

ONTEORA CLUB
TANNERSVILLE P.O. NEW YORK

Sept. 5th/14

Dear Miss Tarbell,

Please do not give
that unfortunate Mr. S. another thought
- unfortunate. I mean, in causing
you so much bother. I ought not to
have troubled you with it in the
first place, for your hands are
much too full to be expected to
hold one thing more. I shall be
in N. Y. on the 15th or 16th, and
will telephone as you suggest. If
you are in town and not too busy,
it will be a great pleasure to
see you again.

Sincerely yours,

Patry B. Sample.
