Dear Iris:

I am mailing to Mr. Galbreath at Pomona Country Club, Pomona, New York your copy of "All in the Day's Work." The book was a little late in getting to me, but ought to reach him Monday.

I find that the Lincoln play is sold out for next week. If you can come in how would you like to see Edith Cavell at the Radio Music Hall. We could lunch and go to the 2:30 show and your friends pick you up or you go to them at a reasonable time. And what day would suit you best. I am tied up Monday and Tuesday.

This is supposing that you do not come in to town to stay. If you should we can fix the day then.

Affectionately

Ida
