

May 26. Early row in the party - due to failure
of right wing to understand that they too
must keep the case - M. meant that he
said with regard to party discipline -
Cautious out-party - dropping of opportunities -
Hailuk - advised for the joint national
meeting - both their success as a permission
to rule totally according to living - members
myself now were opposed - British
crisis - expelled these who are
M. said preferred "personal prejudices &
national interests"
All a question of whether we could rule the
party -
A new ally in Naples - Soldino - street - an-
front - of's - soldino - street - an-
bulletin -

Don Sturges - April 26 - Intending to be - leader of
Callwell Papeterie Paeij - standing up to Munster -
gave the "apostrophe of state" -
Hakam had political consciousness - guiding
Chavez Stein Munster - military of interrelation -
Caporettoism (defeatist) nothing -
Bolshevism & farcism -

"Central element of power is as necessary to
good administration as a sharp blade to a
cobblers knife" - Misquoting after a month
given to an interview

"No privileges except those justified by
merit, virtue or exceptional merit"

April 27. 'Report on finance made to public
committee' - to Parliament.

In found
Archie - elaborate plan for creating a separate
industrial zone in the old city - summary
city - given up. but railway bill -
as a beach put right -
May 1 - 1923. Labor Day - quit - all the men
at that factory appeared for work;

Manuelin Guardian of April 8 - 23
Molirella in the Bologna - a co-operative village
capital put together by the peasants - swam
drowned - under truth good crop of rice &
corn - Refused to join Fascist - a gran
Regarded as Socialists - suffering from
volence of communists - -

Suffered from volence of followers
attending to this article one of its first -
order was to authorize Prefect of Bologna
to safeguard the the property of co-operative societies
- Local peasants - persecuted & robbed peasants -
anti-co-operative strikes - seized their ma-
chinery - in effect to drive them into foreign
hands "Slavery at Molirella".
Look up at - Bologna.

(Tale of
Legends) - Immortal Rome victorious, hierarchies.
