Dear Mrs. Bartlett:

Mr. J. N. Payne of Oil City has forwarded to me a letter from you in which you say you have a book containing certain items on John Wilkes Booth and that you would be glad to let me look it over. Thank you for your kindness. I should very much like to see the book and if you will forward it to this address I will examine it at once, take off notes which will be useful to me and return it promptly to you.

Thanking you again for your suggestion believe me

Very truly yours

Mrs. H. S. Bartlett
Knox, Pa.
