Miss Ida M. Tarbell,
120 East Nineteenth Street,
New York, New York.

My dear Miss Tarbell:

This is only to acknowledge at this time your letter of October 29, together with the proofs of Ludwig's "Lincoln", your estimate of his work, and the valuable list of additional corrections. We have sent a copy of your corrections to Dr. Ludwig and after we receive a reply from him I will send you something more substantial than this expression of our great indebtedness to you for your services.

Sincerely yours,

Vice President
