Dear Miss Terrell:

I wish you very

much that it was possible

I have had a cold

which may make my return in

the 2-2 Oct. I am sorry. I

shall know for certain in

two days if I can stay & I will

let you know at once. It is

really too bad, but I am in

some respects not my own

Master is agreed to

business engagements in part Boston.

I had thought it was the matter,

but it is not. I'll let you know

for sure by Thursday morning.

I do hope that will do.

Yours truly

Edw. Parker
