My dear Miss Tarbell:-

Your letter to Mr. Mather of April 14th asking for facts concerning Mr. B. B. Campbell, was sent to his nephew Mr. Bakewell, and by Mr. Bakewell to me. It has only just reached my hands, which will, I hope, explain the delay in sending you the information for which you asked. I write now to say that I will try and get the matter into shape within a day or two. I will then send it to Mr. Bakewell for his approval and ask him to forward it to you. I regret the con-

tinued delay in sending you the data,
but I am afraid it cannot be helped.

Yours truly,

Margaret Deland
