My dear Miss Tarbell,

The seminar history class of Evansville College is beginning some research work on Lincoln's life in Indiana. We recognize you as the best authority on the subject, and we want your help in the finding of material. We are in touch with the libraries of Chicago and Indiana Universities and of course with the ones in Evansville. What we do want, Miss Tarbell, is something new, something different. We feel that you can be of invaluable assistance to us.

Anything you can do for us will be greatly appreciated.

Very truly yours,

(Miss) Rachel Greaves
Secretary.
