Attention: Department of Information

Dear Sirs:

Some years ago the Brooklyn Eagle undertook to run down the author of the quotation, "You can fool some of the people all of the time and all of the people some of the time, but you cannot fool all of the people all of the time."

Could you tell me in what number of the Eagle the expression appeared and also if you came to any conclusion.

I shall be obliged for any help you can give me in this matter.

Very truly yours
