr. W. H. Zehrung, a member of the Club, just returned from the aviation branch of the service, then gave a very interesting talk on "Camp Magazines."

Read your home paper.—Trace's will deliver it.

WORK OF THE BLUE TRIANGLE.

(Continued from page 1.)

Meetings were held in the parlor each noon and were led in turn by the Misses Leda Brooks, '19; Edith Potter, '20; Ruth Sjoberg, '21; Francis Pitt, '22; Mary Hilderbrand, '21, and Marion White, '19.

The Social Service Committee, now that the "flu ban" has been lifted, has started on its neighborhood work. Last week they made a trip to the Old Ladies' Home and gave a very good program; scrap books have been made for the soldiers; and other trips of friendliness are being planned.

The Devotional and Music Committees, working together, have given us very good meetings, and their work cannot be underestimated.

Last, but not least, is the work of the Social Committee. This Committee has charge of the work involved in the open houses which have been held for the S. A. T. C. men of the college on Sunday afternoons. As far as rumor and hearsay have it these Sunday afternono gatherings are very successful, and will go down in the Y. W. C. A. Annals as one important part of the War Work.

In glancing over the work which has been done so far this year it is evident that all of the committees are doing their best and that the organization is in good running order.

FOOTBALL LETTERS PRESENTED.

(Continued from page 1.)

Manager Pierson.

Manager Pierson has pulled through this season, surmounting many difficulties. When he came back to school this year, no games were scheduled. By persistent communication, the schedule played was completed.

The Second Team.

As for the second team, much credit is due them for the way they "stuck" by the team, facing the odds of not getting into a game or making a letter, but always giving the first team the best of practice and always ready to take the first team's place in a game. The members of the A-2nd squad are:

Camp, Nelson, Terrill, J. Pollock, Leaf, Jones, Clark, Crosman, Secor, C. A. Miksch, Schachern.

As for the opponents Allegheny had this year, the first two teams looked like high school teams compared with Allegheny. Of course, the Westminster team is excused somewhat because of the muddy field, but both Westminster and Grove City seemed to lack the quality of "getting organized." Geneva alone showed some ability, although their coach himself remarked that Geneva won the game on a rain-check. On the whole, Allegheny has come through the season with a record worthy of previous years.
